## REPORT OF THE DIRECTORS/TRUSTEES

### FOR THE YEAR ENDED 31 MARCH 2025

The Directors (who are also the trustees) present their report and financial statements for the year ended 31 March 2025.

#### Principal Activity and Public Benefit

The Charity's object and its principal activity is to support the development of creative play and recreation opportunities for children and young people with specific work also being done in areas of disadvantage. The Charity promotes this object for the benefit of the public by:

- encouraging and supporting the re-use of resources that would otherwise go straight to landfill by the provision of a Scrapstore. In providing more affordable resources for those working with children and young people including families, it will increase and improve opportunities for learning through creative play. During the year the charity collected re-usable materials through donations from local businesses and through exchanges with other Scrapstores. These materials include paper, card, wallpaper, foam, felt, fabrics, bubble wrap, ribbons, wool, containers and various off-cuts to be used in imaginative ways;
- Funded work involving working with Volunteers with learning difficulties/ disabilities. Offering supported volunteer work placements. Such agreements have "restricted" funding - grants or donations which have to be used in a specific way or for a specific purpose. In many cases with our funders having met and exceeded the requirements placed on the charity through these Agreements, it has built a successful history with funders who have continued, and in some cases increased, the work they have entered a contract with us to fulfill. This reflects the confidence funders have in the charity's ability to meet the obligations placed on it when entering into such agreements;
- PlayPods run in partnership with Childrens Scrapstore in Bristol. Providing accredited training to MDSA's in primary schools to support the addition of a PlayPod into lunchtime play.
- providing a craft shop for low cost materials for adults working with children and for children themselves including glues, glitter, feathers, pipe cleaners, paints, card and paper;
- running creative birthday parties at the charity's premises dedicated to a creative activity based around the birthday child's chosen theme;
- running a social enterprise called SmArt-Cuts which uses Scrapstore resources which are cut into various shapes and can be bought individually or as activity packs;

**WILTSHIRE SCRAPSTORE AND RESOURCE CENTRE LIMITED**  
Company limited by guarantee

**The Charities objectives and principal activities including** the charity's work is based on activities in the county of Wiltshire. Other than for activities supported by Service Level Agreement funding and for purchases from the shop, members of the public must become members to use the Scrapstore. Membership is free and open to the whole community. Members visiting the Scrapstore can fill a sack for which they are asked to make a donation of between £6 and £12 depending on the contents. Our membership is open to the community, anyone who works with children or young people (including parents or guardians), students, community groups and those working with the elderly or adults with learning disabilities.

The Scrapstore is open at a variety of times Tuesday to Saturday so that the variety of members of the public who use the charity may be accommodated.

The resources provided by the charity are not available for personal gain.

The Charity endeavours to increase self generated income such as that derived from birthday parties, training, workshops, the sale of SmArt-Cut items and from shop sales, as well as through our craft shop Barty's in Lacock.

#### **Trust Document**

Since 1996, when a steering group was formed to see what the level of demand for a Scrapstore might be and then the confirmation of this through an independent feasibility study, the charity has continued to grow. Originally called 'Wiltshire Play Resource Centre' the name was changed to 'Wiltshire Scrapstore and Resource Centre' to reflect what it was generally described as by its members 'The Scrapstore' and at the time of name change we were finding the word 'Play' in the name was causing difficulties with some potential funders. However in recent years the word 'play' has come back into fashion but currently there are no plans to change the name again.

The Charity is constituted as a company limited by guarantee and is therefore governed by a memorandum and articles of association. In the event of the Company being wound up members are required to contribute an amount not exceeding £1.

#### **Achievement & Financial Review**

The charity first became operational in 2000 from a warehouse in Devizes which offered approximately 1500 sq ft of work and storage space. Within 3 months of opening both the supply of resources and take up of membership exceeded what was expected within the first year. This was to such an extent that larger premises had to be found. This was not an ideal situation for such a young charity but the decision was made to make the move and larger premises were secured in Melksham of 3000 sq ft. Although stretching the charity's financial resources it proved the right thing to do as both the suppliers and membership continued to rapidly grow. Confidence in the charity's ability to deliver a quality service attracted the local authority and other funders, resulting in the offer of Service Level Agreements to assist them in meeting their own targets. The charity will only enter into these types of agreements where the work being contracted supports the aims of the charity itself.

