How the charity is constituted <small>(eg. trust, association, company)</small>	Trust
Trustee selection methods <small>(eg. appointed by, elected by)</small>	New trustees are approached and appointed by existing trustees

**Additional governance issues (Optional information)**

You **may choose** to include additional information, where relevant, about:

- Policies and procedures adopted for the induction and training of trustees.
- The charity's organisational structure and any wider network with which the charity works.
- Relationship with any related parties.
- Trustees' consideration of major risks and the system and procedures to manage them.

Trustees are familiar with all aspects of the Trust's activities. They take advice from specialists on aspects of charity governance on which they are unfamiliar. Trustees keep themselves aware of current issues in charity governance.

The charity is led by a leadership team, which submits major proposals to congregational meetings for members' approval. One of the leaders is designated Senior Church Leader and is remunerated. Other members of the church serve in various leadership roles for specific activities. In addition to the Senior Church Leader, four other members of the church were paid (part-time) for specific work during the year.

The trustees have produced and kept under review a Health and Safety policy that covers all aspects of the Trust's activities. There have been no incidents that have required disclosure to a statutory agency.

The Trust operates Safeguarding policies ensuring all officers of the church and volunteers working with children and young people are subject to enhanced DBS disclosure checks.

**Section C Objectives and activities**

**Summary of the objects of the charity set out in its governing document**

*to advance the Christian Faith holding to the authority of scripture in all matters of faith and conduct in Wrexham and in such other parts of the United Kingdom or the world as the trustees may from time to time think fit;*

*to relieve persons who are in conditions of need or hardship or who are aged or sick and to relieve the distress caused thereby in Wrexham and in such other parts of the United Kingdom or the world as the trustees may from time to time think fit;*

*to promote and fulfil such other charitable purposes beneficial to the community in Wrexham or such other parts or the United Kingdom or the world as the trustees may from time to time think fit.*

**Summary of the main activities in relation to these objects**

The trustees have reviewed our objectives and activities to ensure they continue to reflect our aims. In carrying out this review, the trustees took into account the Charity Commission's guidance on public benefit and in particular its supplementary guidance on the advancement of religion for the public benefit.

They consider that the Trust provides public benefit to the community through the Sunday and midweek activities, through its grant-making, and through its involvement and active participation in town-wide initiatives.

The principal activities of the Church (the Trust) comprised:  
 Weekly public worship and other meetings for teaching and fellowship.  
 Sunday activities for Children & Youth  
 Support of Christian Ministries in Wrexham, Christians Together in Wrexham, etc and abroad through various agencies for the relief of suffering via:  
 Tear Fund, and other agencies and supporting disaster appeals etc.  
 Support of Community projects within the local Community e.g. Street and School Pastors (Wrexham), Foodbank, Feeding the Roofless, Baby Basics, IPAC and elsewhere: Fundatia Increderea (Romania), (GNF Hungary) and a project in Nepal (inter alia).

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- Policy on grantmaking
- Policy programme related investment
- Contribution made by Volunteers

Grants are made to various organisations and are reviewed by the leadership team regularly and changes approved by members at congregational meetings.

Most of the activities of the Trust depend on the voluntary effort of members of the congregation. The majority of members are involved in one or more activities of the Trust.

The trustees, with the exception of the Mr G W Jones, receive no remuneration, as noted in the accounts.

The trustees continue to review the public benefit arising from the activities, and are satisfied that they do provide significant benefit to many within the community.

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

**Weekly public worship:** The style and content of worship aims to be contemporary and accessible to people of all ages and backgrounds, and particularly to people who are unfamiliar with public worship.

**Church based Youth and Children's activities** ran throughout the year adapting to the composition of the group.

(All of the above were delivered online or in-person based on Covid regulations at the time)

**Support for Christian and relief work:** The Trust has used its own resources and raised and distributed funds from the congregation for projects locally and abroad. These include, supporting the international relief work of TEAR Fund and other agencies, and initiatives. The Trust has worked with other organisations in Wrexham to promote initiatives via Christians Together in Wrexham.

- The Trust has responded to various appeals for relief in response to natural and other disasters and emergencies throughout the period, notably in Haiti, East Africa and Yemen.

### **Community projects.**

The Trust has continued to support the following :

- The ongoing work of Street & School Pastors (Wrexham) to provide a caring presence in the town centre on busy evenings, and at a local secondary school at lunchtimes.
- Wrexham Foodbank.
- Provided a team of volunteers taking part in the Feeding the Roofless project within Wrexham.
- Baby Basics Wrexham – providing support for individuals/couples or families with newborn children

and outside the UK:

- Continued to support Fundatia Increderea in Oradea, Romania (alcohol and substance abuse education), a community project in Nepal, and a church in the Roma community in Hungary.

### **Covid-19**

- During 2020/21 meetings were held on-line. Following the easing of restrictions since June 2021, the church has resumed in-person meetings subject to local requirements as well as providing on-line alternatives.

## Section E

## Financial review

**Brief statement of the charity's policy on reserves**

The trustees believe that it is appropriate for the Trust to maintain sufficient reserves to enable it to meet its current expenditure for six months without further income.

Reserves are currently higher than this level, and the trustees have considered how this excess should be utilised in accordance with the objectives of the Trust. Certain funds have been designated to support a new town-wide project should it gain sufficient support elsewhere.

**Details of any funds materially in deficit**

At the end of the year no funds were in material deficit, and any small deficits in Restricted Funds were met from transfers from the General Fund.

**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- The charity's principal sources of funds (including any fundraising).
- How expenditure has supported the key objectives of the charity.
- Investment policy and objectives including any ethical investment policy adopted.

The charity's main source of funding is the voluntary donations of members and friends of the Trust.

The main items of expenditure are salaries, support for youth and community activities and grant-making.

**Section F Other optional information**

The trustees have introduced a contributory pension scheme that complies with the The Pension Regulator's auto-enrolment requirements.

**Section G Declaration**

The trustees declare that they have approved the trustees' report above.
