Directors' report Year ended 5 April 2024

The directors present their statutory report together with the unaudited financial statements of The Tellus Mater Foundation Limited for the year ended 5 April 2024.

This report has been prepared in accordance with Part VIII of the Charities Act 2011.

The financial statements have been prepared in accordance with the accounting policies set out on pages 11 to 13 of the attached financial statements and comply with the Memorandum and Articles of Association of The Tellus Mater Foundation Limited, applicable laws and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102),

GOVERNANCE, STRUCTURE AND MANAGEMENT

Constitution

The Tellus Mater Foundation Limited is a company limited by guarantee (Registration Number 03750774) and a registered charity (Registration Number 1077092).

Directors

The names of the directors who served during the period are set out as part of the reference and administrative information on page 1.

The Articles of Association require a minimum of two directors and a maximum of seven. Directors may co-opt any person duly qualified to fill a vacancy in their number or as an additional director. Decisions on investments and donations are taken by all directors.

Directors' responsibilities statement

The charitable company's directors (who are also trustees of the Foundation for the purposes of charity law) are responsible for preparing the annual report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of The Tellus Mater Foundation Limited and of its income and expenditures for the financial year then ended. In preparing these financial statements, the directors are required to:

- ◆ select suitable accounting policies and then apply them consistently;
- ◆ observe the methods and principles in Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102);
- ◆ make judgements and estimates that are reasonable and prudent;
- ◆ state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- ◆ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

GOVERNANCE, STRUCTURE AND MANAGEMENT (continued)

Directors' responsibilities statement (continued)

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Risk management

The directors have identified the major risks to which the charity is exposed and remain confident that they have in place systems and procedures to mitigate the risks. They feel that the main risk to which the charity is exposed is the protection of assets and income. The income of the charity is mainly derived from the portfolio of investments held within the charity. The directors monitor the performance of the investments and regularly review their investment policy, meeting on a quarterly basis to consider the investment yields and capital growth.

Key management personnel

The directors are the key management and as such have not received any remuneration for their services.

OBJECTIVES, ACTIVITIES AND RELEVANT POLICIES

Charitable objectives and activities

The charity's principal activity is its grant-making programme. In accordance with its Articles of Association the charity's objective is to promote any charitable purpose or support any charity selected by the directors. The directors seek through their grant-making programme to support charitable projects in areas identified as being of particular interest to them. These areas include the environment and supporting forward thinking organisations to put in place a low impact future. The directors do not anticipate any changes to their grant making priorities.

The directors confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year. Whilst the directors are mindful of their own obligation to ensure that the charity benefits the public generally, they take some assurance from the fact that recipients of grants are themselves regulated to ensure that they operate for the public benefit.

Grant making policy

The Tellus Mater Foundation is dedicated to exploring the potential for disruptive technologies to solve critical environmental and social challenges, and to educate key audiences about the solutions. The directors take a strategic approach to grant-making and do not respond to unsolicited applications. Instead, if an organisation identifies that it has strong links to the Tellus Mater Foundation's funding objectives, the directors would encourage the organisation to contact them via the charity's website www.tellusmater.org.uk.

The grant making process usually involves an initial conversation followed by the submission of a concept note briefly stating the background, objectives, activities and budget for the project, to be assessed by the directors.

Investment policy

The investment strategy is set by the directors, who consider the charity's income requirements, the risk profile and the view of economic and market conditions. The investment objectives are to obtain a balanced return from both capital growth and income. The directors meet on a regular basis to consider the charity's portfolio and investment performance.

Fundraising

The Foundation does not fundraise directly with individuals and therefore is not registered with the Fundraising Regulator. No fundraising activities are undertaken and if donations from individuals were received, the Foundation would aim to protect personal data and would never sell data or swap data with other organisations.

Directors' report Year ended 5 April 2024

ACHIEVEMENTS AND PERFORMANCE

During the year ended 5 April 2024, grants payable amounted to £56,684 (2023 - £55,681) and a further £1,886,684 was spent on charitable projects (2023 - £658,542). Details of grants are provided in Note 3 to the financial statements.

We have continued to financially support RethinkX who continues to be an impartial and data-driven leading independent think tank that analyses and forecasts the speed and scale of technology-driven disruption and its implications across society. The Foundation continues to support the research in technology disruption to address key issues created by technology convergence and the new business models across key market sectors. The research helps identify pivotal choices to be made by investors, business, policy and civic leaders. The directors are pleased to report that RethinkX continues to work towards receiving funding to support its work from other 3rd parties.

Investment performance

The investment portfolio generated unrealised gains on changes in market value of £231,813 (2023 – gains of £66,153). There were realised losses on disposals for the year ended 5 April 2024 of £53,643 (2023 – losses of £14,292).

The investment portfolio yielded dividends and interest amounting to £53,907 (2023 - £62,055) in the year. The directors consider investment performance to be in line with market conditions. In addition, interest was earned on cash held in short-term deposit financial statements and accrued interest on an outstanding loan amounting to £7,280 (2023 - £878).

Directors' report Year ended 5 April 2024

FINANCIAL REVIEW

Results for the period

During the year ended 5 April 2024, the unrestricted funds generated income of £61,187 (2023 - £62,933) from investments and incurred expenditure of £1,948,853 (2023 - £719,997) of which 2.9% related to grants payable and 96.7% related to expenditure on the charitable project - RethinkX. After transferring £2,363,085 from the expendable endowment fund, the unrestricted fund totalled £573,240 (2023 - £97,281).

