**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2022**

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

Income is slightly higher compared to last year. We have been building and developing our core services, with a positive net movement in fund reported for the year under review.

The organisation has seen the benefit of undertaking the 'Pilotlight Mentoring Scheme' in the previous year. Future sustainability was a key learning factor throughout the exercise, and we have seen the service consolidate throughout the pandemic and continue to deliver our services to the best of our abilities.

2021 - 22 has seen the continued successful delivery of our long term contracts: the Blackpool Horizon service including the Blackpool ADDER Project gaining national acclaim for its forward thinking approach to delivering drug services, the Lancashire and Blackburn Healthier Living Services and the Changing Futures Project achieving some much needed security and stability for the charity, with healthy financial decisions being taken in the period and target alignment with budgets ensuring the charity meets its targets, obligations and responsibilities.

The service is working towards the Strategic Action Plan 2021-2024 with Trustees, Senior Managers, Managers and Workers tasked with actions to maximise the effectiveness of the organisation and achieve goals and objectives, also utilising ideas and feedback from beneficiaries and stakeholders.

The charity reviews all of its contractors, sub-contractors and regular outgoings such as telephone and utility bills to ensure best value for money with clear decision making.

Energy contracts are managed carefully by securing the best tariffs available for the voluntary sector.

A Team Leader opportunity in drug and alcohol service delivery, and investment in administration including offering a Kickstart apprenticeship in the period, has enhanced the support to staff and infrastructure.

We are happy to report all of our core services met their targets and objectives; many exceeded and bringing added value to local statutory services. This can be attributed to the hard work and dedication of project staff team and the operational guidance from the management team. The management team have worked hard to represent the charity at all relevant forums and have continued to grow and build on the existing relationships with all partners, funders and commissioners, meaning the reputation of the charity continues to prove very positive.

The period has seen structural maintenance and refurbishment of the heritage building taking place, ensuring the continuation of service delivery in years to come, and a safe place for service users to access support.

**Plans for future periods**

The operational management structure enables charity leaders to focus on the strategic direction of the organisation. Sustainability and growth as well as continuing to develop our brand and make ourselves more identifiable are at the forefront of our plans going forward. We will continue to build reserves to support the sustainability of the service.

The 'Big Sexy Bus' will see a substantial investment in the next financial year with Blackpool Council having seen it as an excellent resource for the area, and therefore becoming financially viable for the service to continue to deliver vital services from the bus in community settings.

A second vehicle, the 'Little Sexy Bus' will be purchased to support the PrEP Project and deliver the service throughout Lancashire.

We have seen 4 new Trustees appointed to the board in the period, and sadly said goodbye to another long-term member unable to continue as a Trustee. The board members will undergo training and development as well as looking at recruitment of new members, with areas of expertise identified as best placed to help the charity meet its ultimate goals and aspirations.

We plan on delivering our contracts to the highest level, looking at added value and innovation. Our financial processes and decision making is tighter than ever, we hope to build on this and continue building charity reserves providing further security and stability to a charity that has been delivering services for over 30 years in the North West.

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2022**

**FINANCIAL REVIEW**

**Reserves policy**

The Council of Management's policy is to accrue a level of reserves to ensure continual functioning of the charity through funding delays or unforeseen events. The minimum amount required would need to cover salary costs and mortgage repayments at the Blackpool premises. At this time our free reserves are in deficit by £34,075 (2021 £75,186) due to the investment of substantial sums in the buildings used to deliver our services. Our free reserve levels are improving, and we seek to maintain and increase the levels in the upcoming year.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Charity constitution**

The charity is a charitable company, limited by guarantee. The members of the company are the Council of Management, named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £5 per member of the charity.

**Recruitment and appointment of new trustees, induction and training**

Recruitment and information packs are distributed to enable active recruitment of new members for the Council of Management.

Potential new members are invited to attend the quarterly meeting of the Council of Management and meetings are held initially with a member of the Senior Management Team, and then with the greater membership of senior managers, staff, volunteers and service user representatives to ensure full briefing and understanding of the charity and the trustee/director role. Where specific training is required this is co-ordinated by the Council of Management to ensure that all members have the necessary attributes to be involved with Renaissance.

**Organisational structure**

The charitable company is controlled by the trustees who make up the Council of Management. The trustees delegate the daily running of the charity to the Senior Management Team.

The Council of Management meetings have a two-tier approach. Full meetings are held quarterly with a full agency report. Quarterly sub meetings to consider key issues of personnel, Finance and Performance support the main meetings as required and members are aligned to champion roles to complement key areas so as to draw on their individual expertise. These Champion roles encompass Finance, Safeguarding & Clinical Governance, IT & Communications, Contracting, Commissioning & personnel and Performance & Consultation.

The continued development of the Committee remains a high priority, continually ensuring there are representatives in order to fully reflect the diverse needs of members to ensure the service has within its governance the skills and experience required.

**Risk management**

The Council of Management has given consideration to the major risks to which the charity is exposed. An ongoing review continues to be undertaken with recognition to quality markers and the requirement for the appropriate levels of funding. The Council of Management governs the SMT operational lead of risk identification and management including arrears as health and Safety, safeguarding and serious case review.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees (who are also the directors of Renaissance-UK Ltd for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**AUDITORS**

The auditors, Wallwork Nelson & Johnson, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on 16<sup>th</sup> Nov 2022 and signed on its behalf by:

## **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF RENAISSANCE-UK LTD**

### **Opinion**

We have audited the financial statements of Renaissance-UK Ltd (the 'charitable company') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

## **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF RENAISSANCE-UK LTD**

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### **Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims.
- Enquiry of entity staff in compliance functions to identify any instances of non-compliance with laws and regulations.
- Reviewing minutes of meetings of those charged with governance.
- Reviewing financial statement disclosures and testing to support documentation to assess compliance with applicable laws and regulations.
- Auditing the risk of management override of controls and evaluating the business rationale of significant transactions outside the normal course of business.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
RENAISSANCE-UK LTD**

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.
