Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	**The objective of the charity is to support the children of Honduras, and particularly poorer children. This will include their, feeding, education, health, and the safe environment of children.**
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	**The charity achieves these objectives by raising the awareness of the needs of poor children in Honduras. This is by newsletters, presentations and its website at chtrust.org.uk. The funds to finance these activities come from donations in response to the awareness programme. In addition, children in Honduras are sponsored to enter and stay in education so that they can escape the poverty trap of their parents. The primary aims of CHTrust are the following charitable purposes:** **The prevention or relief of poverty.** **The advancement of education.** **The advancement of health.** **The nourishment of children.** **The public benefits of the work of CHTrust in achieving its objectives are that funds are supplied in response to requests to advance the lives and prospects of children in Honduras, including: clothing, food to children in poverty, equipment for children. Also providing sponsorship and equipment to support children to enter and stay in education. It is estimated that CHTrust supports about 8000 children in Honduras through its activities. The distribution of aid is open to all children in poverty in Honduras; there are no qualifying requirements for receiving aid. The trustees of CHTrust ensure that its activities fulfil the charity's objectives and comply with the principles of public benefit of a registered charity.**

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	**The trustees apply the Charity Commission's guidance on public benefit.**

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**1.1. Please see the accounts, CC16a section A3, for the total amount spent on each category.** **1.2. Provision of Food** • A total of 2746 food bags, plus biscuits and juice for the children was supplied directly to the poorest families which are mainly two indigenous people groups who happen to live in remote regions that are not easy to access. • A total of around 175000 childrens' meals were provided throughout the year through a variety of places: 2 church based feeding centres, 6 schools, one college, also Christmas and 'Day of the Child' parties.

1.3. Education Sponsorship

- 1750 children were sponsored allowing them to attend school. This sponsorship provides: uniforms, exercise books, pens, crayons etc. according the child's progress through primary and secondary education. Without this sponsorship these children would not be able to attend free state schooling and is thus very good value for money.

1.4. Domestic Housing

- 1 basic house was completed during the year for a Lenca family. Also a house at Comayaguela was rebuilt with blocks around a wooden house.
- 7 toilets and septic tanks were supplied to individual households
- 8 pilas were constructed. (Pilas are an outdoor concrete box used for storing water and for clothes washing.)
- An eco-oven has been built for a family.

1.5. Poultry

- Chicks were supplied to Hector Medina agricultural college. These are reared to adulthood in 6 to 8 weeks. Their meat either provides for the college kitchen or is sold. The students learn the benefits of animal husbandry

1.6. Horticulture

- 180 fruit trees (including: lemon, orange, avocado, and mango) were supplied to rural schools and colleges.
- The Marcial Solis San Juancito College, equivalent to a British secondary school, has been able to construct a poly tunnel to grow vegetables, but, unable to pay for seeds, the Trust has stepped in.
- Seeds were supplied to 18 schools, and seeds & and small bag of fertiliser to were supplied to families

1.7. Supporting Schools

- A spare classroom at the Olivante Senior School in Cantarannas has been converted into a library. New lights have been installed, window security bars and shelving. We bought some additional new books for the eight schools which had our first mini libraries.
- Three small rural schools in the mountainous region have been provided with mini-libraries.

- Sotero Barahona School has been provided with 12 dining tables, and Liquidambar School 5 tables and 40 chairs.
- Sewing items (material, thread, scissors, tape measures &c.) were supplied to Hector Media College through a ring fenced donation.
- Painting and decorating plus murals, have been done at the Jenny Smith School.
- Eco ovens have been built for 2 schools.
- CHT bought 4 off catering size saucepan for the Pedrigal feeding centre.

1.8. Water Projects

- At Yarula 2 water storage tanks of 20,000 gallons (91,000 litre) each were completed to the benefit of the local indigenous Lenca peoples. The water comes from local natural springs.
- A 20,000 gallon water storage tank has been installed at Hector Medina College. This is to assist in the vegetable cultivation, giving horticulture education to 14 – 16 year olds. An additional educational benefit of installing the tank is that the students directly assisted in preparing the site for the tank, gaining them constructional experience.

