Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The main activity of the trust is Normanton House School which is an independent full time school in Derby which has been running and fully registered with the Department for Education since 2003. The school consists of a primary section for boys and girls and a secondary, girls only section. The total number of pupils in both sections this year was 137. The Trustees together with school staff have worked very hard again this year to improve the learning achievements of pupils after the disruption of the COVID pandemic. The impact of this improvement was recognised by OFSTED inspectors in February 2024 and the school was upgraded to 'Good' overall with behaviour and attitudes of pupils being rated as 'outstanding'. The combined SATS results showed 94% of our pupils achieved the standards in reading, writing and mathematics compared to the national average of 73%. The percentage of pupils achieving grades 4 to 9 at GCSE, although being slightly lower than the 100% achieved last year, was still overall higher than the national averages.

		combined to improve the school overall and this has been recognised by OFSTED the official inspection body and resulted in an upgrade in rating this year.
Performance of fundraising activities against objectives set	Para 1.41	As always the trust has led successful fundraising campaigns throughout the year and the financial position is thus maintained so as to continue the provision of services. Both fees income and supplemental income from fundraising campaigns have been maintained at levels which meet the targets required.

The governing document for this Trust is the Trust Deed dated September 25 1998

The objects of this charity are

- The advancement of education
- The advancement of Islamic education
- The advancement of the Islamic faith
- The education and assistance of young persons through their leisure time activities so to develop their mental and spiritual capacities that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved

The main work of this Trust is to establish an education center in Derby at the center of which is a Muslim school. By the help and grace of God this work continues.

Activities and achievements for the year 2022-2023

This was the twentieth full academic year of Normanton House School. The school is fully registered with the DfES. During this year the average pupil number was 132. The pupils receive a broad ranging education in line with the national curriculum and also including Islamic studies and Arabic. The Trustees received positive feedback from the parents and pupils across the range of classes.

The school has a primary section from Year 1 to Year 6, and a secondary girls section from Year 7 to Year 11. The primary and secondary are housed on the same site on Village Street in Derby.

The fees charged are £800 per term for primary and £900 per term for secondary. Children who are orphans and wish to attend the school are exempted from paying fees. The aim of the Trustees is to keep the fees as low as possible whilst effectively operating the school in order to maintain as wide an access to the service as possible. The balance of running costs is met by fundraising.

The Trust continued with fundraising through appeals to the public for donations. All appeals made are of a general nature for the aims of the Trust and all funds received were unrestricted. All loans taken by the Trust are interest free.

The main focus this year was to improve the standard of teaching across the board and thereby improve student achievement. The SLT team implemented a comprehensive teacher training programme, mainly delivered in house. Ongoing monitoring showed signs of progress in student achievement. We aim to carry on with this in order to continually improve the quality of education.

The SATs results showed 100% of year 6 pupils achieved the standard in English reading, grammar and mathematics. The GCSE results showed 100% achievement of grade 4 to 9 in mathematics, science, geography, Arabic, English language and English grammar. This is an improvement on last year and much higher than the local school average.

All work done for the Charity by the Trustees and volunteers was voluntary and unpaid. During this financial year the Trust employed 20 whole time equivalent staff. One full time director and two part time administrators were also employed. The Trust also benefited from voluntary unpaid work that was undertaken by the trustees themselves and other volunteers.

At this stage the Trustees have a reserve policy whereby £10,000 is the designated cash reserve at any time to ensure that the Trust can meet its requirements. The accounts and the annual return and independent examiners report are attached. The Trustees have read and approved the annual report.

The governing document for this Trust is the Trust Deed dated September 25 1998

The objects of this charity are

- The advancement of education
- The advancement of Islamic education
- The advancement of the Islamic faith
- The education and assistance of young persons through their leisure time activities so to develop their mental and spiritual capacities that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved

The main work of this Trust is to establish an education center in Derby at the center of which is a Muslim school. By the help and grace of God this work continues.