After investment gains of £178,170 (2023 – gains of £51,861), investment managers fees of £3,212 and the transfer to the unrestricted fund of £2,363,085, the expendable endowment fund totalled £6,067,835 (2023 - £8,255,962) at 5 April 2024.

Reserves policy and financial position

As at 5 April 2024 total reserves amounted to £6,641,075. The directors' policy on reserves is to expend the income generated by the endowment fund to the fullest extent possible, in as much that the directors are able to identify suitable recipients during the year. The endowment will be invested with the intent to, as far as possible, retain its capital value and produce an annual income.

FUTURE PLANS

The directors are satisfied with their grant making policy and it is their intention to support a wide and varied number of charities.

Approved by the directors and signed on their behalf by:

James Arbib (Dec 14, 2024 10:19 GMT)

Report of the independent examiner Year ended 5 April 2024

I report to the charity trustees on my examination of the financial statements of the charitable company for the year ended 5 April 2024.

Responsibilities and basis of report

As directors of the charitable company and also its trustees for the purposes of charity law, you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe in any material respect:

- ♦ accounting records were not kept in respect of the charitable company as required by section 386 of the Companies Act 2006; or
- ♦ the financial statements do not accord with those records; or
- ♦ the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- ♦ the financial statements have not been prepared in accordance with the methods and principles of the for "Accounting and Reporting by Charities: the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)"

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ended 5 April 2024 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 ("the Act") relating to small companies. The members have not required the company to obtain an audit of its financial statements for the financial period in question in accordance with section 476 of the Act. The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

Principal accounting policies 5 April 2024

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are laid out below.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) (Charities SORP FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011. The financial statements have been prepared under the historical cost except for the modification to a fair value basis as specified in the accounting policies below.

The charity constitutes a public benefit entity as defined by FRS 102.

All financial information is presented in British Pounds Sterling (£), the charity's functional currency, and has been rounded to the nearest pound (£).

Critical accounting estimates and judgements

The preparation of financial statements requires the use of certain critical accounting estimates and judgements.

The directors do not consider that there are any sources of estimation uncertainty or key judgements made in the preparation of the financial statements.

Assessment of going concern

The directors have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The directors have made this assessment in respect to a period of one year from the date of approval of these financial statements.

The directors consider that the expected investment returns and investment performance of the charity's investment portfolio will be sufficient to generate financial resources to allow the charity to continue its charitable activities for the foreseeable future and meet liabilities as they fall due.

Income

Investment income comprises dividends and interest on the charity's portfolio of listed investments. Dividends are recognised once the dividend has been declared and the charity has received notification that the dividend is due.

Interest on the charity's investment portfolio and funds held on deposit is recognised when receipt is probable and the amount can be measured reliably using the effective interest method.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. It includes VAT which cannot be recovered.

Expenditure on charitable activities comprises grants payable, charitable project costs and related support and governance costs.

Grants payable

Grants payable are recognised when approved and when the intended recipient has either received the funds or been informed of the decision to make the donation and has satisfied all related conditions. Grants approved but not paid at the end of the financial year are accrued for. Grants where the beneficiary has not been informed or has to meet certain conditions before the grant is released are not accrued for but are noted as financial commitments in the notes to the financial statements.

Charitable project costs

Project costs are recognised when the obligation to make a payment arises.

Support and governance costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration, personnel and governance costs. Governance costs include audit costs and legal costs relating to the charity's compliance with regulation and good practice.

Investment management fees incurred in managing the investments of the endowment are charged against the endowment fund.

Fixed asset investments

The charity's investment in quoted shares and similar investments are initially measured at cost and subsequently at market value. Investment gains and losses, whether realised or unrealised, are recognised in the statement of financial activities in the period in which they arise.

The charity's investment in unquoted shares and similar investments are initially carried at cost and subsequently at market value using an appropriate valuation methodology determined by the directors.

Financial instruments

The Charity only holds basic financial instruments as defined in FRS102. Financial assets and liabilities and their recognition and measurement bases are as follows:

Debt instruments that are payable or receivable within one year, typically trade debtors and creditors are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received.

At the end of each reporting period financial assets are assessed for objective evidence of impairment. If such evidence is identified, an impairment loss is recognised in the statement of financial activities. For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and a best estimate of the recoverable amount.

Principal accounting policies 5 April 2024

Financial instruments (continued)

A financial asset is derecognised only when the contractual rights to the cash flows from the financial asset expire or are settled in cash, or when substantially all the risk and rewards of ownership of the financial asset have been transferred to another party.

A financial liability is derecognised when the contract that gives rise to it is settled, sold cancelled or expired.

Debtors

Other debtors and loans receivable are initially recognised at their settlement amount and subsequently at amortised cost or their recoverable amount. Impairment provisions are recognised when there is objective evidence, such as significant financial difficulties on the part of the counterparty or default or a significant delay in payment, that the charity will be unable to collect all of the amounts due.

Cash at bank and in hand

Cash at bank and in hand represents such financial statements and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be measured or estimated reliably.

Creditors and provisions are initially recognised at fair value, being the amount the charity anticipates it will pay to settle the debt, and subsequently at amortised cost.

Foreign currency transactions and balances

Cash held in foreign currency financial statements are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction.

Fund accounting

The unrestricted funds represent funds available for the general charitable purposes of the charity at the discretion of the directors.

The expendable endowment fund represents monies retained as capital which is available for the general charitable purposes of the charity at the discretion of the directors.
