## HEARTCRY TRUST ANNUAL REPORT

### FINANCIAL YEAR 1st October 2022 – 30th September 2023

Charity registration number: 1076993

#### Objectives and activities

Heartcry Trust was established by Declaration of Trust dated 23 May 1999 and registered as a charity on 11 August 1999.

Heartcry Trust is a Christian charity which seeks to facilitate people through teaching, training and resources to connect with their communities to bring transformation. We seek to equip the Church to be an agent of positive and practical change in communities and nations. Heartcry seeks to carry an encouraging Christian message of hope with a generous, practical demonstration of kindness towards the poor and broken in our communities.

To that end, Heartcry has continued with many speaking and training opportunities both in the UK and other nations.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### Achievements and performance

This year has seen a return to a full schedule of travel and the resumption of in person speaking and resourcing of conferences, training events, leadership mentoring programmes and social outreach projects. Rachel Hickson and Helen Azer have travelled extensively on behalf of the Trust delivering training and engaging supporters with updates on the Trust's projects notably the relief work in Moldova and Ukraine. In person visits have taken place in 40 cities across the UK and multiple cities in 8 other nations including USA (across 13 states), Norway, Canada, Republic of Ireland, Slovenia, Croatia and Bosnia. Heartcry Trust has also continued to offer online teaching and training material for use through the Trust's social media platforms, notably Facebook and YouTube. These resources have been provided free of charge in line with Heartcry's charitable purposes and have attracted donations into the Trust from those who have wanted to partner with the Trust to further its public benefit at this time. Rachel Hickson and Helen Azer have also continued to offer leadership mentoring, training and seminars via zoom at the request of churches and other organisations.

Heartcry Trust also continues to support social action programmes in the nations. Our main area of social action investment has been through a continuation of the Trust's work into some of the poorest communities in Eastern Europe, notably our partnerships in Moldova, where we were able to provide practical resources as well as leadership training and mentoring support to workers on the ground there. Over the winter months of 2022, the Trust was able to contribute to the support of around 700 families through the provision of coal and food parcels.

Since the outbreak of war in Ukraine in February 2022, the Trust has been able to support the humanitarian relief effort among refugees fleeing Ukraine into Moldova. Due to the Trust's extensive network of partners in Moldova and their links into multiple cities across Ukraine, the Trust has been in a position to get aid and donations directly to the frontline as well as supply practical provisions to centres in Moldova who are housing refugees. The Trust has supported at three key stages: rescue, relief and relocation. Voluntary financial contributions from the Trust's network of supporters towards this aid have supported this work this financial year. In January 2023 the Trust's key partners from Moldova were able to come over to the UK and meet supporters face to face and bring updates on the situation first hand. The level of engagement at this event was encouraging and was due to be followed up in June or July 2023 with a site visit to Moldova by Rachel Hickson. Due to the increased intensity of the war in Ukraine along the Moldovan border and the advice of those on the ground, the trustees recommended a postponement of this visit for security reasons. The visit was successfully rescheduled and carried out in November 2023.

We continue to develop our website and marketing information to enable people to connect with us. Our social media platforms (Facebook, YouTube & Instagram) have sustained interest and engagement and provided regular updates on projects including the work in Moldova. This has given donors a greater sense of partnership. Revenue generated through the sale of our resources in the UK has enabled us to donate materials into key projects in the UK and overseas. We continue to prioritise the support of rehabilitation centres for drug and alcohol dependency, notably through our links with Betel UK.

Our website continues to be updated on a regular basis with the latest security software installed in order to maintain the site's compliance for online donations and allow donors to complete Gift Aid declarations online as well.

### **Structure, Governance and Management**

The Trustees met twice in person and once on zoom during the year. Mrs Clare Sheaf was re-elected as the Chair of the Trust and Ms Claire Minns was elected as Secretary. Mr Alan Penry continues to advise the Trustees on compliance and ensured that the Trust policy documents were reviewed and updated. Mr Andrew Lang advises on legal matters.

It is the Trust's practice that trustees are selected on the basis of their active interest and engagement with the Trust in an informal capacity for some years prior to their appointment as trustees. This ensures that trustees have an understanding and appreciation of the range of the Trust's activities and are already relationally connected to the Trust.

Trustees are also selected on the basis of the skill set they will bring to the Trust's governance and management so that current trustees have legal, educational and business/managerial experience between them and are able to advise not only on the projects the Trust is engaged with but also on compliance issues. New trustees are appointed by the Trustees and apart from receiving the Trust Deeds and Charity Commission guidelines and resources on becoming a charity trustee, the Trust's usual practice is for them to be inducted and trained by attending meetings for a period prior to their appointment as well. This year Mr Peter Jones attended his first Trust AGM in November 2022, having been elected as a trustee during the spring of 2022. The Trust welcomes his skills in helping organisations to navigate change and adapt to new opportunities.

The Trust has continued to retain the services of RDP Newmans LLP as our accountants to assist us with financial advice and the Independent Examiners report for the Charity Commission. Mr David Finn continues to oversee our accounts at RDP Newmans. Heartcry Trust has continued to operate from the office in Oxford located in CMS House, Watlington Rd, Oxford OX4 6BZ. During the last year, the Trust has recorded short video updates for financial and other supporters as well as hosting meetings in Oxford for those interested in the work of the Trust. These gatherings provide an informal setting to meet the team and listen to more personal reports and stories and gain a greater understanding of the work of the Trust.

# INDEPENDENT EXAMINER'S REPORT

## Independent Examiner's Report to the Trustees of Heartcry Trust

I report to the trustees on my examination of the accounts of Heartcry Trust ('the charity') for the year ended 30 September 2023 which comprise the summary of receipts and payments and the statement of assets and liabilities.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no audit opinion on the accounts and my report is limited to those specific matters set out in the independent examiner's statement.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