Activities and achievements for the year 2021-2022

This was the nineteenth full academic year of Normanton House School. The school is fully registered with the DfES. During this year the average pupil number was 112. The pupils receive a broad ranging education in line with the national curriculum and also including Islamic studies and Arabic. The Trustees received positive feedback from the parents and pupils across the range of classes.

The school has a primary section from Year 1 to Year 6, and a secondary girls section from Year 7 to Year 11. The primary and secondary are housed on the same site on Village Street in Derby.

The fees charged are £700 per term for primary and £800 per term for secondary. Children who are orphans and wish to attend the school are exempted from paying fees. The aim of the Trustees is to keep the fees as low as possible whilst effectively operating the school in order to maintain as wide an access to the service as possible. The balance of running costs is met by fundraising.

The Trust continued with fundraising through appeals to the public for donations. All appeals made are of a general nature for the aims of the Trust and all funds received were unrestricted. All loans taken by the Trust are interest free.

This was the second year with the new SLT team. The aim was to work hard with the students to catch up with missed education during the lockdowns due to the Covid pandemic. New computers were supplied for the classrooms this year and a new IT lab. Some building work was done to refurbish the downstairs toilets.

There was an Ofsted inspection between March 22nd to 24th. Ofsted reported that personal development of pupils is outstanding, behaviour of pupils is good and leadership and management are good. The quality of education needs improvement and the overall effectiveness was judged as requires improvement.

The SATs results showed that all 15 pupils in year 6 achieved the standard in English grammar and reading and 14 achieved the standard in mathematics. The GCSE results showed 100% achievement of grade 4 to 9 in mathematics, science, geography and Arabic. 80% achievement in English language and 90% in English grammar. This is higher than the local school average of 73.2%.

All work done for the Charity by the Trustees and volunteers was voluntary and unpaid. During this financial year the Trust employed 19 whole time equivalent staff. One full time director and two part time administrators were also employed. The Trust also benefited from voluntary unpaid work that was undertaken by the trustees themselves and other volunteers.

At this stage the Trustees have a reserve policy whereby £10,000 is the designated cash reserve at any time to ensure that the Trust can meet its requirements. The accounts and the annual return and independent examiners report are attached. The Trustees have read and approved the annual report.

The governing document for this Trust is the Trust Deed dated September 25 1998

The objects of this charity are

- The advancement of education
- The advancement of Islamic education
- The advancement of the Islamic faith
- The education and assistance of young persons through their leisure time activities so to develop their mental and spiritual capacities that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved

The main work of this Trust is to establish an education center in Derby at the center of which is a Muslim school. By the help and grace of God this work continues.

Activities and achievements for the year 2020-2021

This was the eighteenth full academic year of Normanton House School. The school is fully registered with the DfES. During this year the average pupil number was 110. The pupils receive a broad ranging education in line with the national curriculum and also including Islamic studies and Arabic. The Trustees received positive feedback from the parents and pupils across the range of classes.

The school has a primary section from Year 1 to Year 6, and a secondary girls section from Year 7 to Year 11. The primary and secondary are housed on the same site on Village Street in Derby.

The fees charged are £700 per term for primary and £800 per term for secondary. Children who are orphans and wish to attend the school are exempted from paying fees. The aim of the Trustees is to keep the fees as low as possible whilst effectively operating the school in order to maintain as wide an access to the service as possible. The balance of running costs is met by fundraising. The fees were not increased this year, however fee increases may be necessary in the future.

The Trust continued with fundraising through appeals to the public for donations. All appeals made are of a general nature for the aims of the Trust and all funds received were unrestricted. All loans taken by the Trust are interest free.

The school fully opened in September 2020 with appropriate Covid safety measures in place in line with government guidelines. This year was challenging due to the ongoing Covid pandemic resulting in staff and pupil absences during the year. A second lockdown from 4 Jan 2021 to 8 March 2021 caused disruption to normal school activities, during this time all education was delivered on line. The staff managed this well and the pupils continued with their education. Pupil numbers declined during the pandemic and a priority in the coming year will be to increase pupil numbers.

