**Sawley Village Hall**  
**1075714**  
**Annual Report 2020-21**

### **Summary**

This has been a challenging year but helpful advice and financial support from the Government has brought the Village Hall through the pandemic, and we were able to resume some activities in line with Government guidance in April 2021. Most of our users had returned to the Hall by the end of September 2021. A number of the wedding books were postponed, some into 2022. The financial position is good, but we face significant challenges in meeting rising costs especially for utilities; a review of our charging regime is inevitable during the year ahead. In light of the challenges, the Trustees took the decision to put significant expenditure on hold, although there were routine repairs and improvements undertaken to the roof and the electrical system. Planning to improve the Hall's resilience and reduce utility costs continue and a review of the Hall hire costs and protocol will be delivered in the year ahead in order to ensure costs are covered and workload for the Trustees is kept to a manageable level.

### **Objectives**

The objectives of the Village Hall and its Trustees as set out in the Conveyance and Deed of Trust dated 19 October 1994 remain unchanged.

### **The Trustees Committee**

Christine Dent – Chair

Edward Roy Flexman – Vice Chair

James Wigginton – Treasurer

Holly Parry – Secretary

Stuart Green

Michael David Mason

Jenny Bellaries

Laura Wray

Laura Bassitt

Michael Mason stood down as longstanding secretary during the year and Holly Parry took up the role.

Due to Covid 19 regulations we could not hold our Annual General Meeting(AGM) in October 2020 but did convene for a full AGM on 13 October 2021 for the years 2019/20 and 2020/21 AGM. Laura Wray and Laura Bassitt did not stand for re-election.

## **Achievements and Performance**

Despite a difficult year due to ongoing Covid-19 restrictions, the Village Hall continued to be utilised, when restrictions allowed, for community events and hire by local residents and businesses. Whilst the Village Hall could be reopened to the public from 12 April, given the age profile of the users and with respect to the village residents, the Trustees restricted full access for the public until July 2021. The Hall saw very little activity during the summer because many users decided to defer their return until September.

Although much less frequent than in a normal year, activities included whist and dominoes, bowls, dance and games evenings along with hire of the Hall for children's parties and weddings (in line with the current Covid restrictions).

During the periods of 'lockdown' we reduced all but essential expenditure to minimise our outgoings, including roof and electrical repairs and improvements.

## **Financial situation**

- Income: £27,087
- Expenditure: £10,474
- Reserves held: £23,992.20

The Charity ended its financial year with a significant surplus due entirely to the receipt of Government grants paid by the local authority (Harrogate Borough Council) under the Local Restrictions (closed) grant scheme and the later Restart Grants scheme as the country came out of Covid lockdown. The payment of both sets of grants fell within one financial year, which would not have been the case had the Village Hall operated on an accounting year of 1<sup>st</sup> April to 31<sup>st</sup> March. Without grant assistance the Village Hall would have incurred a significant deficit in meeting its fixed costs and in undertaking essential roof repair work.

The Village Hall needs to hold reserves as its income from year to year is uncertain. It depends primarily on the income from people hiring the hall for social and community events and from fundraising events organised by the Village Hall. Annual income can be affected by the success or otherwise of music, theatre and other cultural events, which may require some subsidy from the Village Hall. Reserves had been built up to fund the refurbishment of the kitchen and to undertake works to the fabric of the building and its external areas whilst still leaving funds to cover any future annual operating deficits.

## **The Year Ahead**

We hope to return to full operation in 2021/22 and to fulfil the postponed wedding bookings. Given the strong financial position, in part thanks to the Government grants, the Trustees are looking to undertake improvements to the kitchen facilities and to carry out maintenance that was postponed until a more certain time. In addition the Trustees have agreed to review the Bookings Policy to reduce the level of input required by our bookings officer and to review the hire charges to reflect the increasing utility and running costs.

The Trustees remain committed to supporting use of the Hall by local residents for a range of activities from art to yoga and everything in between and for all age ranges.

Given the loss of two Trustees, we remain keen to recruit additional Trustees to the committee to support the objectives of the Village Hall.

### **Issues**

There are no significant issues, complaints or disputes to report.
