Report of the Trustees

History

Rochford Community Church was founded in March 1987 when the entire congregation of a local evangelical church embarked on a new venture. A change of name reflected a fresh, outward-looking approach, including the use of buildings which are familiar and accessible to the general public.

In 1999 the church was incorporated as Rochford Community Church Trust, a company limited by guarantee and a registered charity. In 2002 the working name Rochford Community Projects was adopted for use in connection with our wider community involvement. In 2012 the working name Number One (Rochford Shop) was adopted with regard to retail and community activities at a newly acquired premises. As explained below, in December 2014, the Trust adopted Community Church Rochford as its main working name. The working names Rochford Community Church and Rochford Community Projects have since ceased to be used.

From the start the church was associated with the Cornerstone Network (latterly C.Net). This organisation has since been dissolved but links continue with churches and individuals in England and abroad.

The church is a member of the Evangelical Alliance.

In April 2018 the congregation of Ashingdon United Free Church (AUFC) joined with Community Church Rochford and the respective charities were merged together from September 2019 to be known as Rochford Community Church Trust.

Under the merger agreement the Trust inherited a plot of land and the former AUFC church building, providing for the first time a permanent base around which its activities could be centred. The church building is held under an endowment limiting its continuing use to non-denominational church purposes only. An original mission hall was replaced in 1999 by the current building and it remains within the province of the AUFC charity of which the Trust has become sole trustee. The Trust sees its acquisition as both a challenge and an opportunity for development and outreach.

Charitable objects

The following are the objects of Rochford Community Church Trust as specified in the Memorandum and Articles of Association:

- (a) to advance the Christian faith in accordance with the Statement of Beliefs appearing in the Schedule hereto in the County of Essex and in such other parts of the United Kingdom or the world as the directors of the Charity (herein called "the trustees") may from time to time think fit;*
- (b) to relieve persons who are in conditions of need or hardship or who are aged or sick and to relieve the distress caused thereby in the said County and in such other parts of the United Kingdom or the world as the trustees may from time to time think fit;*
- (c) to advance education in accordance with Christian principles by such means as the trustees may consider appropriate including by means of establishing and operating any educational establishment or establishments in the said County and in such other parts of the United Kingdom or the world as the trustees may from time to time think fit;*
- (d) to promote and fulfil such other charitable purposes beneficial to the community in the said County and in such other parts of the United Kingdom or the world as the trustees may from time to time think fit.*

Vision

The vision for the Church is now expressed as: **Gather – Grow – Go**

Gather

We want to be a community who gather to encounter God together, where every generation feels valued and connected to others.

Grow

We want to be a community that grows both in number and as individuals. We want to see people healed by the love of God and disciplined to be fruitful in every area of their lives.

Go

We want to be a community that is impacting our wider community. We want to love the people we meet by serving them, telling them the good news and praying for an encounter with Jesus.

Organisation

There are currently six Trustees. Day-to-day management of the Church's assets is delegated to the Leadership Team with certain matters including employment and property/land being reserved to the Trustees. New Trustees are appointed in accordance with the Articles of Association at a general meeting or by the existing Trustees. Financial matters are administered by the Finance Manager.

The spiritual leadership of the Church rests with the Leadership (Vision) Team which, since November 2020 comprises five people.

The Church has no formal membership.

Activities and achievements

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission. A strong commitment to community involvement has continued. This takes place in two contexts, activities managed by the Trust and activities managed by other organisations with which our members are involved. This commitment demonstrates that the Church's activities and achievements are commensurate with its charitable objects.

As usual, the Trust is grateful to the large number of volunteers who support its activities.

During the year, members worked with or supported various local organisations and links have continued to grow with several of the local schools through our Youth Leader.

The government restrictions imposed in March 2020 have meant exclusion of the church from its regular Sunday (school) venue and discontinuation of main (whole church) meetings. Efforts have been directed towards improvement of the Ashingdon Centre to provide a Covid-secure environment where meetings, of a managed smaller number of people, could take place, when possible, in accordance with the latest national guidance. Technology has been embraced to provide a framework allowing church members to continue to meet and communicate on-line; this has enabled more consummate focus on prayer, at the same time broadening the reach of church meetings and activities.

Typically, Sunday meetings are livestreamed via YouTube, providing opportunities for individual participation in worship, prayer and communion. The majority of speakers are from within the Church, supplemented by visitors from other churches in the UK and abroad. The livestream is often followed by an on-line time together via Zoom, enabling social mixing within the church community and with visitors. Smaller groups have continued to gather using the same technology and this includes youth groups, children's groups, creative groups, prayer groups and home groups. Walk and Talk has been encouraged to maintain more personal connections with one-another.

Overseas links have continued, particularly with churches and individuals in Eastern Europe, Turkey, India and Africa. We have also sought to strengthen links with other local churches.

Plans for the future

Grow our people through:

- Relationship (being a caring and healing community)
- Discipleship (teaching, training, modelling Christian lifestyle)
- Releasing people (to reach out, serve and lead others)

Grow our outreach through:

- Connection - growing existing relationships and perusing new opportunities with schools, other churches and community groups.
- Listening - and prayerfully reviewing what we are doing and considering what we should be doing.

- Serving - where opportunities arise, for the benefit of those in our local community.

