TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)
FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their report and financial statements for the year ended 31 March 2024.

The Trustees, who are also Directors of El Shaddai Charitable Trust Ltd , UK company no: 03646579 , charity number 1076768 (This document will abbreviate the UK entity to ESCT UK and abbreviate the India Charity : El Shaddai Charitable Trust, Charity No 9/IV/1, to ESCT India) for the purposes of company law, are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting. In preparing the financial statements the Trustees should:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Charitable objectives

The UK Charity was established in 1997. The Charity's Mission Statement is defined in its Memorandum and Articles of Association:

- 1) The relief of poverty and sickness of children in India
- 2) The advancement of education of young people of India
- 3) The relief of sickness among the population of India by providing or assisting in healthcare.

To achieve the above-mentioned objects the Charity receives funding from monthly sponsorship and general donations; also through fundraising activities carried out by the UK Co- Founder, Trustees, UK Office Coordinator, Volunteers, and Donors. This funding is the basis of grants which are made to our Partner Agency in India, ESCT India which provides living accommodation, meals and medical care for vulnerable and disadvantaged young children in new built or renovated houses and Day Centres in Goa and other States in South India.

Public Benefit

In planning our activities, we have kept in mind the Charity Commission's guidance on public benefit and have followed this guidance to demonstrate the charitable aims are for public benefit.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Partner agencies

The Charity currently achieves its objectives through grant making to one Partner Agency, El Shaddai Charitable Trust, registration no 9/IV/1 a Charitable Society registered in Mapusa, Goa, India in 1996. The Charity is a Non-Governmental, Non-Political Organisation.

Communications and reporting systems between the UK and our Partner Agency are working well and UK Trustees continue to visit and monitor projects at least annually. There was a gap when it was not possible for visits during the Covid years, but two trustees have been able to visit India once again since then.

Achievements and Performance

The UK funding continues to provide the following services through its Partner Agency:-

- Purpose living accommodation, meals and medical care for vulnerable and disadvantaged children in new built or renovated houses and Day Shelters/Centres in Goa.
- Education in a purpose-built school for ESCT India children, funds for local slum children to attend neighbouring schools and funds for ESCT India senior children to receive further education in Goa, vocational education for slum dwellers.
- Funding to Project Partners through ESCT India to operate community Centres in other States in India.

Due to the pandemic, the past few years have been very uncertain and anxious for El Shaddai in India. Despite the many difficulties, including some of the children and staff being victims of Covid, ESCT India has had to re-adjust to a post-Covid world. Work continues in the homes and school and various day centres and shelters. People in the slums are cared for by our field staff and El Shaddai continues to provide meals, food parcels and medical assistance to many who need this help.

ES India provides a daily feeding programme for the constant number of hungry people in the communities. We are so grateful for generous donations from supporters who have been pivotal in the funding of the feeding programme.

Children's Homes

ESCT has five children's homes in operation: Rainbow House, House of Kathleen, House of Norma, Victory House and Shekinah House. Total number of children staying in the homes is 204. Verna House is being used to shelter homeless men where there are currently 19 men residing. House of Hope is a shelter for homeless women and 10 are housed there at present. Accommodation is usually in large old-style Goan properties with grounds suitable for games. They usually consist of a main room used for different functions (meals, watching TV), dormitory sleeping accommodation, toilets and shower blocks, office and storerooms, etc. Staff is employed by ESCT India; size of staff team varies depending on size of home. There is Independent/Semi-Independent Accommodation for senior boys and girls.

Day Care Centres

Currently, our Day and Community Centres are: Asha Deep in Panjim, Ashraya Community Centre in Vasco, Albert's Good News Community Centre in Margao, Little Acorns in Calangute, Stepping Stones in Margao, Tremara in Chimbél and Sylvia's House Community Centre in Vasco.

These provide drop-in centres for any child in need throughout the day. The shelters act as safe havens for children, providing them with security, food, washing facilities, new clothing, basic, non- formal education and counselling. Approximately 50% of children in the Day Centres are funded to attend local state-run schools.

An extra dimension to the work of the Shelters is that of the Field Workers who work in the surrounding slum areas with the most vulnerable children. They attend to minor medical problems, give basic teaching and refer children to the Day Centres who, if necessary, may then be accommodated in a residential home. During the year, Field Workers have spent time on additional feeding projects within the slums.

ESCT India took on a new outside project, the Rene Project, in February 2022, in Turbhe-Navi, Mumbai, aiming to fight against child prostitution in the red-light district. Two of our staff members are engaged in counselling the women and their families in these areas, with 19 children residing in Rena Home.

Education

As well as providing living accommodation, meals and medical care, the educational needs of the children are also taken care of, in the purpose-built Shanti Niketan School. There are 265 El Shaddai Academy students, 175 children from our homes plus 90 day scholars.

Financial Review

The results are as set out in the attached accounts.

