**Trustees' Annual Report (Incorporating the Director's Report) *(continued)***  
**Year ended 31 January 2025**

**Structure, governance and management**

The charity is a company limited by guarantee, governed by its Memorandum and Articles of Association, dated 28 January 1999, with amendments on 12 August 1999.

Its registered charity number is 1077180 and its company registration number is 03703278.

**Appointment, Training and Recruitment of Trustees**

As set out in the Articles of Association the liability of the members of the charity shall be limited to £1.

The trustees administer the day-to-day affairs of the charity. None of the trustees have any beneficial interest in the charity. All trustees give their time voluntarily and no benefit or expenses were paid to them in the year.

It is not the intention of the trustees of the charity to appoint any new trustees. Should the situation change in the future, the trustees will apply suitable recruitment training and induction procedures.

**Risk Management**

The trustees have identified and reviewed the major risks to which the charity is exposed, in particular those related to the operations and finance of the charity, and are satisfied that systems are in place to mitigate those risks.

**Financial risk management and policies**

The charity holds or issues financial instruments in order to achieve three main objectives being:

- to finance its operations
- to manage its exposure to interest and currency risks arising from operations and from its sources of finance; and
- to generate funds.

In addition various financial instruments (e.g. trade debtors, trade creditors, accruals and prepayments) arise directly from the charity's operations.

**Credit risk**

The charity monitors credit risk closely and considers that its current policies of credit risk checks meets its objectives of managing exposure to credit risk.

The charity has no significant concentrations of credit risk. Amounts shown in the balance sheet represent the maximum anticipated credit risk exposure.

It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Trustees' Annual Report (Incorporating the Director's Report) *(continued)***  
**Year ended 31 January 2025**

**Aims, objectives and activities for public benefit**

The objects of the charity are:

- The advancement of education and religion in accordance with the doctrines of the Jewish religion.
- The relief of poverty.
- Any other purposes considered Charitable under the Charities Acts

The trustees confirm that they have referred to the guidelines contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policies for the year.

This charity was established to support the activities of Jewish religious organisations, especially in the field of education and to provide philanthropic aid to the Jewish needy. Donations are made to organisations providing a sound religious education in accordance with the doctrines and principles of traditional Judaism and to institutions set up to provide aid to the Jewish needy, with a view to achieving the objects of the charity. In doing so the charity has complied with its duty to act for public benefit in accordance with section 4 of the Charities Act 2006.

**Investment Powers and Performance**

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit provided any moneys are not immediately required for use in connection with any of its objects. The trustees regularly review the charity's position and needs in respect of the investment policy.

**Grant making policy**

Grants are made to charitable institutions and organisations which conform to the objects of the charity after the trustees have satisfied themselves as to the bona fides of the recipients.

**Land and buildings**

The charity's investment properties are stated at fair value and have been valued by the trustees based upon the location of the properties and the returns thereon as at the balance sheet date. Properties are not depreciated.

**Fixed Assets**

The movements in fixed assets are fully reflected in the notes to the financial statements.

**Strategic report**

The following sections for achievements and performance and financial review form the strategic report of the charity.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Trustees' Annual Report (Incorporating the Director's Report) *(continued)***  
**Year ended 31 January 2025**

**Achievements and performance**

During the year the charity continued to provide financial support to Jewish organisations engaging in education, advancement of religion in accordance with the Jewish faith and to give philanthropic aid to Jewish needy. The charity gave grants in the year totalling £1,368,826 (2024: £1,926,491). There was a decrease in grant making during the year compared to the prior year due to there being extra funds available in the prior year from the disposal of a property. The charity also spent £10,503 (2024 : £11,193) on the production and distribution of Jewish religious literature to further education in accordance with the doctrines of the Jewish religion.

**Financial review**

The charity is dependent on income from its investments as well as voluntary donations. During the year, investment income decreased to £204,946 (2024: £264,453). During the year the charity received £1,199,250 (2024: £811,886) in voluntary contributions which has assisted the Charity in achieving its charitable objectives. The charitable donations paid decreased during the year from £1,926,491 to £1,368,826.

**Reserves policy**

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the trustees think appropriate after considering the future commitments of the charity and the likely administrative costs of the charity for the next year. The trustees have assessed both the risks that the charity faced and the charity's ability to manage their financial impact.

As at 31st January 2025 the charity had £3.76m of reserves (including £2.35m revaluation reserve). The charity is currently in the position of net current liabilities. The trustees have reviewed the circumstances of Kollel & Co. Limited and as donations continue to be paid on a discretionary basis, they consider that adequate resources continue to be available to fund the activities of the charity for the foreseeable future. The trustees are of the view that the charity is a going concern.

**Going concern**

The financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, as the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due, based on the net current asset position of the charity and available sources of finance. The Trustees recognise that they have the ability to exercise control over the charity's grant making charitable activities due to the absence of any legally binding obligations.

**Plans for future periods**

The charity plans to continue the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

**Trustees' responsibilities statement**

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Trustees' Annual Report (Incorporating the Director's Report) *(continued)***  
**Year ended 31 January 2025**

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Auditor**

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The trustees' annual report and the strategic report were approved on 27 October 2025 and signed on behalf of the board of trustees by:

Mr S Low  
Director

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Independent Auditor's Report to the Members of Kollel & Co Limited**  
**Year ended 31 January 2025**

**Opinion**

We have audited the financial statements of Kollel & Co Limited (the 'charity') for the year ended 31 January 2025 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 January 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Independent Auditor's Report to the Members of Kollel & Co Limited** *(continued)*  
**Year ended 31 January 2025**

**Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Independent Auditor's Report to the Members of Kollel & Co Limited** *(continued)*  
**Year ended 31 January 2025**

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Independent Auditor's Report to the Members of Kollel & Co Limited** *(continued)*  
**Year ended 31 January 2025**

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charity through discussion with the trustees and identified financial reporting legislation, landlord legislation and charity legislation as being most significant to these financial statements.
- We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with laws and regulations.
- We discussed with the trustees the policies and procedures regarding compliance with these legal and regulatory frameworks.
- We assessed the susceptibility of the charity's financial statements to material misstatement due to non-compliance with legal and regulatory frameworks, including how fraud might occur, by enquiry with the trustees during the planning and finalisation stages of our audit and by using proprietary disclosure checklists. The susceptibility to such material misstatement was determined to be low.
- Based on this understanding, we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Independent Auditor's Report to the Members of Kollel & Co Limited** *(continued)*  
**Year ended 31 January 2025**

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Independent Auditor's Report to the Members of Kollel & Co Limited** *(continued)*  
**Year ended 31 January 2025**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Use of our report**

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements**  
**Year ended 31 January 2025**

**1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, NW11 0PU, London.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. Accounting policies**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

There are no material uncertainties about the charity's ability to continue.

**Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. During the year, there were no judgements, estimates and assumptions that affected the amounts reported other than those mentioned below.

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements** *(continued)*  
**Year ended 31 January 2025**

**3. Accounting policies** *(continued)*

**Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

**Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

**Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

**Kollel & Co Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements** *(continued)*  
**Year ended 31 January 2025**

**3. Accounting policies** *(continued)*

**Tangible assets** *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

**Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	- 25% reducing balance
Equipment	- 25% reducing balance

**Investments**

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

**Investment property**

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure.

Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in profit or loss.

**Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

**3. Accounting policies** *(continued)*

**Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

**4. Limited by guarantee**

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £1.