1.9. Other

- Following a request for Sunday school use, permission was given to use the kinder room at the Trust built 'Jenny Smith School' with funds also provided for meals. This is in line with the Charity's aims as the children in this area come from poor families.
- The result of CHT's past funding was the renovation of 2 dilapidated classrooms at Macuelizo School. This sufficiently impressed the Government Department for Education to release government funding for the construction of 2 more classrooms which are now complete and in use.
- Ring fenced funding provided the medical expenses for Estefania, a young single Mum with three children. It is pretty certain that CHT's funding has saved her life and thus prevented her 3 children from becoming orphans.

		Benefit Summary. • **The charity has brought relief to many, perhaps up to 8000 children, in Honduras not only in providing food but also in supporting their education which will have a lasting benefit throughout their lives, benefitting not only themselves but also their future families.**

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees

Charity Name
Children of Honduras (CH) Trust

On accounts for the year ended	30/6/2025	**Charity no (if any)**	1075562

Set out on pages

1-2 with supporting documents 3-6
(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/06/2025 DD / MM / YYYY.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

From 1 July 2023 **Period start date** **To** 30 June 2024 **Period end date**

Charity name: Children of Honduras Trust

Charity registration number: 1075562

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	**The objective of the charity is to support the children of Honduras, and particularly poorer children. This will include their, feeding, education, health, and the safe environment of children.**
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	**The charity achieves these objectives by raising the awareness of the needs of poor children in Honduras. This is by newsletters, presentations and its website at chtrust.org.uk. The funds to finance these activities come from donations in response to the awareness programme. In addition, children in Honduras are sponsored to enter and stay in education so that they can escape the poverty trap of their parents. The primary aims of CHTrust are the following charitable purposes:** **The prevention or relief of poverty.** **The advancement of education.** **The advancement of health.** **The nourishment of children.** **The public benefits of the work of CHTrust in achieving its objectives are that funds are supplied in response to requests to advance the lives and prospects of children in Honduras, including: clothing, food to children in poverty, equipment for children. Also providing sponsorship and equipment to support children to enter and stay in education. It is estimated that CHTrust supports about 8000 children in Honduras through its activities. The distribution of aid is open to all children in poverty in Honduras; there are no qualifying requirements for receiving aid. The trustees of CHTrust ensure that its activities fulfil the charity's objectives and comply with the principles of public benefit of a registered charity.**

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	**The trustees apply the Charity Commission's guidance on public benefit.**

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**1.1. Please see the accounts, CC16a section A3, for the total amount spent on each category.** **1.2. Provision of Food** • Food bags were supplied only to the poorest families which are in the indigenous people groups who happen to live in remote regions that are not easy to access. 1000 food bags to the Lenca, 350 to the Tolupan, and a further 100 to another group in the south. Plus biscuits and juice for the children. • A total of 85300 children's meals were provided through 2 church based

feeding centres throughout the whole year.

- At 6 schools, a total of 61600 meals were provided for school children, during term time. This meets the nutritional needs of the children furthering good attendance and learning.
- At Vicente College in the capital, Tegucigalpa, a total of 23200 meals were supplied to 150 students over an 8 month period.
- Food was provided for children's parties: 1400 meals for Christmas parties, and 450 for Day of the Child parties.
- Thus the total number of meals provided for children during the year approximates to 173000.

1.3. Education Sponsorship

- 1238 children were sponsored allowing them to attend school. This sponsorship allows the each child to access the state schools. This sponsorship may take the form of uniforms, exercise books, pens, crayons etc. according the child's needs as they progress through primary and secondary education. Without this sponsorship these children would not be able to attend state schooling and is thus very good value for money.