Grant Making Policy

The Trustees consider Grant Making an effective means of delivering aid using local partners. Local partners have access to facilities, expertise, staff and/or other resources in the field, and they may be better placed to deliver aid speedily and effectively.

We are able to review our Partner Agency for its track record in their field, financial transparency and operational capability.

Our Grant Making Programme is reviewed each year.

Reserves Policy

The Charity aims to hold free reserves of approximately £55,000, which equates to three months' grant making for our Partner Agency's charitable activities.

Financial risks - Project Running Costs

All funding sent by the UK to our Partner Agency, ESCT India, is issued in two parts – Restricted Funds and General Funds. The UK Office has put in place procedures to ensure Restricted Funds are used for the exact purposed intended, which includes evidencing. General funds currently contribute to the running costs of the charity in India and the UK charity expenses. Our income from Direct Debits decreased from £145,092 in 2018/19 to £142,794 in 2019/20; in 2020/21, £149,607. For 2021/22 the amount was £149,529.93 and for 2022/23 the total was £136,943.48. For 2023-24 the total was £133,888.48

We have lost some sponsors, partly due to age and financial restraints, but are gaining new sponsors. The pandemic had an effect on the donations we received, however, donations and fundraising activities are beginning to increase.

Plans for Future Periods

The Trustees are well aware that we must use the resources we have wisely, effectively and efficiently on behalf of our donors and sponsors. Our grant making is carried out through only one Partner Agency. We try to cement trust between us and our donors and sponsors by producing good quality reporting and up to date financial reporting. We wish to highlight the need for sustainability of our current projects. The Trustees whole-heartedly recognise that they are responsible for the maintenance and integrity of the Charity.

On 13 May 2023, Lynne Flaxman was appointed as the new Office Coordinator. The lease of the office in Holsworthy was cancelled on 30th June 2023 and the registered address was transferred to Harrow.

Appointment of Trustees

In recent years, persons who have played a significant role in supporting the charity along with it's objectives and possess the requisite skills along with an enhanced DBS clearance, have been invited to become a Trustee.

Organisational Structure and Governance

The Registered Charity (Charity No. 1076768) is a Company Limited by Guarantee (Company No. 03646579) and is governed by its Memorandum and Articles of Association. The Charity is managed by a Board of Trustees who are responsible for setting and implementing policies and are assisted by the Company Secretary and UK Office Co-ordinator.

Risk Management Process and Review

The Trustees of ESCT UK undertake a routine analysis of all the risk areas relevant to the organisation. A specific procedure is implemented for the identification and management of risk. The risks are clearly identified and attributed to either ESCT UK or our partner agency. These risks areas include topics such as Governance, Operational, Financial and compliance with UK Laws and Regulations. Following risk identification, a Risk Management Review is then completed for each specific risk area.

The Trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT**

TO THE TRUSTEES OF EL SHADDAI CHARITABLE TRUST LIMITED

I report to the Trustees on my examination of the financial statements of EL Shaddai Charitable Trust Limited (the Charity) for the year ended 31 March 2024. .

Responsibilities and basis of report

As the Trustees of the Charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

However we feel it necessary to draw attention to the paragraph in the Trustees Report under the heading financial risk. The UK Trustees have in place various procedures to assist with the control of expenditure in Goa, which includes evidencing of expenses. However it should be noted that inevitably responsibility for spending in Goa lies with the Trustees of ESCT Goa and the UK Trustees can only rely on reports of evidence of this spending provided to them.

Charity information

EL Shaddai Charitable Trust Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is 1st Floor, The Pavilion, 56 Rosslyn Crescent, Harrow, Middlesex, HA1 2SZ, United Kingdom.

1.1 Accounting convention

The accounts have been prepared in accordance with the Charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

All expenditure is recognised on an accruals basis as a liability occurs and there is a legal or constructive obligation committing the charity to pay out the expenditure. Expenditure includes VAT that cannot be fully recovered and is reported as part of the expenditure to which it relates.

Fundraising costs comprise specific costs associated with attracting the voluntary income.

Grants are recognised in the accounts on payment when the commitment is made.

(Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	straight line over 4 years
--------------------------------	----------------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

To provide accommodation for children, usually in large old-style Goan properties, consisting of a main room used for different functions (meals, recreation), dormitory accommodation, shower blocks, kitchen, office etc with lockers available for many children.

To provide shelter for children during the night and a drop in centre for any child in need during the day. The shelters act as a safe haven for children, providing them with security, food, washing facilities, new clothing, and basic non-formal education and counseling. Those children in greatest need are then able to stay the night.

To provide cottages that can accommodate groups of 8-10 children in generally shared rooms (2-3 boys per room). They are intended for boys who have previously lived in ESCT Children's Homes and allow them the opportunity to move into semi-independent accommodation.

To provide support to a number of projects to ensure children are able to benefit fully from an education.

To run a number of projects for local communities both in urban and village areas.

To provide medical facilities.

To provide vehicles for use by the charity.
