TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

The financial statements have been prepared in accordance with the current statutory requirements and comply with the Charity's governing document and the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued (January 2019).

CHARITABLE OBJECTS AND PUBLIC BENEFIT

When planning activities for the year the Trustees have complied with guidance issued by the Charity Commission and with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

In particular, the Trustees have considered the specific guidance on charities for the advancement of health, and the relief of those in need, by reason of youth, age, ill-health, disability, financial hardship or another disadvantage and living in West Sussex.

ABOUT 4SIGHT VISION SUPPORT

For over 100 years, 4Sight Vision Support has been the leading sight loss charity supporting blind and sight impaired people living in West Sussex.

With our ongoing work, forward strategy, and partnership working, we aim to make 4Sight Vision Support the Charity that is there for the people of West Sussex at the time when it matters most.

Our Vision

At the heart of our holistic and person-centred approach is a commitment to ensure everyone can live a LIFE WITHOUT LIMITS following a sight loss diagnosis.

Our Mission

Helping people across West Sussex who are blind or partially sighted to live life without limits.

Our Values

- We are **Caring**
- For over 100 years, we are **Trusted**
- We are **Forward-Thinking**

Our Priorities

1. Increase the number of Blind and partially sighted people we support
2. Ensure our services are relevant and user-led through continuous engagement
3. Promote the importance of good eye health and sight loss prevention
4. Raise our profile across West Sussex
5. Ensure we are fit for purpose and sustainable

Structure, Governance, and Management

4Sight Vision Support Charity registration number is 1075447 and is a Company Limited by Guarantee, number 03740647. It is constituted under its amended Articles of Association dated 26 October 2018. The Charity was founded in 1921 and incorporated on 24th March 1999. The management of the affairs of the charity is vested in the Trustees. The Trustees are the directors of the company together with not more than nine members elected by the Annual General Meeting or co-opted by the Trustees. 3 out of 8 of our Trustees have lived experience of sight loss.

In 2024/2025 we also started using the Charity Excellence Framework tool to ensure that we are up to date with governance, policy, and procedures and have met the quality mark standard.

Our Staff

The charity's operational affairs, including Chief Executive, service delivery, finance, admin, income generation, and communications were managed and delivered by 13 staff. 25% of our staff have experienced sight loss, including our Chief Executive Officer Kirstie Thomas.

Our Volunteers

Our dedicated, supported, kind, and incredible volunteers are of the utmost importance to the charity and the people we support. We acknowledge as always the importance of volunteering and that our support to our clients is only possible with the incredible devotion from our extensive volunteer base. We have a strong commitment to volunteering countywide.

- Telephone Befrienders
- Fundraising, Events and Communications

"Can I just say that having done volunteer work for another organisation, 4Sight are second to none in their gratitude and appreciation. I'm coming up to my 2-year anniversary and have thoroughly enjoyed doing what I've been able to do for you all." Telephone Befriending = "It's great talking to [my befriender] she really gets what it's like to have to cope with life with a visual impairment. I don't have to explain myself to her and that feels really different to talking to somebody who hasn't had to manage how difficult life is."

Benefits Service

This year due to the impact of the cost-of-living crisis to people who are blind or partially sighted, we saw a 200% increase in demand for our benefits service. We know from national reports that people who are blind or partially sighted were more affected by the crisis than most due to the need for additional lighting, technology, and the unemployment factor. Many people got in touch to find out what they may be eligible for financially to support them. We offer support to access benefits and concessions and help to complete forms, such as Personal Independence Payments (PIP), Attendance Allowance (AA), and Blue Badges. We also provide advice, including support with appeals, tribunals, and assessments.

PARTNERSHIPS

Partnership working is a key priority to 4Sight Vision Support, and we have continued to work in partnership with a range of organisations in the public, private and third sectors, to raise sight awareness, deliver joint training sessions and deliver services.

We are a founder member of the 'Community Solutions Consortia' (CSC) with Age UK West Sussex, Brighton and Hove, Carers Support West Sussex, The Aldingbourne Trust, Independent Lives, Healthwatch West Sussex, Citizens Advice and West Sussex MIND. CSC is a consortium of county-wide service provider organisations that deliver preventative health and wellbeing services in West Sussex and through the consortia, aim to bring together their collective skills, knowledge, expertise, information, insight and understanding to effectively contribute to and influence strategic commissioning of services, through local authorities, NHS and the local Health and Wellbeing Board and local prevention and wellbeing strategies.

We remain on the collaboration board working in co-production for the new WSCC Adult Social Care Strategy titled "The Life you want to Lead", to ensure that sight loss was considered and prevalent in this piece of work, and sit on the Adult social care task and finish prevention framework group to support the importance of embedding early support and intervention.

