Charity registration No. 1076819

Web Site: <https://www.bahighflight.co.uk>

The accounts for the year April 6th 2024 to 5th April 2025 are attached.

### Income versus spending

The charity was relaunched in the Spring with a week-long event at Heathrow to promote charitable giving through the payroll amongst BA crew. This had the significant effect of almost doubling the current payroll contributions from £17,373 in 2023-24 to £32,011 in 2024-25. Further contributions were received via the BA voucher scheme, as well as some direct donations to the charity. Total income was a little less than the previous year though, in which a large donation from the BA Community Fund was received (£25,000).

Operating costs increased slightly this year due to bank fees, insurance and marketing costs.

### Total Income verses Expenditure

2022-2023 saw an income of £19,074 and expenditure of £24,460

2023-2024 saw an income of £48,871 and expenditure of £28,032

2024-2025 saw an income of £41,767 and expenditure of £35,094

### Operations

In the last year, the principal operations of HighFlight have been:

- the provision of grant funding to Kent Gliding Centre, with whom we have now flown many disadvantaged and disabled people in gliders.
- the provision of funding through FSDP (Flying Scholarships for Disabled People). In 2024-25 two scholarships were funded.
- the introduction of new funding to the charity Fly2Help, who give respite to families or groups going through difficult life experiences through Air Smiles Days.

This fulfils the requirement of the Charities act 2006 in which we confirm that we have had regard to our public benefit.

## General Statement

The Charity thanks you for your continuing support and we look forward to another busy year for HighFlight.
