THE HOSKING HOUSE TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The object of the original charity was the relief of poverty by providing, maintaining and improving accommodation and financial support for women artists/writers of further promise and acknowledged achievement. In March 2025 the objects were updated to better align with those of the newly established CIO, which are to relieve the charitable needs of women artists aged over 40 and to advance the arts by provision of residencies.

Public benefit

The trustees have complied with their public benefit duty through providing residencies to individual writers and artists as described, thus enriching the cultural landscape through the works produced and providing inspiration to aspirant creative practitioners.

Our principal activity was the provision of residencies in Church Cottage to appropriate applicants, organising our calendar to make maximum use of the Cottage's capacity. We were successful in obtaining a grant from Amazon Literary Partnership which enabled us to offer some bursaries to those in need. We also renewed our partnership with the Women in Art Prize which helps bring our Trust to the attention of a wider audience.

Volunteers

The Hosking Housing Trust utilises volunteers to assist in our work.

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance

Significant activities and achievements against objectives

We provided thirteen residencies during the year, numerically more than average because Kate Strasdin came for two sessions of two weeks, (due to family commitments); we were especially keen to accommodate her because her published work on the historicity and nature of fabrics and period clothing we thought unique and scholarly.

Our residencies are clearly known in faraway lands as Jane Williams, an established poet from Tasmania, came on a grant from Arts Council Australia to write about her UK forebears. Lucy Jones came from Berlin for a short residency and we were pleased to receive Jesse Allen, professor of law at Pittsburgh University, USA who came to research her biography of William Blackstone, the guru of American constitutional law.

Louise Campbell continued to select our artists and on her excellent recommendation, Angela Malone came from Kent, Gill McFarland from Scotland. Rachel Ball is a graphic novelist from London and Helen Simmonds, a painter from the west country making small-scale but exquisite work.

Our collaboration with Coventry University ended this year with their final appointment of Olivia Garro from Italy. Our cultural range was emphasised by receiving Melanie Wilson, a multi-disciplinarian performance maker and Sasha Dugdale working on a project linking John Keats surgical training to his poetry.

From the eleven individuals hosted who wrote their report on the conclusion of their residency, all found their time with us beneficial and we increasingly find that it is word of mouth and personal recommendation that lead us to new applicants of calibre.

2024

31st March - 19th April	Angela Malone, artist
20th April - 31st May	Jane Williams, poet
3rd - 17th June	Kate Strasdin (1) dress historian

THE HOSKING HOUSE TRUST

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Financial review

The Trust's closing bank balance at this year's year end was £352,582. This amount was due to the interim legacy received from Simon Hosking, brother of the founder, in October 2024 of £350,000

During the year the total of the charity's income resources was £433,187 (2024:£16,697). Expenditure for the year was £26,450 (2024:£51,409). The charity had total funds at the end of the year of £771,411 (2024:£301,402).

The Trustees have a strategic and operational plan in place to ensure stability and growth.

Reserves Policy

The Trust's policy on reserves is to hold sufficient resources to continue the charitable activities of the Trust should income and fundraising activities fall short. The Trustee Board considers that the Trust should hold circa £5k to cover all unexpected costs linked to the building and activities.

Investment Policy

The Trust's Income and Expenditure is very small and as a consequence it does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Trust has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only one mainstream bank.

The Trustee Board regularly monitors the levels of bank balances and the interest rates received to ensure the Trust obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn. In these circumstances, the Trustee Board considers the cash flow requirements.

Structure, governance and management

The Hosking House Trust is constituted under a trust deed dated April 1995 and is a registered charity (no. 1076713).

The trustees who served during the year and up to the date of signature of the financial statements were:

Carole Manship

John Elliot

(Appointed 1 April 2025)

Helen MacLagan

Amanda Smyth

Margo Galvin

(Resigned 18 April 2025)

Recruitment and appointment of trustees

The method of recruitment and appointment of new trustees is that they are elected by existing trustees.

New trustees undergo an orientation process to brief them on their legal obligation under charity law, the charity's governing documents, the committee and decision making processes, the business plan and recent financial performance of the charity. Trustees are encouraged to attend appropriate external and internal training events which will assist them in carrying out their role.

THE HOSKING HOUSE TRUST

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Organisational structure

The Trust is managed by the Trustee Board. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate. The Trustee Board consists of the Chair, and (for the year in question) 3 Trustees and meets every 3 months.

This Trustee Board exists to make sure the charity is well-managed, risk are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. During the course of 2024-2025 the charity continued preparatory work with a view to transferring its activities to a CIO.

The trustees report was approved by the Board of Trustees.

THE HOSKING HOUSE TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE HOSKING HOUSE TRUST

I report to the trustees on my examination of the financial statements of The Hosking House Trust (the Charity) for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the Charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE HOSKING HOUSE TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

The Hosking House Trust is constituted under a trust deed dated April 1992 and is a registered charity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1 Accounting policies

(Continued)

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	2% straight line basis
-----------------------------	------------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Investment property

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

1.8 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

THE HOSKING HOUSE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

1.10 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

THE HOSKING HOUSE TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