1.4. Domestic Housing

- 1 basic house was completed during the year. In the Valle d'Angeles area.
- 2 toilets and septic tanks were supplied for 2 families.
- Pilas were constructed for 2 families. Pilas are an outdoor concrete box used for storing water and for clothes washing.

1.5. Poultry

- Hens were bought for the school hen houses, which had been built by parents and school PTAs. Eight hens for the Buena Vista and 10 for the Liquidombar schools. Eggs from these hens go to school kitchens and supplement the

children's diets. The children also learn about animal husbandry.

1.6. Horticulture

- 1636 fruit trees were supplied. Types: Lemon, Mango, Papaya, Avocado, Guava, Orange, (varieties: Victoria, Valencia, Mandarin). These are a longer term investment, as although these take time to come to maturity, they then provide nutritious fruit for many years.

- £2300 was spent on seeds: sweet corn, beans and a wide variety of vegetables for both cooking and salads. Given to both schools and families.

1.7. Supporting Schools

- A large classroom was under construction at the Chiquistepe School. Not fully completed during the financial year. Also a metal safety rail and concrete floor needs completion.
- 3 school mini libraries, 3 bookcases, and 788 books supplied.

1.8. Water Projects

- Two water storage tanks of 20,000 gallon (91,000 litre) each were being constructed at Yarula to benefit the local indigenous Lenca peoples. Almost completed in the current financial year. The water comes from local springs.

1.9. Other

- Money from a specific donation was given to buy medical supplies, so that an operation could take place for a single mother with two children.
- Finances were provided to buy wood, varnish and paint to refurbish the tables that are used by the children for dining, at the church in La Ceiba. The original metal framed tables were sent out by the Trust in the containers over 10 years ago.
- To assist in the processing of the Charity's accounts in Honduras, a

		photocopier was bought and also a year's internet. **Benefit Summary.** • **The charity has brought relief to many, perhaps up to 8000 children, in Honduras not only in providing food but also in supporting their education which will have a lasting benefit throughout their lives, benefitting not only themselves but also their future families.**

Achievements and Performance

	SORP reference	

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**1.1. Please see the accounts, CC16a section A3, for the total amount spent on each category.** **1.2. Provision of Food** • 3824 food bags at a cost of £38,240 were supplied to families. [This was due to the great need in the poorest families. Hondurans were still struggling after the extended Covid lockdowns in the 2nd half of 2022]. Fuel and delivery costs were additional. • At Macuelizo School, due to the great need of these children, we support the dining room so that they can provide meals three days a week. This meets the nutritional needs of the children furthering good attendance. • Each month food is provided to the two feeding centres we support, one in Pedrigal and the other in La Ceiba, on the north coast. £800 per month. • Food was supplied to The Vicente College near the capital, Tegucigalpa. • Food for lunch time meals was also supplied to the schools we support. • Christmas party dinners were provided for 1870 children. **1.3. Education Sponsorship** • Nearly 3000 children were sponsored allowing them to attend school. This sponsorship allows the each child to access the state schools. This sponsorship provides: the exercise books, pens, crayons etc. without which these children would not be able to attend state schooling and is thus very good value for money. **1.4. Basic Housing** • 10 basic houses were completed during the year. In the Valle area.

1.5. Poultry

- Hens were bought for the school hen houses, which had been built by parents and school PTAs . Eight hens for the Buena Vista and 10 for Liquidombar schools.

1.6. Horticulture

- 359 fruit trees were supplied to the Lenca people.
- 400 fruit trees were supplied to colleges.
- 200 fruit trees were supplied families in Pedrigal.
- 180 fruit trees were supplied to the Tolupan people.
- Further fruit trees were supplied to the College at Guaimaca and primary schools.

