

Parkstone Kids Club

Riverside Community Centre

Parkstone Road

Hull HU6 7DE

Telephone: (01482) 804312

Manager: Mrs Rebecca Butler

Email: kidsclub@riverside2.karoo.co.uk

www.facebook.com/parkstonekidsclub

Ofsted Register Number: 509977

Registered Charity No 1076339

Charity Report 2022-2023

The Parkstone Kids Club is now in the 26th year of providing a childcare service to the community. We are based within the Riverside Community Centre which is on the same site of the Parkstone Primary School.

At the moment we have 25+ families on our register which means parents/carers are able to work, train or seek employment knowing that their children are happy in our safe environment.

Our staff have updated their annual update service that is required. Completed Level 1 & 2 Safeguarding. Health & Safety in the work place. Food Safety, Hygiene & Allergens and other relevant training and courses. Policies and procedures are reviewed and updated when required.

Future Plans/Sustainability

- Parkstone Kids Club is gradually continuing to run successfully after the impact Covid had with parents and carers working from home.
- Staff have reduced hours to help with job stability for the future months.
- Children continue take part in planned activities, in the moment and free play while interacting with school friends of mixed age groups and cultures.
- Kids Club continue to offering play facilities and equipment, together with a welcoming involvement for all parents and carers, ensuring Kids Club activities are for all children, whatever their race, culture, religion, means or ability.