**WILTSHIRE SCRAPSTORE AND RESOURCE CENTRE LIMITED**  
Company limited by guarantee

By 2007 the charity found itself in even greater demand for its services both from within the premises at Melksham and through a developing Training and Outreach service. This coincided with the available parking at the premises being reduced by half, the lease coming to an end and having to turn more high quality reusable waste away and into landfill due to lack of space. Alternative premises had to be found urgently and we were fortunate to secure our current location in Lacock which offered the much needed 6000 sq ft of space. Having few financial reserves available to help fund the move or to cover the cost of the refurbishment and the increased running costs, this was a difficult but essential move to make. Fortunately as the charity has grown, its own income generating abilities have also increased. The move to Lacock provided the space that was needed for this and although we have seen this income increase, with potential to increase significantly further in the future, we are still recovering from the high investment required and the unforeseen national economic circumstances of the past few years.

Our Service Level Agreements with the Local Authority came to an end in March 2012 which has meant we have needed to find ways to ensure the future self sustainability of the charity.

We can confidently expect the various income generating streams we now have in place to continue to increase. We also have a number of new ones which now tested and proved worthwhile we will begin to promote. At a time when many charities are experiencing great difficulties we are very fortunate to have so many current and potential income generating streams that have the ability to grow. We are also looking at new funding avenues for future projects.

In particular we have taken on the play pod project, which is a nationally accredited training programme which is undertaken with Primary schools and their lunchtime staff. The play pods are filled with scrap resources for children to play with on the school play ground at lunchtime. We have seen from other scrapstores that this has proved a popular project and we know this will be financially positive for our own Scrapstore over the coming years.

Our shop in Lacock village also continues to increase our own income generating capacity. As it is becoming more widely known, people are coming from far and wide to buy from us, particularly at Christmas and other seasonal festivities.

In 2013, we were successful with a bid to receive funds to develop a café at the heart of the Scrapstore and, with a robust business plan in place, it has become increasingly successful year on year. By 2019, the Café has become a steady strand of income for the charity.

## **Directors**

The Directors and Trustees as at 31 March 2025 and who served during the year are listed on the Company Information page of the financial statements.

## **Recruitment and appointment of Directors**

The Directors of the Company are also charity trustees for the purposes of charity law and under the Company's articles are known as members of the Board of Directors.

The Board of Directors seeks to ensure that the needs of its membership group are appropriately reflected through the diversity of the trustee body. The more traditional business skills are well represented on the Board of Directors. In an effort to maintain this broad skill mix, members of the Board of Directors are requested to provide a list of their skills (and update it each year) and in the event of particular skills being lost due to retirements, individuals are approached to offer themselves for the election to the Board of Directors.

### Trustees' responsibilities statement

The trustees (who are also directors of the Wiltshire Scrapstore & Resource Centre Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Risk Management

The trustees have conducted a review of the major risks to which the charity is exposed. Where appropriate, systems and procedures have been established to mitigate the risks the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, members and visitors to the Centre. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity.

### Reserves Policy

The Trustees have resolved to maintain funds at a level that equates to at least three months operational costs in order to ensure the ongoing provision of services. This figure is currently £78,469 and represents unrestricted reserves.

Redundancy payments would be made in line with government statutory guidelines and individual personal contracts of employment.

**Independent Examiner's Report to the Trustees of Wiltshire Scrapstore & Resource Centre Ltd**

We report on the accounts of the company for the year ended 31 March 2025 which are set out on pages 8 to 17.

**Respective responsibilities of trustees and examiner**

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to our attention.

**Basis of independent examiner's report**

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with our examination, no matter has come to our attention:

1. which gives us reasonable cause to believe that, in any material respect, the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
2. to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
