- (a) offering appropriate play facilities and training courses, together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children regardless of race, culture, religion or means

Having regard to the guidance issued by the Charity Commission on public benefit, the trustees believe that the charity is established for objectives which are for the public benefit and is operated in furtherance of these purposes.

The direct benefits flowing from these objectives are that children attending the pre-school have a safe, healthy and stimulating environment in which they can learn through play and that each child will be helped to develop their own unique set of qualities and talents to their full potential.

Summary of the main achievements of the charity during the year

Stepping Stones of Sopley has had another strong year from September 2021 to August 2022, recovering from the effects of the pandemic and seeing activity levels rise again.

We continue working hard to forge stronger links with the schools on to which our children move and have received positive feedback on how we prepare them for this.

By careful financial management and planning we have been able to maintain operating reserves during the year. Investment has been made into parts of the building as planned and more will happen in the coming year.

Brief statement of the charity's policy on reserves

A general reserve fund is maintained by the pre-school in order to provide for any contingencies or unforeseen circumstances and to ensure that the financial viability of the pre-school is maintained. Currently the reserve equates to approximately six months' of expenditure.

Details of any funds materially in deficit

None in deficit.

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
