Creative Cultural Hub (CCH) services in Haringey, arts activities across London and further.

Company Reg. 3758786  
Charity Reg. 1077616

# Introduction

Over the past 25 years the charity's arts programme has been a part of Haringey and London's cultural heritage. Creating and platforming work that has been developed by ourselves and other artists from across the globe. Cutting edge work that has aimed to challenge both artists and audiences, whilst remaining rooted to its cultural origins. Voicing the complex issues and concerns of diverse communities that have limited opportunities due to their ethnicity or sexual orientation.

We aim to continue improving and expanding our partner networks, to help better support the organisation and its programme of work. Our activities have continued to benefit individuals and other organisations. Our services have reached individuals beyond the margins of our primary target audiences. The creative approach has helped to foster a dialogue between polarised individuals and groups. The past year has also seen the creation of new projects that lays the sets the 'Marq' (pathway) for the organisation and programme of work.

ACTivate: Our Future.

## Statement from the Chair

I have the privilege of presenting the annual Wise Thoughts report.

This past year has continued to be a tough economically and this will obviously be a consideration for future projects and initiatives. The organisation has focused on delivering performance-based workshops and wellbeing sessions, including our gayWise and womxnWise drop-ins.

In the forthcoming year we will be focusing on developing multi-media arts activities leading to performances and workshops in the uk and internationally. One of the initiatives in the forthcoming year will be to archive and preserve the Wise Thoughts large body of work over the past twenty-five years, recording and archiving it's cultural history and legacy.

I would like to thank, on behalf of the Board, our volunteers and staff members, Subodh and Niranjana for their hard work and dedication. I look forward to the development of the arts-based activities and projects in the coming year. Arts projects that aim to enrich, connect and empower performers and participants.

Bhavini Chavda  
Chair of the Board of Trustees

# CEO and Artistic Director's Report

To engender change we must be creative in our approach to meet the challenges that faces not just our organisation, but many other small arts charities. The cost-of-living crisis combined with ever decreasing availability of funds has posed many hurdles for our programme of work for the past year. We have endeavoured to maintain existing activities and managed to create some new initiatives by working in collaboration with other organisations and individuals. New projects such as #MADHU that will present stories of ordinary women whose stories remain hidden and #HIStoies that aims to creating a living digital archive of the work done by myself and Subodh over the past 25 years. The past year has also present us with an opportunity to evaluate our role as an organisation and the changing landscape that we operate in. The forthcoming year will see the beginning of a new chapter for the organisation, which will inform our programme of work.

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Wise Thoughts is a pioneering arts charity that combines creative use of diverse art forms such as film, visual art, performance and delivers targeted services to help address social justice issues and needs of Lesbian, Gay, Bisexual, Transgender, Queer, Intersex + (LGBTQI+) and Black, Asian and Minority Ethnic (BAME) communities.

**FINANCIAL REVIEW**

**Principal funding sources**

The future of Wise Thoughts services is dependent on continued support from statutory sources and income from grants and donations, which are essential for the maintenance and expansion of services to meet the increasing demand.

Wise Thoughts provides essential services and develops unique arts and training projects that help to profile/meet the needs of marginalised individuals and is supported in part by Local Authority and The National Lottery Community Fund. Over the reporting year we have been successful in bringing in additional funding, however we are aware that funding may become an issue in future years, and we need to monitor this. Wise Thoughts has to continually look for funding from other organisations, charitable and corporate bodies and individual donors.

In the year under review new funding was received from Community Fund, Haringey Council, other organisations and donors.

**FINANCIAL REVIEW**

**Reserves policy and Investment powers**

The Board of Trustees is responsible for deciding how to invest the Charity's reserves. The appropriate level of reserves is established through an annual review of the Charity's requirements and stated in the financial report. The Treasurer is responsible for proposing to the Board the balance of cash on deposit and investments, and acts on the Board's instructions.

**Going concern**

The accounts have been prepared on a going concern basis.