We work closely with other sight loss partners and remain a member of Visionary which is the national body that links local and national sight loss organisations across the UK. 4Sight Vision Support plays an active role in the local Visionary south-east regional hub which includes Sight for Surrey, East Sussex Vision Support, Open Sight Hampshire, Kent Association for the Blind, Sight Concern Bedfordshire, My Sight Oxfordshire, Blatchington Court trust, e Vision and many others. We also work with national partners including the RNIB, Guide Dogs UK, Blind Veterans UK, The Thomas Pocklington Trust and The Macular Society and we will continue to explore ways to work together with them wherever such partnerships can add value to the services and support we offer to our members.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025

Carried over into this year in partnership with East Sussex Vision Support we were awarded a Health Inequalities NHS Sussex grant. This purpose is to identify patients' needs and share their experiences within the NHS at a local level. Sight Loss has been identified as a Health inequality in Sussex, and the conclusion will be a prepared report to NHS Sussex making recommendations for change to support patients with sight loss and breakdown know barriers for access and communication. The report identified numerous trends and common factors, and we provided recommendations for improvement

Alongside this we were also successful in participating in a patient pathways project launched by RRNIB patientled and Visionary to sit on a panel of Chief Executives to implement and influence local NHS Integrated Care boards, the nationally recognised and endorsed eye care support pathway with the intention to embed a holistic patientled pathway within Ophthalmology departments.

FINANCIAL PERFORMANCE

The financial performance of the charity for the year is set out in the Statement of Financial Activities.

Donations, Legacies and Grants totalled £264,779 for the period (2024: £343,276), whilst income from Charitable Activities was £113,136 (2024: £115,505). Total income for the charity amounts to £407,362 (2024: £488,349).

Total expenditure for the year was £443,492 (2024: £398,531).

Fees and pricing policies have remained at 2021-22 levels, adjusted for inflation. There are currently no plans to introduce any other fees or change pricing policies as the Trustees are committed to ensuring that help is available for people facing financial hardship who wish to access 4Sight Vision Support services, and a discretionary system is in place so that any charges can be waived for those unable to afford it.

The trading subsidiary, 4Sight Vision Support Trading Limited, again remained dormant during the year, but it is being kept under review in the eventuality that the Trustees deem it in the charity's best interests to make use of it for future projects.

RESERVES POLICY

It is the policy of the Trustees to establish and maintain free reserves at a level sufficient to enable the Association to continue to deliver its range of services during periods of lower income and to meet all responsibilities in the case of closure.

4Sight Vision Support has maintained this method for the continuous assessment of risk, including a valuation of the level of reserves that we might need, based on the review of each of our current services and the flow of funds, as well as the security of our HQ building, an unrestricted fixed asset. This allows for service delivery to be prioritised, but with due regard to other legal and financial responsibilities.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to at least six month's expenditure (excluding funded projects); this is to allow the charity to be managed efficiently and to provide a buffer for uninterrupted services.

This level of reserves was achieved at the year end. The total funds held at the balance sheet date were £724,305 (2024: £760,435) which includes £10,703 (2024: £20,710) held in restricted funds, £100,000 (2024: £100,000) in Endowment funds and £449,348 (2024: £455,484) held as tangible fixed assets. This gives free reserves of £164,254 (2024: £184,241).

The view of the Trustees for the 2024/25 year is that the overall position of the charity and the balance of funds was sufficient to continue to operate charitable services at the levels agreed, and there are sufficient liquid assets to enable restricted and designated funds to be applied as necessary. The Board is empowered to invest monies not required for the immediate purposes of the Association as stated in the charity's investment policy.

FUNDRAISING

The senior member of our fundraising team is a member of the Chartered Institute of Fundraising and our organisation is registered with the Fundraising Regulator; consequently, everyone who supports us may be assured that we comply with the regulatory standards for fundraising.

Our fundraising includes encouraging donations and gifts in Wills, running events and operating a lottery and raffle. Our fundraising strategy is provided and delivered by our in-house team.

We respond to all complaints within five days. Complaints are dealt with in line with our fundraising complaints policy. Serious complaints are escalated to our Chief Executive and Trustees so they may review our activities in the light of the complaint. We have not received any complaints in this financial period.

Funders

4Sight Vision Support continues to benefit from the very generous support of a broad range of funders, whether that be Charitable Trusts and Foundations, statutory funders such as County, District, Borough, Town and Parish Councils or the various philanthropic organisations such as local Rotary, Lions, Freemasons, and other groups (some of whom are listed below). We are very grateful to them for their continued support, and we thank them for enabling us to fulfil our mission to support and improve the lives of blind or partially sighted people in West Sussex. Equally, the Trustees would like to note their sincere thanks to local businesses, schools, universities, colleges and the many individuals who donate, choose to set up, run, or participate in a fundraising event in aid of our work each year. Without the support of this ever-growing supporter and donor base, 4Sight Vision Support would simply not be able to fulfil its objectives.

The Trustees would also like to acknowledge the generous support of some larger donations from the following organisations:

- Tesco – Stronger Starts
- East Grinstead Memorial Estate Limited Smallwood Trust
- Viscountess Blakenham's Charitable Trust
- Ernest Kleinwort Charitable Trust
- The Sir Jules Thorn Charitable Trust - Ann Rylands Small Donations
- Safer In Sussex
- Hospital Saturday Fund

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Many other donors and benefactors have also supported us throughout the year including Parish, Town, Borough and District Councils, local Community groups and organisations, as well as those who have requested that we respect their privacy and anonymity by not including them in this report, but we offer our thanks to them for their generosity also.