1.7. Supporting Schools

- A schools central library was created in the Valle area. Repairs to the classroom ceiling walls, upgrading of electrics and fitting of shelves were needed as well as books. This was funded from monies raised at the 50 years of the Honduras Trust celebration at Spondon.
- Paint was provided for the kitchen walls at Guanacaste School.
- Guaimaca College domestic science room was furnished with: a cooker, fridge, liquidiser and basic cooking items such as pans, bowls utensils etc. Material and sewing supplies were also bought for the sewing department. These were from a one off gift.
- We provided a second hand refurbished cooker for Guanacaste kitchen to provide for the children's dining room.
- During the year a much needed classroom was built at the school at Macuelizo. [Due to the efforts of the Trust, in 7 years this school has grown from non-existent to 190 children. The school is in the Valle area and serves the poorest children, some walking for over 2 hours to get to school.]

1.8. Water Projects

		• A 20,000 gallon water supply tank was built Yarula to benefit the local indigenous Lenca peoples. **1.9. Other** • Money from a specific donation was given to buy medical supplies, so that an operation could take place for a lady with three children. • Finances were provided to buy wood, varnish and paint to refurbish the tables that are used by the children for dining, at the church in La Ceiba. The original metal framed tables were sent out by the Trust in the containers. **Benefit Summary.** • **Covid was still present in 2022 and it exacerbated the difficulties for so many people in Honduras but we have managed to bring help and hope to many children and families who are struggling economically.**

Charity Name: CHILDREN OF HONDURAS (CH) TRUST

On accounts for the year ended: 30/6/2023

Charity no (if any): 1075562

Set out on pages: 1 to 6 (remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended DD / MM / YYYY.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

CHARITY COMMISSION FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 1 July 2021 **Period start date** **To** 30 June 2022 **Period end date**

Charity name: Children of Honduras Trust

Charity registration number: 1075562

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	**The objective of the charity is to support the children of Honduras, and particularly poorer children. This will include their welfare and the support of establishments that provide welfare to the children, child residential facilities including their upkeep and support of on-site staff, feeding, education, health, and the safe environment of children.**
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	**The charity achieves these objectives by raising the awareness of the needs of poor children in Honduras. This is by newsletters, presentations and its website at chtrust.org.uk. The funds to finance these activities come from donations in response to the awareness programme. In addition, children in Honduras are sponsored to enter and stay in education so that they can escape the poverty trap of their parents. Support is also provided for residential facilities for children in Honduras. The primary aims of CHTrust are the following charitable purposes:** **The prevention or relief of poverty.** **The advancement of education.** **The advancement of health.** **The public benefits of the work of CHTrust in achieving its objectives are that funds are supplied in response to requests to advance the lives and prospects of children in Honduras, including: clothing, food to children in poverty, equipment for the provision of food, medical supplies and sanitary provisions for children. Also providing sponsorship and equipment to support children to enter and stay in education. Also to provide accommodation and equipment for children in poverty.** **It is estimated that CHTrust supports about 8000 children in Honduras through its**

		activities. The distribution of aid is open to all children in poverty in Honduras; there are no qualifying requirements for receiving aid. The trustees of CHTrust ensure that its activities fulfil the charity's objectives and comply with the principles of public benefit of a registered charity.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	**The trustees apply the Charity Commission's guidance on public benefit.**

Achievements and Performance

	SORP reference	

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**1. Please see the accounts, CC16a section A3, for the total amount spent on each category.** **2. Building Project for economically challenged parents with children.** • **12 basic houses were completed during the year 2021/2022. All in the area of the Valle de Angeles 10 miles ENE of the capital, Tegulcigalpa.** • **The trust renewed a roof including roof supports for a family.** • **A 20,000 litre water tank, supplied from a mountain spring, was built in the village of Macuelizo to benefit itself and the hamlets: Los Corrales, El Torno and La Pizarra, all in the Valle de Angeles. The tank's design life is thirty years. It provides for 220 families many of whom have the water supplied to their homes by pipe.** **3. Feeding Programmes for students and families from economically challenged families.** • **300 food bags were supplied to the Tolupan marginalised indigenous people group.** • **1000 food bags were supplied to the Lenca marginalised indigenous people group.** • **3000 food bags were given to people in the Valle de Angeles.** • **10 months food was supplied to five schools to provide free lunches for all the pupils three days a week. 800 children benefitted.** • **Parties were provided for a total of 2415 children, not only to have a fun time but also for the children to receive a nutritious meal during the long summer holidays when pressure is on the food available at home. Of these children, 215 are in the suburbs of the capital, 130 on the north coast near La Ceiba, and the remainder in the rural area of the Valle de Angeles.** • **An extra £1000 was given for extra schools for 800 children to have parties.** **4. Sustainable Projects** • **622 fruit trees were supplied to the Tolupan people, also £233 worth of seeds.**