The trustees are aware however of material uncertainties that cast doubt on the charity's ability to continue as a going concern. As with most organisations, these material uncertainties are in relation to the ongoing long term impact of COVID-19 virus and the ongoing Cost-of-Living crisis which has had an impact on the operations, donors, suppliers, trustees and volunteers. The trustees have (where appropriate) utilised the grants and benefits available from the organisations and government and are taking all the steps they can to protect the future of the charity.

**Review of transactions, financial performance and funds**

As shown in the Statement of Financial Activities (page 9) total income for the year to 31 March 2024 amounted to £84,308 (2023 - £158,218) and expenditure in the furtherance of charitable activities totalled £99,428 (2023 - £104,343). Again, in a very difficult climate for fundraising, even after huge efforts from the management and the high quality of the services, Wise Thoughts was not able to attract sufficient income to cover the running costs which resulted in a Net resources deficit of £-15,120 (2023 - £53,875 Surplus).

The CEO/Artistic director and his team control all costs rigorously. The services are much admired and viewed as important models to emulate, however in these financially challenging times it is extremely difficult to attract necessary funding. The Trustees are addressing the strategic planning essential for the provision of services within the framework of the anticipated funding.

The future of Wise Thoughts services is dependent on continued support from statutory sources and income from grants and donations, which are vital for the maintenance and expansion of services to meet the increasing demand.

Wise Thoughts provides essential services and develops unique arts and training projects that help to profile/meet the needs of marginalised individuals and was supported in part by Local Authority funding. There has been an increase in demand for projects, services and core costs that considerably outweighs the level of funding currently available.

In this very challenging climate, Wise Thoughts is pleased to have support from London Borough of Haringey, The National Lottery Community Fund and individual donors.

Total net assets of the charity as at 31 March 2024 were £85,850 (2023 - £100,970). Income received for the year for specific purposes was spent as necessary and unspent balance is carried forward to be utilised next year.

In providing day to day services, the Trustees are mindful of the charity's duty to comply with section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission.

**FUTURE PLANS**

In light of the current economical climate and the impact from COVID-19 on the programme, the organisation continues to review its business plan/operational model to help it ensure sustainability and will make any changes needed. It remains committed to supporting the primary beneficiaries of our activities and services (LGBTQI+/BAME people) and will aim to continue delivery of a programme of key activities and associated services.

The organisation plans to continue working strategically at a Borough level, with the Council and other agencies to help achieve our objectives. The current economic climate and reduction in funding available from both statutory and other sources, has had an impact on all small voluntary organisations and will lead to the re-evaluation of any proposed new services by the organisation.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2024**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The accounts have been prepared on the going concern basis. However, it must be noted that funding to support core costs remains a challenge and any reduction or failure to secure will have an impact on sustaining the charity's programme of work.

The trustees are aware however of material uncertainties that cast doubt on the charity's ability to continue as a going concern. As with most organisations, these material uncertainties are in relation to the ongoing Covid-19 virus outbreak and lockdown which has had an impact on the operations, donors, suppliers, trustees and volunteers. The trustees have (where appropriate) utilised the grants and benefits available from the organisations and government and are taking all the steps they can to protect the future of the charity

The charitable company has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- at variable rates on reducing balance
Fixtures and fittings	- 10% on reducing balance
Computer equipment	- 20% on reducing balance

**Taxation**

As a charity, Wise Thoughts is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have arisen in the Charity.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

**FINANCIAL REVIEW**

**Principal funding sources**

The future of Wise Thoughts services is dependent on continued support from statutory sources and income from grants and donations, which are essential for the maintenance and expansion of services to meet the increasing demand.

Wise Thoughts provides essential services and develops unique arts and training projects that help to profile/meet the needs of marginalised individuals and is supported in part by Local Authority and The National Lottery Community Fund. Over the reporting year we have been successful in bringing in additional funding, however we are aware that funding may become an issue in future years, and we need to monitor this. Wise Thoughts has to continually look for funding from other organisations, charitable and corporate bodies and individual donors.

