Activities

Objects: TO ADVANCE THE EDUCATION OF THE PUPILS IN THE SCHOOL

Activities: We raise funds for our school. We have events such as school discos, fun days, raffles, quiz and curry nights and fashion shows. We buy things for the school such as cameras, wet play equipment, laminators. We also occasionally take all of the pupils to the pantomime, paid for coaches to sport events and buy each of the children a christmas present and an Easter egg.
