ST STEPHEN'S RESTORATION AND PRESERVATION TRUST
TRUSTEES' REPORT
YEAR ENDED 31/12/24

The trustees present their report and accounts for the above year.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's Declaration of Trust, the Charities Act 2011 and the Statement of Recommended Practice, "Accounting and reporting by Charities", issued in March 2005.

Constitution

The Trust is constituted and governed by a Declaration of Trust dated 26th March 1999. A copy of this is lodged with the Charity Commission. During the year the Trustees numbered six of whom three form a quorum. A minimum of three meetings must be held each year.

Recruitment and appointment of Trustees

The Trust was formed by local people who wished to save St. Stephens, a derelict Grade 1 listed Victorian church. They raised £26 million and restored the building for use by the community. Some have left and the principles guiding their replacement are: local resident willing to give personal effort to running St. Stephen's as well as attending meetings. A professional skill is an advantage. These criteria are aimed at filling many tasks without wasting money on fees to others.

Induction and training of Trustees

The Trust has no formal policy. It is expected that trustees will be aware of the aims.

Organisational structure

The Building Management service continues to handle the day-to-day administration and has been very successful. The principal elements are:

- 1) Monitoring the condition of the building and liaising with the trustees about repairs.
- 2) Liaising with Hampstead Hill School, the permanent tenant.
- 3) Encouraging new business and processing enquiries and bookings for events.

Relationship with related party

The Trust is entirely independent but has a tenant. A permanent sub-lease was signed with Hampstead Hill School which moved its senior branch into St Stephen's in September 2009.

Aims of the Trust

The Trust signed the lease of St. Stephen's for 100 years from the Diocese of London on 1st May 2002. Our building proposal was the creation of lettable space at lower ground level, the tenant to be Hampstead Hill School, and the opening of the building for community use when not required by the school. The Diocese approved involvement of the school since the commercial background would ensure ongoing maintenance, and the lease guarantees that the school remains a sub-lessee. _x0000_

The nature of school hours and holidays leaves the building available for community use for 60% of available time. St. Stephen's operates as a venue for social events such as concerts, art exhibitions, lectures and public meetings.

All these are the means to the basic aims of the Trust – to open St. Stephen's to the local and the wider community.

Main objectives for the year

- 1) To manage St. Stephen's as a venue to maximise income from letting.
- 2) To earn enough money to enable the Trust to:
 - i) pay for routine services and maintenance.
 - ii) accumulate reserves to keep the fabric in order and execute restoration tasks.
 - iii) Plan for further works, particularly repair and stabilisation of the boundary walls.

Strategies for achieving objectives

- 1) To publicise, as widely as we can, the advantages of St. Stephen's as a venue for a wide range of events.
- 2) Fund-raising among the local community.
- 3) Modest reduction in prices in the hope that it will present a more manageable option for prospective clients' budgets - caterers, florists and musicians have all reported a decline in wedding numbers and as The Guardian reported in February this year 'marriage rates are falling fast'.

Achievement of objectives

The Trust is still seeing the effects of Covid and the general economic climate with a decrease in income from social events, whilst maintenance and running costs have increased.

Review of activities

During 2024, the following maintenance work, above and beyond the norm, was undertaken: maintenance work was undertaken:

Boiler maintenance
 Security and fire alarm maintenance
 Repair of the main gates
 On-going survey and monitoring of the boundary walls
 Roof repairs
 Tree surgery

Future objectives

To increase our success in hiring out St. Stephen's.
 To accumulate resources to ensure continued maintenance and restoration.

Assets

The sole asset of the Trust is a 99 year lease on St. Stephen's (now down to 79 years).

ST STEPHEN'S RESTORATION AND PRESERVATION TRUST
INDEPENDENT EXAMINER'S REPORT
ON THE UNAUDITED ACCOUNTS
YEAR ENDED 31/12/24

I report on the accounts of the trust for the above year.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts and they consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

It is my responsibility to:

- (1) examine the accounts under section 145 of the 2011 Act;
- (2) to follow the procedures laid down in the general directions given by the Charities Commission under section 145(5)(b) of the 2011 act; and
- (3) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charities Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities, preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (FRSSE).

We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 01/01/15.

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 130 of the 2011 Act, and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act, have not been met, and to which in my opinion, attention should be drawn in order and to enable a proper understanding of the accounts to be reached.