		• **£1150 was spent on seeds for the Lenca peoples.** • **300 Fruit trees were supplied to schools and families at Comayaguela located in the NW outskirts of the capital, Tegucigalpa.** • **400 fruit trees were supplied to colleges.** • **150 fruit trees were supplied to schools, also seeds.** • **200 fruit trees were supplied for families in the Valle de Angeles community, also £2000 worth of vegetable seeds.** • **The opportunity for the poorer people to eat fruit and vegetables is limited, so the trees and seeds are an opportunity for them to enjoy this important part of their diet.** • **We restocked 4 school hen houses at 4 schools/colleges: Hector Medina, Guanacaste, Retiro, San Juancito, all close to the Valle de Angeles. This restocking was necessary after 2 years of Covid shut down.** • **A new hen house was constructed and stocked with hens for Guaimaca College, 35 miles NE of Tegucigalpa,** • **The above chicken projects provide eggs and chicken meat for the college kitchens, and also educate the older students in raising the hens and preparing them for the table. Chicken is important as it is often the only type of meat that the children receive.** **5. Education Sponsorship.** • **1900 children's education was sponsored. This sponsorship provides: the exercise books, pens, crayons and other school equipment which these children must have to attend state schooling and is thus very good value for money. This equipment is too expensive for the poorest parents, and without which these children would not be allowed to access the free education at state schools.** **6.Other Educational Projects.** • **A second hand large fridge-freezer was provided for the Macuelizo school kitchen.** • **A Dining room was built for Macuelizo School and furnished with: 7 tables, 70 chairs, dishes, cutlery and beakers.**

		• **To 5 schools we supplied: 5 book cases, and 350 books, 1 laminator, 3 scanners/printers plus paper and cartridges. We also supplied: 3 mini libraries, 180 books.** • **A sewing project was set up at Guaimaca College. Old sewing machines were repaired and new machines bought. Also tables were supplied and material bought so that the students could make school uniforms, as well as learning useful skills improving their opportunity for future employment.** • **During the year we extended the sewing project in Guaimaca College, supplying them and various primary schools with: embroidery wooden rings, materials and silks. Embroidery is a useful skill to acquire in Honduras as it is a skill that can be used for earning money.** **7.Benefit Summary.** • **Covid and its lockdowns have exacerbated the difficulties for so many people in Honduras but we have managed to bring help and hope to many children and families who are struggling economically.**

Section A Independent Examiner's Report

Report to the trustees/ members of	Charity Name Children of Honduras Trust (CHT Trust)		
On accounts for the year ended	30th June 2022	**Charity no (if any)**	1075562
Set out on pages	As attached. (remember to include the page numbers of additional sheets)		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/06/2022.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Charity name: Children of Honduras Trust

Charity registration number: 1075562

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	**The objective of the charity is to support the children of Honduras, and particularly poorer children. This will include their welfare and the support of establishments that provide welfare to the children, child residential facilities including their upkeep and support of on-site staff, feeding, education, health, and the safe environment of children.**
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	**The charity achieves these objectives by raising the awareness of the needs of poor children in Honduras. This is by newsletters, presentations and its website at chtrust.org.uk. The funds to finance these activities come from donations in response to the awareness programme. In addition, children in Honduras are sponsored to enter and stay in education so that they can escape the poverty trap of their parents. Support is also provided for residential facilities for children in Honduras. The primary aims of CHTrust are the following charitable purposes:** **The prevention or relief of poverty.** **The advancement of education.** **The advancement of health.** **The public benefits of the work of CHTrust in achieving its objectives are that funds are supplied in response to requests to advance the lives and prospects of children in Honduras, including: clothing, food to children in poverty, equipment for the provision of food, medical supplies and sanitary provisions for children. Also providing sponsorship and equipment to support children to enter and stay in education. Also to provide accommodation and equipment for children in poverty.** **It is estimated that CHTrust supports about 8000 children in Honduras through its**