CHALLENGES

As with many voluntary sector organisations, the 'cost of living' followed by the 'cost of giving' crises that we faced in 2024/25 meant that securing funding for our services became even more of a challenge than the year before. The Trustees and Senior Management Team have continued to meet regularly during the year to discuss the challenges and explore ways to develop new income streams and continue diversifying our existing income streams. This also had a significant impact on our expenditure with salary increases leading to difficult budget constraints.

THE BOARD OF TRUSTEES

The Board sets the strategic direction for the organisation, and management of the activities is exercised through the Chief Executive and the Management Committee. Trustees are also the Directors of the company.

The Trustees shall consist of the Honorary Officers, individuals nominated by local area committees, and individuals elected by the members at the AGM, of which not less than 50% are visually impaired people or people with lived experience of sight loss.

The Board of Trustees:

- Meets at least four times per year (during this year, all meetings were at the Bradbury Centre, in Bognor. The AGM was held at The Shoreham Centre and was open to anyone to attend in person or online).
- authorises the appointment of senior staff.
- each calendar year appoints sub-committees to deal with all financial and general business of the Association; and
- approves a business plan and budget for the coming year.

The Annual General Meeting:

- elects Officers of the Charity.
- elects up to 9 members of the Board of Trustees.
- and approves the annual report and accounts.

The Trustees may also recommend appointment of other honorary officers, Patrons, Vice Patrons, Presidents and Vice Presidents who shall be members of the Charity.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025

APPOINTMENT OF TRUSTEES

Trustees are recruited using many methods, including advertisement in the press, networking and web site searches. A Trustees and Honorary Officer job description and person specification is in place against which all candidates are assessed. An audit of available skills and experience is undertaken across the Trustee base; gaps are noted, and this information helps to build the profile for future trustee recruitment.

Trustees are encouraged to update their skills through attendance at appropriate training courses and events and, to use the available resources and comprehensive guidance available on the Charity Commission website. Honorary Officers are selected from the Board of Trustees.

RISK ASSESSMENT

The Board of Trustees keeps under review the risks to which 4sight Vision Support may be exposed and the measures required to avoid or mitigate them. This process extends to all areas of services and involves staff and volunteers. A risk Register is in place and is updated quarterly or more frequently if required. This incorporates all forms of risk in relation to the charity and its operations, including contracts, finance, information technology, staff, volunteer and membership recruitment and activities, health and safety and reputation. Where appropriate, systems and procedures have been established to mitigate the risks the Charity faces.

Compliance is about ensuring that we adhere to statutory and regulatory requirements and, in line with best practice and our duty of care to all our stakeholders, the Charity is working towards Level 1 of the Trusted Charity quality mark, which has been specifically designed for use by voluntary sector organisations.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 MARCH 2025**

The Trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

Independent examiner's report to the Trustees of 4Sight Vision Support ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2025.

Responsibilities and basis of report

As the Trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

1. General information

4Sight Vision Support, is a private Company, which is limited by guarantee, incorporated in England and Wales. The address of its registered office is 36 Victoria Drive, Bognor Regis, England, PO21 2TE.

The financial statements are presented in sterling, which is the functional currency of the Company, and rounded to the nearest £1.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

4Sight Vision Support meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held for 12 months from authorising these financial statements.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the charity, can be reliably measured.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities upon the completion of the relevant performance-related conditions. Other grants that are not subject to performance-related conditions are credited to the Statement of financial activities as the grant proceeds are received. Grants received prior to the revenue recognition criteria being satisfied are recognised as a liability.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £2,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives .

Depreciation is provided on the following bases:

Freehold property	- 2% on cost
Plant and machinery	- 33% on cost
Motor vehicles	- 50% on cost
Fixtures and fittings	- 33% on cost
Computer equipment	- 33% on cost

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

2. Accounting policies (continued)

2.8 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Investments in subsidiaries are valued at cost less provision for impairment.

2.9 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.11 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.13 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.14 Operating leases

Rentals paid under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

2. Accounting policies (continued)

2.15 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.16 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds are funds which are to be used in accordance with the restrictions as laid out in the deed of gift.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgment:

The residual values and useful economic lives of tangible fixed assets over which these items are depreciated are estimates which impact the net book value at the balance sheet date, particularly for freehold property.

Restricted Funds

Restricted funds arise where a donor has placed a specific restriction on the use of the funds. The purpose of material individual funds are:

Outreach Service - Funds received to maintain our general services to members

The purpose of other restricted funds is described above in the name of the fund.

Endowment Fund

The endowment fund was established in 2024 following the receipt of £100,000 to establish the Edward Gosling Fund. The fund is to be used to meet operating costs as set out in a deed of gift dated 16th February 2024. There are restrictions as to how much of this fund can be accessed until it can be fully released to unrestricted funds on 16th February 2029.
