Reference and Administrative Details of the Charity, its Trustees and Advisers

Name of the charity and principal address

The Rahula Trust is a registered charity no. 1075742.
The principal address is 22 Ridge Lea, Hemel Hempstead, Herts. HP1 2AZ.

The Trustees at the date of the report are as follows:

Ven. T. Bandula (Hon. Secretary)
Martin Evans (Hon. Treasurer)
Prof. Rohan Kariyawasam
Deborah Bruce
David Foll

We regret to report the passing of a dearly loved former Trustee, Pat Smith, who died on 14 December 2025. May the goodness of her life result in a favourable rebirth and may she attain the supreme bliss of Nibbana.

The Rahula Trust

Registered Charity No. 1075742

Report of the Trustees for the year ended 30th September 2025

The trustees present their annual report and financial statements of the charity for the year ended 30th September 2025.

Objectives and activities for the public benefit

The purposes of the Trust are the advancement of education of children and young people who are in conditions of poverty in Sri Lanka, Tibet, Myanmar, Nepal, Bhutan, India or any other parts of the world as the Trustees at their discretion shall decide, by the provision of grants. This is primarily achieved through an educational sponsorship scheme for children. The charity also provides grants to buy equipment such as library books and computers, and after-school tuition, to further the education of children.

The Trust furthers its charitable purposes for the public benefit by providing long-term educational sponsorship to children in financial need and through its grant-making policy which furthers the education of children in general in financial need.

Grant-making policy

The Trust has established its grant-making policy to achieve its objects for the public benefit.

Long-term educational grants are made to children who are selected on the basis of educational ability and financial need. The progress of children is monitored and if a child fails to make progress the grant is withdrawn.

In addition, grants are made to partner organisations to support projects which further the education of poor children in general. Projects are closely vetted and monitored to ensure stated objectives are achieved and financial probity and value for money is maintained.

A review of our achievements and performance: How our sponsorship grant-making programme delivered public benefit

At 30 September 2025 the total number of sponsored children in Sri Lanka stood at 440 (2024: 462) of which 61 (2024: 43) students are in university or higher education. 49 (2024: 26) students completed their studies during the year including 3 (2024: 6) students at university or higher education.

We are always looking for new sponsors. If you would like to sponsor a child please contact us. The success of the sponsorship programme is evaluated through school reports. Many children achieved good grades in their examinations and we have received many letters of appreciation from them.

In addition to providing educational sponsorship to children, we have provided grants to partner organisations to help children in Sri Lanka and Lesotho. These projects are regularly evaluated through reporting and future grants are dependent on satisfactory outcomes.

The Rahula Trust

Registered Charity No. 1075742

Report of the Trustees for the year ended 30th September 2025

Financial review

The Trust's work is entirely funded from voluntary donations and Gift Aid. Our total income has increased this year to £140,763 (2024: £96,408). Sponsorship income increased to £67,170 (2024: £66,605) and general donations have increased to £25,135 (2024: £13,873). Donations were boosted this year by a legacy of £33,824. It is encouraging that our sponsorship income has been maintained.

The Trust's main activity is providing educational sponsorship to children primarily in Sri Lanka. £87,753 was spent on sponsoring children in the year (2024: £77,244). The amount of sponsorship per child was increased significantly during the year to offset high inflation in Sri Lanka.

The Trust also makes grants to projects providing teachers for after-school tuition and equipment in schools and books for children. These amounted to £20,138 (2024: £17,679).

Our Trustees continue to demonstrate their commitment to the charity both by providing financial support and donating their time in administering the charity, which keeps support costs to a minimum.

We are proud to be able to state that 100% of funds raised from our donors are used for the benefit of the children, as all work for the Trust is done on a voluntary basis. Governance and support costs are kept extremely low and are more than offset by the Gift Aid we receive.

Investment policy and performance

Under the Declaration of Trust the charity has the power to make any investment which the Trustees see fit. The current investment policy is to invest surplus funds in short-term bank deposit accounts and medium-term fixed interest deposits.

Risk management

The principal risks faced by the Trust lie in loss of donors under the sponsorship scheme, adverse fluctuation in exchange rates, high inflation and ineffective grant making.

The Trust assumes a long-term commitment to children to see them through their education once they are accepted under the sponsorship scheme. The main risk is that a donor withdraws their sponsorship before the child completes their education. Other risks relate to changes in the UK and overseas currencies and inflation. For example, recent high inflation in Sri Lanka erodes the value of the amount sponsored children receive. We review the level of grants we give annually to mitigate the impact of inflation on children.

We monitor the projects we support carefully to ensure the grants we give are well spent.

The Rahula Trust

Registered Charity No. 1075742

Report of the Trustees for the year ended 30th September 2025

The trustees have agreed a set of internal financial controls that regulate the receipt of incoming funds, provide controls over expenditure, manage the setting up and operation of bank accounts and the investment of surplus funds, and the preparation of the accounts.

