**Introduction**

The Trustees present their report and the financial statements for the year ended 31 March 2024.

We have prepared the annual report and financial statements in accordance with the accounting policies set out in note 1 and in compliance with the charity's governing document, the Companies Act 2006, and the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in January 2019.

This report covers the financial year ended 31 March 2024.

Financially, our trading subsidiary has continued to make a contribution to the Trust.

The Trust is in a better financial position than in the immediately preceding financial years.

**Governance, Structure and Management**

The Trust is a company limited by guarantee and is governed by a memorandum and articles of association.

The charity exists for the benefit of the inhabitants of Seahouses and surrounding areas.

**Appointment of Trustees**

Ten members can be appointed by nominating organisations although at the date of this report only two has chosen to do so. Up to five further members are elected from the community. Trustees can be co-opted during the year to fill vacancies but must then be re-elected at the next Annual General Meeting.

As suggested above, over the last few years a number of the nominating organisations has chosen not to appoint a trustee, and this restricts the flexibility to get new trustees. We have therefore changed our constitution at an AGM to restrict the nominating organisations to those who have a direct interest and to have a greater number of elected trustees.

## **SEAHOUSES DEVELOPMENT TRUST**

### **Directors and Trustees**

The trustees, who are also the directors for the purposes of company law, who served during the year and/or up to the date of approval of these accounts are:

G Scott (Elected)  
G Renner-Thompson, nominated by Northumberland County Council  
A K G Wardroppe (Elected)  
S Smith, (Elected)  
S Hillian, nominated by North Sunderland Parish Council  
C Brunt (Vice Chair) (Elected)  
M Jordan (Elected)  
Rev A Macpherson (Elected)  
M Archer (Elected)  
E Angus (Elected), resigned 13<sup>th</sup> December 2023  
J Sharma (Elected), appointed 25<sup>th</sup> March 2024  
G Fairs (Elected), appointed 5<sup>th</sup> February 2024

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of any winding up.

### **Trustees Induction**

In October 2005, a trustees' code of conduct was adopted. The code was introduced at the request of trustees to reflect the increased levels of accountability elsewhere in public life. The code brings awareness to all trustees about their responsibilities as directors of the company and what duties they have to fellow trustees. The code also aims to protect trustees in their duties on the management committee.

A welcome pack has also been prepared, including information from the Charity Commission and the National Council of Voluntary Organisations. This is distributed to all new trustees along with a copy of the memorandum and articles of association along with the latest financial statements and meeting minutes.

### **Trading subsidiary**

The charity has one trading subsidiary which was established to generate profits to support for the charity through the provision of services to the community.

The subsidiary Seahouses Luxury Linen Hire was established and incorporated in 2018. This service acts as an agency for a large linen supply company based in Newcastle. The purpose is to provide local hotels, B&Bs and holiday lets with high quality serviced linen.

The trustees of the charity appoint the directors of the subsidiary company.

The Trust has not prepared consolidated accounts as the gross income of the group in the accounting period is less than the audit threshold under the Charities Act 2011.

**Risk Management**

The trustees are aware of the need to assess the major financial risks to the organisation and have identified the current levels of unrestricted reserves as a potential risk. At 31 March 2024 the unrestricted reserves were approximately £51,000 (31<sup>st</sup> March 2023 £47,000). Whilst the level of unrestricted reserves has grown in recent years, the building of core reserves remains a priority. The charity's reserves policy is to manage its affairs to maintain unrestricted reserves above a level of three months expenditure. This policy objective is currently being met.

During the period, the trustees reviewed the trading environment of its subsidiary.

Seahouses Luxury Linen Hire (SLLH) caters for the linen and laundry needs of the local holiday businesses. SLLH acts as an agent for an established linen hire service and is considered a low-risk commercial venture suitable to the risk profile of the trust.

**Objectives and Activities**

The Trust's objects were to strengthen the community through serving individual needs and improving conditions in the local area. Five strategic areas have been identified:

- To develop a diverse, robust economy
- To foster partnerships, links and networks that create a strategic approach to the development of Seahouses and its surrounding communities.
- To promote and sustain the area's natural environmental assets and maintain and enhance the character and identities of its villages.
- To develop a healthy, active, diverse and connected community.
- And to work towards the sustainability of the Trust by establishing social enterprise projects.

**Performance Review for the year to 31 March 2024  
The Trust**

The Trust delivered a wide range of face-to-face community benefits including a community cinema showing a wide variety of latest release films for people of all ages and interests.

In partnership with Northumberland County Council the trust delivered a book lending and delivery service, free computer and internet access at the Hub for anyone who needed it. Staff were able to offer basic IT help for those people who are less confident with computers.

The Trust also ran the very successful Seahouses Youth Project which on average catered for over 20 young people per week. The youth project offered a weekly youth club for the eight- to thirteen-year-olds and a Young Adventurers project for thirteen- to eighteen-year-olds interested in outdoor activities.

We ran a keep fit group, craft group, chess group and social group, supported and liaised with local groups using the hub including the Outdoor Bowling Club, Book Club, Proddy Mat Group, the Christmas Lights group and Coast Care. We work closely with Bell View, a

## **SEAHOUSES DEVELOPMENT TRUST**

community organisation based in the nearby village of Belford who hold weekly coffee mornings and monthly Fish & Chip lunches at the Hub.