Grow in excellence by:

- Building strong teams of people to oversee areas of ministry.
- Developing our building (formally Ashingdon United Free Church) to fulfil our aims and objectives.
- Pursuing excellence in all we do, quality above quantity.

Changes in personnel

Susan Liberty was appointed as a Trustee in April 2020.

Robin Stokes died unexpectedly in March 2021, following a short illness.

Financial Review:

Income for the year amounted to £111,313 (2020: £129,067 excluding the transfer of the building of the AUFC). Expenditure in the year was £112,839 (2020: £109,231).

The excess of expenditure over income in the year was £1,526 (2020 surplus income of £24,835 excluding the transfer of the building of the AUFC).

Total funds at the year end to carry forward amounted to £317,315, comprising unrestricted funds of £77,316 (2020: £63,886), Restricted Fund balance of £nil (2020: £9,955) and Endowment funds of £240,000 (2020: £245,000).

Reserves Policy

The trustees have not designated a specific reserves fund, but have determined that the charity should aim to hold unrestricted cash of no less than £30k (which equates to 3 months' of unrestricted expenditure). The trust's income and expenditure are relatively stable and it is not exposed to any significant financial risks. The general fund is maintained at a level sufficient to meet normal cashflow and most contingencies. A financial contingency plan has been put in place in order that the Leadership Team and Trustees have a clear process in order to address any adverse financial situations that may occur in the Charity in the future. In order to maintain and control the General Fund balance, a set of trigger points has been agreed between the Leadership Team and Trustees. A small team of leaders and trustees (consisting of Chair of Trustees, Finance Trustee, Senior Leader and one other leader) will undertake regular monitoring of the General Fund balance and other elements of the annual budget.

Risk Statement

The Directors have reviewed the risks to which a small charity operating with few employees is exposed. Appropriate procedures are in place to identify, monitor and review these risks on a regular basis.

Directors' Responsibilities

Charity law requires us as Directors to prepare financial statements for each accounting year which give a true and fair view of the state of the charity and of its income and expenditure for the year.

1. Select suitable accounting policies and apply them consistently
2. Make judgements and estimates that are reasonable and prudent
3. State whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.
4. Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

We are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable us to ensure that the financial statements comply with the Companies Act 2006.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
ROCHFORD COMMUNITY CHURCH TRUST
('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021 on pages 7 to 17 following, which have been prepared on the basis of the accounting policies set out on pages 10 and 11.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ROCHFORD COMMUNITY CHURCH TRUST

Notes to the Accounts

FOR THE YEAR ENDED 31ST MARCH 2021

1 Statutory Information

The charity is a charitable company limited by guarantee and is incorporated in the United Kingdom. The company's registered number and registered office address can be found on the Company Information page.

2 Accounting Policies

These financial statements are prepared on a going concern basis, under the historical cost convention [as modified by the revaluation of certain assets, which are measured at fair value through the Statement of Financial Activities].

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The principles adopted in the preparation of the financial statements are set out below.

a) Going concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and / or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements. In making this assessment the trustees have considered the impact of Covid-19 and have concluded that its impact on net income will not be material

b) Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations and legacies includes:

- i) Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.

The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.

Investment income represents income generated by the charity's assets.

c) Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably.

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

The cost of raising funds is not significant and has not been separately disclosed

ROCHFORD COMMUNITY CHURCH TRUST

Notes to the Accounts

FOR THE YEAR ENDED 31ST MARCH 2021

d) Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.

e) Fixed assets and depreciation:

Fixed assets acquired for use by the charity are capitalised and depreciated over their estimated useful life unless they cost less than £5000 when they are written off on purchase.

Refurbishment costs are written off as the costs are incurred.

Depreciation periods are as follows:

Freehold land	Not depreciated
Freehold buildings	Over 50 years
Equipment	Between 3 and 7 years

f) Pension scheme arrangements

The charity operates defined contribution pension schemes for its employees. Obligations for contributions to these schemes are recognised as an expense when the liability arises. The assets of these schemes are held separately from those of the charity in independently administered funds.

g) Taxation

The company is a registered charity and is exempt from taxation under the Income & Corporation Taxes Acts.

h) Exemption from preparing a cashflow statement

The company has taken advantage of the exemption provided by the FRS 102 SORP and has not prepared a Cash Flow Statement for the year.

Notes to the Accounts

FOR THE YEAR ENDED 31ST MARCH 2021

12 Transactions with related parties

During the year the charity received donations totalling £13,105 (2020: £24,355) from related parties (which includes trustees, any other members of key management and anyone closely connected to them).

Except as disclosed in note 5 'Analysis of staff costs', there have been no other transactions with related parties during the year.

13 Members

Each member of the company commits to contribute if the charity is wound up an amount of £10.

14 Transfer and church merger

During the year ended 31 March 2020 the church merged with Ashingdon United Free Church. The legal transfer of Ashingdon United Free Church to Rochford Community Church Trust ("RCCT") took place on 1st September 2019. As part of that process a parcel of land with limited value (not more than £5,000) was passed to the ownership of RCCT. A church building, held as endowment, was retained in the separate legal charity "Ashingdon United Free Church" (charity number 1077877-1) as advised by the Charity Commission, under the control of the Trustees of RCCT and therefore forming part of these accounts. If the charity were to dispose of the property, the permanent endowment (which includes the church building and land) would revert to the original donors or descendants. The valuation of that property was assessed by the Trustees as £250,000.