A director was appointed on a fulltime basis in order to improve the administration and facilitate raising standards across the board. A new senior leadership team was formed and appointed by the trustees. We were able to resume some fundraising activities also.

The year 6 SATS exams were cancelled. The Year 11 pupils received centre assessed grades for GCSE and had been predicted to do well based on their teacher assessments. These pupils have gone on to other educational facilities to study and are doing well.

All work done for the Charity by the Trustees and volunteers was voluntary and unpaid. During this financial year the Trust employed 19 whole time equivalent staff. One full time director and two part time administrators were also employed. The Trust also benefited from voluntary unpaid work that was undertaken by the trustees themselves and other volunteers.

At this stage the Trustees have a reserve policy whereby £10,000 is the designated cash reserve at any time to ensure that the Trust can meet its requirements. The accounts and the annual return and independent examiners report are attached. The Trustees have read and approved the annual report.

The governing document for this Trust is the Trust Deed dated September 25 1998

The objects of this charity are

- The advancement of education
- The advancement of Islamic education
- The advancement of the Islamic faith
- The education and assistance of young persons through their leisure time activities so to develop their mental and spiritual capacities that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved

The main work of this Trust is to establish an education center in Derby at the center of which is a Muslim school. By the help and grace of God this work continues.

Activities and achievements for the year 2019-2020

This was the seventeenth full academic year of Normanton House School. The school is fully registered with the DfES. During this year the average pupil number was 126. The pupils receive a broad ranging education in line with the national curriculum and also including Islamic studies and Arabic. The Trustees received positive feedback from the parents and pupils across the range of classes.

The school has a primary section from Year 1 to Year 6, and a secondary girls section from Year 7 to Year 11. The primary and secondary are housed on the same site on Village Street in Derby.

The fees charged are £700 per term for primary and £800 per term for secondary. Children who are orphans and wish to attend the school are exempted from paying fees. The aim of the Trustees is to keep the fees as low as possible whilst effectively operating the school in order to maintain as wide an access to the service as possible. The balance of running costs is met by fundraising. The fees were not increased this year, however fee increases may be necessary in the future.

The Trust continued with fundraising through appeals to the public for donations. All appeals made are of a general nature for the aims of the Trust and all funds received were unrestricted. All loans taken by the Trust are interest free.

The Covid 19 pandemic disrupted the school year as the school closed to pupils on March 20th 2020 in line with government recommendations. During this time some staff continued to work both on site and remotely to provide on line education for the pupils and also to staff the office. The majority of staff were furloughed. The SATs tests were cancelled for all schools in this year. The school reopened to year 1, 6 and 10 in July 2020 in a graded way in line with government guidelines. The school followed all government guidelines during the pandemic and we were able to reopen fully in September with appropriate covid safety measures in place. Unfortunately, all school events after March 2020 had to be cancelled and this impacted on our annual fundraising events as well.

The Year 11 pupils received centre assessed grades for GCSE and had been predicted to do well based on their teacher assessments. These pupils have gone on to other educational facilities to study and are doing well.

The fees for the last term were waived in consideration of the difficult circumstances, although the school continued to provide online learning. This was greatly appreciated by the parents who worked with the school to ensure the pupils continued to benefit from learning activities online, that were provided by the skeleton staff who were not furloughed. The waiver of fees in the last term of this year as well as cancellation of fundraising events has had a significant impact on the financial statement in this year's accounts.

All work done for the Charity by the Trustees and volunteers was voluntary and unpaid. During this financial year the Trust employed 19 whole time equivalent staff. One full time and two part time administrators were also employed. The Trust also benefited from voluntary unpaid work that was undertaken by the trustees themselves and other volunteers.

At this stage the Trustees have a reserve policy whereby £10,000 is the designated cash reserve at any time to ensure that the Trust can meet its requirements. The accounts and the annual return and independent examiners report are attached. The Trustees have read and approved the annual report.