Reserves policy

We review the Trust's unrestricted reserves annually to ensure it has sufficient reserves to manage its long-term commitments as well as to develop its activities. We have concluded that the Trust should maintain its unrestricted reserves at a minimum level of one year's sponsorship expenditure (expected to be approximately £100,000 in the coming year) plus one year's grants to long-term projects (currently £20,000). Reserves in excess of this will help ensure that our commitment to children under sponsorship can be maintained in real terms up to the end of their education. At 30 September 2025 unrestricted reserves stand at £235,004 (2023: £204,620).

The effect of the economic and political situation in the world is unpredictable, but the Trustees believe that the Trust has adequate reserves to mitigate any foreseeable risks.

Restricted reserves

Restricted reserves relate to donations received for sponsoring specific children through their education or for other charitable activities where the donor has specified how the funds should be spent. These funds must be used solely for the purpose they are intended.

Plans for the future

We are committed to continue our child sponsorship programme even if our costs exceed what we raise in sponsorship income. We have been successful in raising funds to fill that gap so that we can continue to support our existing children and to increase the number of children in sponsorship. We are also looking for ways to increase the support we give to other projects. In planning our expenditure for the coming year, we are mindful of the need to hold adequate reserves to meet a further shortfall in funding, should it occur.

Structure, governance and management:

Constitution

The Charity is operated under the rules of a Declaration of Trust made on 15th October 1998 and Supplemental Deed executed on 25th April 1999.

Organisation

A board of a minimum of three members, who meet biannually, administers the Trust. Trustees are chosen by reference to their commitment to the objectives of the charity and the skills they can offer. The day-to-day administration is carried out by the Secretary.

The Rahula Trust

Registered Charity No. 1075742

Report of the Trustees for the year ended 30th September 2025

Trustees' responsibilities in relation to the financial statements

The charity Trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

Approved by the Trustees on 23 January 2026 and signed on their behalf by:

Martin Evans
Treasurer

Independent Examiner's report to the Trustees of The Rahula Trust

I report to the Trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 September 2025.

As the charity's Trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated: 23 January 2026

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2025

1. ACCOUNTING POLICIES

1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)).

The Charity adopted SORP (FRS 102) in the current year. In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP (FRS 102) the restatement of comparative items was required. They have concluded that no restatement was required.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The Rahula Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Tangible fixed assets and depreciation

The charity has no fixed assets.

1.3 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction. Exchange gains and losses are recognised in the Statement of Financial Activities.

1.4 Charitable status

The charity is established as a charitable trust and is registered with the Charities Commission, charity number: 1075742.

1.5 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income and gains and losses on investments are allocated to the appropriate fund.

The Rahula Trust

Charity registration number: 1075742

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

1. ACCOUNTING POLICIES (continued)

1.6 Income recognition

Income is included in the Statement of Financial Activities when the charity has legal entitlement to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received. The charity has no viable means of measuring the value of non-monetary donations.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material (see note 2).

Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

Investment income is recognised on a receivable basis.

No amount is included in the financial statements for volunteer time in line with SORP (FRS 102). The trustees give their time as volunteers but it is impossible to measure the value to the charity.

1.7 Expenditure recognition

Expenditure is accounted for on an accruals basis and has been classified under expense headings that aggregate all costs related to the category. Charitable expenditure comprises all expenditure deemed to directly relate to the objectives of the Charity.

Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Governance costs include legal advice for the trustees and any other costs incurred in connection with compliance with constitutional and statutory requirements.

Support costs - the amounts disclosed under each of the above categories comprise those costs which are directly attributable to that category together with an apportionment of support costs where appropriate.

1.8 Pensions

The charity has no employees and no pension commitments.

The Rahula Trust

Charity registration number: 1075742

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

1. ACCOUNTING POLICIES (continued)

1.9 VAT

The charity is not registered for VAT. Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1.10 Debtors

Other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.12 Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SOFA if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

1.13 Bank and cash

Cash at bank and in hand includes bank accounts, cash and short-term highly liquid investments with a short maturity of twelve months or less from the date of acquisition or opening of the deposit or similar account.

1.14 Estimation uncertainty

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

1.15 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.16 Preparation of the accounts on a going concern basis

Having considered future budgets and cash flows, the trustees confirm that they have no material uncertainties about the entity's ability to continue as a going concern for the foreseeable future.

The Rahula Trust

Charity registration number: 1075742

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

2 . INCOME FROM DONATIONS AND LEGACIES

	Unrestricted Funds £	Restricted Funds £	Total Funds 2025 £	Total Funds 2024 £
Sponsorship	-	67,170	67,170	66,605