We supported and managed 33 volunteers, produced the successful bi-monthly Village Newsletter, which is distributed to 1,800 households, and hosted a community website.

The Trust received grants from the Lord Crewe's Charity and Children In Need to support the Youth Project. Both charities provided a multi-year funding commitment which will secure the Youth Project and give time to find additional funding. The Trust received grants from the Ballinger Trust, the Community Foundation, the Knott Trust, FB & PFB Lough Fund, the Community Foundation and the Catherine Cookson Charitable Trust.

Barclays Bank now rent a room three times a week for a community-based banking service, the revenue the trust receives is a welcome form of earned income.

## **Seahouses Luxury Linen Hire**

The results for the subsidiary are reported in note 4 to the accounts.

The linen hire service continues to grow and produce an income for the trust.

## **Financial Status**

The Trustees believe that our core costs are manageable, and these were met from the activities at the Community Centre, including the Cinema, profits of the trading subsidiary, and specific core cost grants. We believe that the financial position is stable and can support applications for new funding.

The charity continues to build its core (unrestricted) reserves, and at 31<sup>st</sup> March 2024 these stood at £51,427 (2023: £47,330). This represents approximately six months' core costs.

The trustees therefore believe that the charity has sufficient resources to continue operating for the foreseeable future and to meet its liabilities. The going concern basis has therefore been adopted in preparing the financial accounts, in accordance with the Statement of Trustees Responsibilities below.

## **Trustees' Responsibilities**

Charity law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of the affairs of the charity and of its financial activities for that year, together with its assets and liabilities at the end of the period, and adequately distinguish any material special trust or other restricted fund of the charity. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;

## SEAHOUSES DEVELOPMENT TRUST

- state whether the policies adopted are in accordance with the appropriate SORP on Accounting by Charities and the Accounting Regulations and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the charity, and enable them to ensure that the financial statements comply with applicable Accounting Standards and Statements of Recommended Practice and the regulations made under the Charities Act 2011.

The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the trustees are aware, there is no relevant information needed by the company's independent examiner, in connection with preparing his report, of which the company's examiner is unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's examiner is aware of that information.

## Objectives and future work

The trust seeks to provide a local community organisation with the capacity to create and take opportunities, develop, and manage projects, deliver services, and to create sustainable income streams to support these aims, for the social and economic benefit of the area and its inhabitants.

It will seek to be a focal point for identifying local needs, and then deciding which of these needs it can meet itself. It will also work with other partners, networks and organisations to address needs it cannot meet on its own.

In doing this it will seek:

- To develop projects which lead to a better environment for young people, combat exclusion and isolation among older people and other vulnerable groups.
- To support and enhance the local economy by promoting the area, creating sustainable income generating employment.
- To benefit residents and the area generally, and to attract visitors for the economic benefit of the area.

It currently focuses on six projects, and also on continuing to improve its governance and finances:

- A Youth project supporting events and activities for young people and teenagers in the community.

## SEAHOUSES DEVELOPMENT TRUST

- A cinema and entertainment project based at the Hub.
- An information and office services facility for the community which incorporates a limited library service run in collaboration with Northumberland County Council.
- Developing a new community website.
- Continue to improve the village newsletter and provide a better service for the community while increasing advertising income.
- Refurbish the community tennis courts. Fundraising for this big project has started with a grant from the Lord Crewe Charity and County Councillor Guy Renner-Thompson's remainder of the money to be able to build a multi-use games area, which will enhance the local area, provide sports facilities for local people and visitors. It will also provide an income stream to enable the trust to maintain the facility, and any surplus income will be used by the trust to continue to provide services and activities to our local community.

**SEAHOUSES DEVELOPMENT TRUST**  
**INDEPENDENT EXAMINER'S REPORT ON THE UNAUDITED FINANCIAL STATEMENTS**  
**TO THE TRUSTEES OF SEAHOUSES DEVELOPMENT TRUST.**

I report to the Charity Trustees on my examination of the accounts of The Trust for the year ended 31 March 2024, which are set out on pages 11 to 21.

**Respective responsibilities and basis of report**

The trustees are responsible for the preparation of the accounts.

Having satisfied myself that the accounts of the charity are not required to be audited, and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the accounting requirements of section 130 of the 2011 Act other than the requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an Independent Examination; and
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102)).

I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**1.2. Income**

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

All incoming resources are included when the trust is legally entitled to the income and the amount can be quantified with reasonable accuracy.

**1.3 Expenditure**

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a specific activity are allocated directly, others appropriately.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Fixed assets are capitalised, at cost where the purchase price exceeds £200. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objects of the Company and represent the unrestricted balance of funds generated from previous years trading.

Designated funds are unrestricted funds earmarked by the trustees for specific purposes.

Restricted funds are to be used for specific purposes as laid down by the donors and the expenditure which meets these criteria is charged to the relevant fund. Further explanation of the nature and purpose of each fund is provided in note 13 to the accounts.

The Charity operates from its freehold property at the Seahouses Hub, Seahouses. The Charity holds the freehold of the land. However, a restrictive covenant is in place in favour of North Sunderland Parish Council governing use of the land and stating that in the event of sale of transfer, the property is to be offered back to the Council for the nominal price of 5p. On this basis, Messrs Smith Gore have valued the property in December 2014 at 5p. The Trustees have adopted this valuation in these accounts.
