Enviro Ability

Report of the Trustees For The Year Ended 30 June 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal activity of the company is to develop initiatives, which benefit, involve and provide opportunities to people from disadvantaged groups, the community and the environment.

Public benefit

The trustees consider that they have complied with their duty to have due regard to the public benefit guidance when exercising any powers or duties to which the guidance is relevant.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Charity sets up projects to provide people from disadvantaged groups a chance to get involved and back into work. These projects enable individuals who would not necessarily be ready for employment to build confidence and learn new skills, improving their chance of gaining employment.

The charity has a varied range of projects currently running:

Industrial Recycling	Collecting waste from shops in town and processes into recycling.
The Can Do Crew	Helping maintain gardens, works with parish councils on clearing public rights of way and other odd jobs as requested.
Furniture and Bicycle Upcycling	Restoring donated furniture and bicycle's to be resold. Also receiving donated books to resell.
Leisure Link Project	Allowing disadvantaged groups to hold evening social events, meet others and become involved in the local community.
'Tweety Treats' Birdseed	Local birdseed sourced, packaged and sold.

The charity also has a retail outlet in the town for Shop Mobility where mobility aids can be hired by the general public for a small donation fee.

FINANCIAL REVIEW

Financial position

Our current tenancy at Model Farm continues and we remain immensely grateful to our landlord Simon Cutter for his ongoing support which has allowed us to increase our range of activities at the site.

Our new workshop space has allowed us to expand our "Take A Pew" project to work alongside another local church who are looking to re home their pews. Our skilled volunteers will work alongside our service users, teaching them new skills, cutting the pews down to the required size, with the desired finish and these will go on to be sold to the public, mainly the parishioners of that church. Any surplus from this project will be split equally between EnviroAbility and the church. A great example of how we work in a co-productive manner.

Our target of increasing numbers of paying users was achieved in the financial year but the less satisfactory performance of other income generating parts of the charity partially offset the financial gains. Our Service Development Officer continues to widen our range of contacts within the care network in Herefordshire and we anticipate a further increase in service user income during the coming year.

Alongside the valued day opportunities offered to adults with disabilities we also now provide a 1-1 home help service to a person we support who, with our help and support, has moved into their own home. We provide a service to this individual to ensure they are learning the necessary skills to be able to live independently.

Grant funding has been obtained from a variety of sources. We are particularly grateful for the local funders who regularly support and particularly those who have recognised that core funding, whilst not very exciting, is absolutely critical to organisations such as ours.

We are pleased and thankful to have been chosen as our Town Mayor's Charity of the year for 23-24. Alongside the Mayor we have been organising fundraising events to raise funds for EnviroAbility.

EnviroAbility continues to rely upon the dedication of not only its paid staff but to the dedicated volunteers who give their time and skills. The board never ceases to be impressed by the enthusiasm and generosity of these volunteers who do so much for the people we support.

In conclusion, EnviroAbility has succeeded in its mission to provide valued opportunities for disadvantaged people that are visible to the community, whilst at the same time considerably improving its financial performance from last year and setting in place the foundations for further growth.

Reserves policy

The trustees will endeavour to maintain reserves at a level that provides cover for six months of overheads, should the charity's income streams be adversely affected.

FUTURE PLANS

EnviroAbility will look to continue to increase the number of paying service users which will allow us to continue to widen our range of services and support to those most in need in our community and, at the same time, improve our long-term financial security and sustainability.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

Trustees are usually recruited from the local community. Newly appointed trustees are informally mentored by the chairman.

Independent Examiner's Report to the Trustees of
Enviro Ability

Independent examiner's report to the trustees of Enviro Ability ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 June 2024.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 June 2024 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

Enviro Ability

Balance Sheet - continued

30 June 2024

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on 27 November 2024 and were signed on its behalf by:

A handwritten signature in black ink, appearing to read 'A J I Lowther', with a stylized flourish at the end.

A J I Lowther - Trustee

The notes form part of these financial statements

Notes to the Financial Statements
For The Year Ended 30 June 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Preparation of consolidated financial statements

The financial statements contain information about Enviro Ability as an individual company and do not contain consolidated financial information as the parent of a group. The charity is exempt under Section 399(2A) of the Companies Act 2006 from the requirements to prepare consolidated financial statements.

Incoming resources

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Cash donations are recognised on receipt. Legacies and grant income are recognised on receipt or otherwise, if the charity has been notified of an impending distribution, the amount is known and receipt is expected.

Turnover is measure at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and machinery	- 20% and 25% on cost
Motor vehicles	- 25% on cost
Computer equipment	- 25% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset and is recognised in the Statement of Financial Activities.

Related party exemption

The charitable company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Charitable funds

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Enviro Ability

Notes to the Financial Statements - continued
For The Year Ended 30 June 2024

1. ACCOUNTING POLICIES - continued

Charitable funds

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

2. INVESTMENT INCOME

	30.6.24	30.6.23
	£	£
Deposit account interest	388	158

3. NET INCOME/(EXPENDITURE)