		activities. The distribution of aid is open to all children in poverty in Honduras; there are no qualifying requirements for receiving aid. The trustees of CHTrust ensure that its activities fulfil the charity's objectives and comply with the principles of public benefit of a registered charity.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	**The trustees apply the Charity Commission's guidance on public benefit.**

Achievements and Performance

	SORP reference	

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**1. <u>Provision of Food for students and families from economically challenged families.</u>** • **6000 food bags were given out to families.** • **Food was supplied to our three feeding centres to the continuing benefit of 700 children.** • **Eight Christmas dinner parties were provided for the benefit of 1200 children.** • **On two visits to the Lenca and Tolupan peoples food bags were taken, also biscuits and juice for the children, Together with fruit trees and seeds delivered on these 2 trips about 9000 people have been helped.** **2. <u>Education.</u>** • **£10500 was spent on sponsoring 1500 Children which enables them to receive State education.** • **Five photocopiers have been supplied to small schools. During lockdown this was a great help to get school work to children and much appreciated by both children and teachers.** **3. <u>Basic Housing for economically challenged parents with children.</u>** • **16 houses were completed during the 2020/2021 year.** **4. <u>Horticulture.</u>** • **1643 fruit tree saplings were supplied in 2020/2021 for planting by these communities: The Lenca and the Tolupan peoples, villages around the Valle, also on the north coast and the outskirts of Tegucigalpa.** • **Seeds to the value of £2500 were supplied.** **5. <u>School Buildings.</u>** • **A dining room has been built at the Buena Vista school. It has been fitted out with tables, chairs, plates and beakers.** **6. <u>Mask Kits</u>** • **To help prevent the spread of the Covid virus, 1384 mask kits, a piece of soap and pouch of**

		bleach were given out. The mask are of cloth so that they can be washed and re-used. **7. <u>Hurricane Relief</u>** • **Two major hurricanes, Eta and Iota caused severe flooding in the north of the country. We helped through three ministries who we worked closely with in the past. The money we provided was used to buy food, small cooking stoves, 2 water pumps, mattresses and initially drinking water.** **8. <u>Water Projects</u>** • **El Retiro. The 120 families living in Retiro lack any water services because of the remoteness of the village. We built an open covered area with 10 washing pilas and enclosed a supply of spring water from the ground. We also built 2 shower cubicles for the ladies and a large tank for storing and chlorinating drinking water.** • **Lenca. The Lenca people, who live in Yarula, live in the drought corridor which stretches across parts of several Central American countries. Rain is in scarce supply but there is a nearby reservoir. They used to have a water tank to store water from this reservoir but it was beyond economical restoration. We organised and supplied the materials for a new 20,000 litre tank to be built. The new tank will provide drinking water for some 1500 to 2000 families, serving an estimated 7,500 to 10,000 people or more.** • **Pedrigal. We provided two water pumps and many metres of hose pipe in order to allow land to be brought into food production. 2021 was the first harvest which was shared with the feeding centre in Pedrigal (250-300 children) and the local community (300-350 children).** **9. <u>Benefit Summary.</u>** **The last two years have been very difficult for so many in Honduras but we have managed to bring help and hope to many children and families.**

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of: Charity Name — CHILDREN OF HONDURAS (CH) TRUST

On accounts for the year ended: 30TH JUNE 2021 | **Charity no (if any)**: 1075562

Set out on pages: (remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended DD / MM / YYYY.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
