MISSION INDIA

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

The directors present their report and the financial statements for the year ended 31 March 2022.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects for which the company is established are the advancement of the Christian religion in particular but not exclusively by :-

- a) Providing materials to Christians in India to accomplish their goals in ministry;
- b) Providing educational and training programmes that enable these individuals to plant worshipping groups;
- c) Obtaining income generation grants that enable these individuals and their supporting workers to become self-sustaining in material distribution and the planting of worshipping groups.

The main activity is to fundraise throughout the UK in order to carry out the main objectives in India. Fundraising activities are undertaken mostly through mail to existing donors with regular giving encouraged through the use of standing orders. The council seek to expand the donor list through targeted mailings as well as promotions through personal contact.

The main programmes supported in India are :-

- Children's Bible Clubs
- Adult Literacy Classes
- Church Planter Training
- Covid Pandemic Relief

Public benefit

When considering what projects to support, the council have had regard to the guidance issued by the Charity Commission on public benefit.

Volunteers

All council members are volunteers. In addition a number of donors provide their time and effort in a voluntary manner to promote awareness of Mission India and its objectives.

The contribution of volunteers is greatly valued.

ACHIEVEMENT AND PERFORMANCE

During this year the charity has continued to see an increase in its overall donations. This is due to the raising of awareness of the charity by the employees and trustees and as a result of successful advocacy campaigns, highlighting the rising levels of persecution in India and a relief programme specific to the impact of COVID-19 in India.

During the year donations totalling £241,346 were sent to projects in India, this has enabled more Indian children and their families to receive the Good News of Jesus and for new worshipping groups to be established. India's Christians are passionate about sharing the Christian message in their communities but most lack the tools and training to effectively reach the nation. Mission India has assisted these men and women through our Training Programme. We also sent £100,957 to India for the Relief Fund. This was for production and distribution of Relief Kits.

More detail of the individual projects supported is given in note 15 of the accounts.

MISSION INDIA

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

FINANCIAL REVIEW

The results for the year are reported in the Statement of Financial Activities on Page 5. There is an overall surplus of Income during the year of £25,468. Campaigns to help support specific projects in India have continued to be successful with overall donations totalling £590,797 compared with £507,608 in the previous year. This together with the relief effort, has enabled a total of £342,303 to be sent to India.

The Council prepare an annual budget which is monitored at their quarterly meetings. This year, taking into account the day to day running costs and future funding requirements, it was decided that £75,000 was a reasonable figure to hold in reserves, equating to approximately three months of anticipated expenditure.

Unrestricted Reserves at the year end were £140,695. Any unrequired excess will be transferred to India in the next donation.

FUTURE PLANS

The Council will continue to promote the work of the Charity to increase support for specific projects and build on the improved rate of donations over the past two years.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The company was incorporated on 21 December 1998 as a private company limited by guarantee, with the liability of each member limited to £1. It is governed by a Memorandum and Articles of Association. It is also registered with the Charity Commission.

Recruitment and appointment of new trustees

Members are elected by ordinary resolution as a matter of ordinary business. The minimum number of members is three, but there is no limit on the number of members. Every member shall either sign a written consent to become a member or sign the register of members on becoming a member.

The affairs of the company are managed by a Council whose number shall be not less than three. At every annual general meeting one third of the council shall retire by rotation, but if the vacancy is not filled, the retiring member shall if willing to act be deemed to be reappointed.

The council shall elect from their number a Chairman who shall hold office for three years. Any member of the council who has previously held office as Chairman shall be eligible for re-election to that office but shall not consecutively hold that office for more than two terms.

The council meets formally at least four times a year with regular financial reporting on a monthly basis.

One member of the council is an executive with our sister organisation based in Michigan, USA, also called Mission India. The council works closely with the US organisation, as they have set up all the necessary systems and procedures to oversee the work in India and this enables the council to monitor the proper use of their grants. All members of the council have been to see the work in India and the office of the local partner, who assesses all applications to run the individual programmes, ensures proper training of volunteers and teachers and oversees the production of the teaching materials. Proper accountability and reporting procedures have also been implemented for each programme so the council are confident that all grants from the UK are properly used in carrying out the supported programmes.

Mission India supports Indian Christians in planting new worshipping groups throughout the nation of India in systematic and measurable ways. By providing financial resources and oversight from the United Kingdom, Mission India completes its ministry through local partners in India, Mission India is interdenominational working with indigenous Indian churches denominations and outreach organisations in the following four areas:

Children's Bible Club

A children's bible club programme is a two week educational event and often continues throughout the year with ongoing worshipping groups. The clubs are led by Indian christian volunteers who serve in their local communities. These leaders are trained and provided with curriculum printed in India's major languages

Church Planter Training

A church planter training programme develops and prepares Indian christians to become Church Planters. Training involves in-class bible lessons, provision of scriptures, tools and supervised field experience.

Adult Literacy Classes

An adult literacy class runs for 52 weeks, held each evening, five days per week. Literacy programmes use primers available in all of India's main languages; lesson materials and lessons on health, self-sustenance and community issues. Basic classroom supplies, such as chalkboards and lanterns are also provided.

Relief Fund

India continues to be severely impacted by the COVID-19 Pandemic. The rapid spread of the virus has caused considerable suffering to those who were already extremely poor. Many have not been able to find work at all. Those who have, faced decisions on working to feed their families, but with the threat of catching the virus and most likely dying, or not working and facing starvation. Our relief effort provides our ministry partners in India with the funds to produce a Relief Kit containing food, medicines and PPE, which can feed a family and help them to stay safe, and distribute these kits as quickly as possible.

16. RELATED PARTY DISCLOSURES

No payments to related parties were made in either the current or previous year.
