The Drayson Foundation

Trustees' report for the year ended 5 April 2022

The trustees present their report and accounts for the year ended 5 April 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, applicable laws and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Activities, specific objects and relevant policies

Objects and activities

The trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the trust's aims and objects, managing the trust's assets and considering applications for financial assistance.

The trustees hold the income and such part of the capital as they determine for such of the charitable objects and to make donations to such charitable objects as they decide.

Charitable objects shall mean:

- 1) The relief of sickness, in particular by making grants, gifts or loans to statutory health and welfare services.
- 2) The advancement of education of young persons and adults by the provision of scholarships, exhibitions, grants and allowances at any education or training establishment.
- 3) Such other purposes, in any part of the world being exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine.

The trustees had the power to accumulate the income of the Charity for a period of twenty one years from the date of the Settlement Deed. The Accumulation Period ended on 10 June 2020 and from this date, the trustees are obliged to pay out the income they receive in any given year.

Investment Policy

The investment criteria are regularly discussed by the trustees. Their objective is biased towards an income return with investments managed on a risk averse basis. The trustees are satisfied with the performance of the Trust's investments. The trustees have wide powers of investment.

Achievements and performance

Grants

During the year ended 5 April 2022, the trustees did not commit to any new grants (2021 - 1 grant of £5,100).

As detailed in note 4 to these accounts, the trustees have no commitments at the year end.

During the year ended 5 April 2019, the trustees granted an award of £300,000 to CWPlus (Reg no. 1169897), payable in three equal tranches of £100,000. The final tranche was paid in November 2021.

During the year ended 5 April 2020, the trustees granted an award of £100,000 to Women's Interfaith Network (Reg no. 1103676), payable in two equal tranches of £50,000. The second tranche was paid in December 2021.

During the year, Lord & Lady Drayson were directors of Drayson Technologies Limited (DTL), a company in which the SUPP portfolio holds Preference B and Preference C shares in. The total DTL holding represented <0.1% of the total holdings of SUPP as at 31 December 2021.

Financial Review

Results for the year

The financial activities are summarised on page 6 of the accounts. During the year the trustees had net income, before realised and unrealised gains on investments, of £4,037 having made (and committed to make) grants totalling £nil (2021 - net income £18,047, grants £5,100).

Reserves policy

The trustees have reviewed the reserves of the Foundation and forecast levels of free reserves (those that are not restricted or designated) that will provide the Foundation with financial flexibility and provide a cushion against shortfalls of income, either planned or unanticipated. The level of free reserves at 5 April 2022 was £2,961,079 (2021 - £2,937,290). The trustees consider this level of free reserves satisfactory to meet annual donations to charities.

The trustees have agreed that for the time being all donations received by the trustees should be treated as an accretion to the capital.

Plans for future periods

The trustees will continue to make distributions to charities in England and Wales and elsewhere.

Prior to the year end, the trustees were contemplating making a significant gift to a healthcare charity but this did not materialise.

Governance, structure and management

Governance

The Foundation was established by a Declaration of Trust dated 10 June 1999 and was registered with the Charity Commission, Charity Registration Number 1076700.

The trustees are ultimately responsible for the policies, activities and assets of the charity. They are in regular and frequent contact to review the developments with regard to the charity, its activities and to make any important decisions. The trustees review the proposals for grants to be made and approve such grants as appropriate. When necessary, the trustees seek advice and support from the charity's professional advisers including investment managers and accountants.

Trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the accounts in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable regulations). Under that law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charity's governing document. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
