### **The objects of this charity are**

- The advancement of education
- The advancement of Islamic education
- The advancement of the Islamic faith
- The education and assistance of young persons through their leisure time activities so to develop their mental and spiritual capacities that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved

The main work of this Trust is to establish an education center in Derby at the center of which is a Muslim school. By the help and grace of God this work continues.

### **Activities and achievements for the year 2019-2020**

This was the seventeenth full academic year of Normanton House School. The school is fully registered with the DfES. During this year the average pupil number was 126. The pupils receive a broad ranging education in line with the national curriculum and also including Islamic studies and Arabic. The Trustees received positive feedback from the parents and pupils across the range of classes.

The school has a primary section from Year 1 to Year 6, and a secondary girls section from Year 7 to Year 11. The primary and secondary are housed on the same site on Village Street in Derby.

The fees charged are £700 per term for primary and £800 per term for secondary. Children who are orphans and wish to attend the school are exempted from paying fees. The aim of the Trustees is to keep the fees as low as possible whilst effectively operating the school in order to maintain as wide an access to the service as possible. The balance of running costs is met by fundraising. The fees were not increased this year, however fee increases may be necessary in the future.

The Trust continued with fundraising through appeals to the public for donations. All appeals made are of a general nature for the aims of the Trust and all funds received were unrestricted. All loans taken by the Trust are interest free.

The Covid 19 pandemic disrupted the school year as the school closed to pupils on March 20th 2020 in line with government recommendations. During this time some staff continued to work both on site and remotely to provide on line education for the pupils and also to staff the office. The majority of staff were furloughed. The SATs tests were cancelled for all schools in this year. The school reopened to year 1, 6 and 10 in July 2020 in a graded way in line with government guidelines. The school followed all government guidelines during the pandemic and we were able to reopen fully in September with appropriate covid safety measures in place. Unfortunately, all school events after March 2020 had to be cancelled and this impacted on our annual fundraising events as well.

The Year 11 pupils received centre assessed grades for GCSE and had been predicted to do well based on their teacher assessments. These pupils have gone on to other educational facilities to study and are doing well.

The fees for the last term were waived in consideration of the difficult circumstances, although the school continued to provide online learning. This was greatly appreciated by the parents who worked with the school to ensure the pupils continued to benefit from learning activities online, that were provided by the skeleton staff who were not furloughed. The waiver of fees in the last term of this year as well as cancellation of fundraising events has had a significant impact on the financial statement in this year's accounts.

All work done for the Charity by the Trustees and volunteers was voluntary and unpaid. During this financial year the Trust employed 19 whole time equivalent staff. One full time and two part time administrators were also employed. The Trust also benefited from voluntary unpaid work that was undertaken by the trustees themselves and other volunteers.

At this stage the Trustees have a reserve policy whereby £10,000 is the designated cash reserve at any time to ensure that the Trust can meet its requirements. The accounts and the annual return and independent examiners report are attached. The Trustees have read and approved the annual report.