In the year under review new funding was received from Community Fund, Haringey Council, other organisations and donors.

**FINANCIAL REVIEW**

**Reserves policy and Investment powers**

The Board of Trustees is responsible for deciding how to invest the Charity's reserves. The appropriate level of reserves is established through an annual review of the Charity's requirements and stated in the financial report. The Treasurer is responsible for proposing to the Board the balance of cash on deposit and investments, and acts on the Board's instructions.

**Going concern**

The accounts have been prepared on a going concern basis.

The trustees are aware however of material uncertainties that cast doubt on the charity's ability to continue as a going concern. As with most organisations, these material uncertainties are in relation to the ongoing long term impact of COVID-19 virus and the ongoing Cost-of-Living crisis which has had an impact on the operations, donors, suppliers, trustees and volunteers. The trustees have (where appropriate) utilised the grants and benefits available from the organisations and government and are taking all the steps they can to protect the future of the charity.

**Review of transactions, financial performance and funds**

As shown in the Statement of Financial Activities (page 9) total income for the year to 31 March 2024 amounted to £84,308 (2023 - £158,218) and expenditure in the furtherance of charitable activities totalled £99,428 (2023 - £104,343). Again, in a very difficult climate for fundraising, even after huge efforts from the management and the high quality of the services, Wise Thoughts was not able to attract sufficient income to cover the running costs which resulted in a Net resources deficit of £-15,120 (2023 - £53,875 Surplus).

The CEO/Artistic director and his team control all costs rigorously. The services are much admired and viewed as important models to emulate, however in these financially challenging times it is extremely difficult to attract necessary funding. The Trustees are addressing the strategic planning essential for the provision of services within the framework of the anticipated funding.

The future of Wise Thoughts services is dependent on continued support from statutory sources and income from grants and donations, which are vital for the maintenance and expansion of services to meet the increasing demand.

Wise Thoughts provides essential services and develops unique arts and training projects that help to profile/meet the needs of marginalised individuals and was supported in part by Local Authority funding. There has been an increase in demand for projects, services and core costs that considerably outweighs the level of funding currently available.

In this very challenging climate, Wise Thoughts is pleased to have support from London Borough of Haringey, The National Lottery Community Fund and individual donors.

Total net assets of the charity as at 31 March 2024 were £85,850 (2023 - £100,970). Income received for the year for specific purposes was spent as necessary and unspent balance is carried forward to be utilised next year.

In providing day to day services, the Trustees are mindful of the charity's duty to comply with section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission.

**FUTURE PLANS**

In light of the current economical climate and the impact from COVID-19 on the programme, the organisation continues to review its business plan/operational model to help it ensure sustainability and will make any changes needed. It remains committed to supporting the primary beneficiaries of our activities and services (LGBTQI+/BAME people) and will aim to continue delivery of a programme of key activities and associated services.

The organisation plans to continue working strategically at a Borough level, with the Council and other agencies to help achieve our objectives. The current economic climate and reduction in funding available from both statutory and other sources, has had an impact on all small voluntary organisations and will lead to the re-evaluation of any proposed new services by the organisation.

3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The accounts have been prepared on the going concern basis. However, it must be noted that funding to support core costs remains a challenge and any reduction or failure to secure will have an impact on sustaining the charity's programme of work.

The trustees are aware however of material uncertainties that cast doubt on the charity's ability to continue as a going concern. As with most organisations, these material uncertainties are in relation to the ongoing Covid-19 virus outbreak and lockdown which has had an impact on the operations, donors, suppliers, trustees and volunteers. The trustees have (where appropriate) utilised the grants and benefits available from the organisations and government and are taking all the steps they can to protect the future of the charity

The charitable company has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- at variable rates on reducing balance
Fixtures and fittings	- 10% on reducing balance
