## **TRUSTEES' REPORT**

The trustees present their report and financial statements for the year ending 31 March 2024.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **1. Governing Document**

Youth Aliyah – Child Rescue is a charitable company limited by guarantee, incorporated on 21 September 1999. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £10.

### **2. Appointment of Trustees**

All Directors of the Company are also Trustees of the Charity. All of the trustees are named on page 1. The board has the power to appoint additional Trustees as it considers fit to do so. Under the requirements of the Articles of Association one third of the Trustees are required to retire by rotation at the Annual General Meeting.

### **3. Organisation**

The board of trustees administers the charity. The day-to-day operational responsibility is delegated to the Chief Executive Officer who in turn advises the Board on strategic and financial issues. The Board has overall responsibility for financial control of the Charity. The Board currently receives quarterly management accounts.

### **4. Risk Management**

The trustees have a risk management strategy, which comprises:

- A review of the risks the charity may face;
- The establishment of systems and procedures to mitigate those risks identified in the plan; and
- The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

Over the past year, the risk management strategy has been reviewed and implemented. The Treasurer attended a charities workshop in this regard which highlighted areas in which the strategy could be enhanced and strengthened. Consequently, the Treasurer is currently engaging in a process to develop the overall strategy.

The Treasurer continues to provide monthly reports to the Trustees covering investments and available funds in the charity. The Trustees are also issued a weekly report with details of the charity's income. A key element in the management of financial risk is the setting of a reserves policy and its regular review by trustees.

### **5. Structure**

Melvin Robinson continues to be Chairman. Aron Taylor continues to serve as Honorary Treasurer.

Daliah Mehdi continues to serve as Chief Executive Officer.

In addition to the ongoing meetings of the Board's committees, ad hoc fundraising committees were formed to hold fundraising events.

#### **OBJECTIVES AND ACTIVITIES**

Youth Aliyah Child Rescue raises funds to help support the maintenance of the 2,600 children and youngsters currently residing in the five Youth Villages and two leadership programmes under the auspices of our charity. These children have been designated 'at risk' by the authorities and have voluntarily chosen to enter our programme. In addition, the trustees have committed to supporting the Village Way Educational Initiatives for an additional period of one year. This support will help the programme, currently active in over 70 educational settings, to take the ethos of our Youth Villages into other Youth Villages and educational institutions working with at risk children across Israel.

As well as general maintenance (bridging the deficit of the government subsidy) we help fund major projects such as new dormitories, sports and arts facilities, therapeutic programmes, and provide scholarships and vocational training.

The activities of the charity are broadly as follows:

- Two annual postal appeals – Rosh Hashanah and Pesach
- Quarterly newsletters (email and paper)
- Kol Nidre appeal in Synagogues
- Fundraising events through the year
- Development of 'large givers' donor base and foundations
- Approaching and organising events for young professionals
- Development of joint ventures between our charity and youth movements and schools
- Arranging visits of individual donors to the villages
- A bar/bat mitzvah charity project programme
- Marketing and Public Relations (newsletters, website, e-newsletters, campaigns etc)
- Legacy programme (participating in Jewish Legacy Campaign together with 42 other charities).

#### **Events**

25th June 2023 – 11 people participated in the Maccabi Fun Run for our charity

7th August 2023 – 84 people took part in a charity Golf Day

7th September 2023 – 80 people attended a Poker Night, which will now be an annual event

20th November 2023 - 270 people came to our 90<sup>th</sup> Anniversary Gala Dinner

#### **Legacies**

Legacies amounting to £42,654 were received, as detailed below:

<b>Legacy</b>	<b>Amount</b>
Anonymous 1	£37,654
Anonymous 2	£5,000
<b>Total</b>	<b>£42,654</b>

In addition to this, the two flats in the rental property on Portland Road in Hove, bequeathed to us by Stella Hartsilver z"l, continue to be rented and are generating regular income for the charity.

### **TRUSTEES' REPORT**

#### **YOUTH VILLAGES**

All the villages and programmes that we support continue to benefit from annual maintenance funding, as well as scholarship funds for each village's most financially disadvantaged children.

The events on 7 October and the subsequent war in Israel have had a profound effect on students, graduates and staff of our Youth Villages.

There has continued to be a significant number of children arriving from Ukraine and Russia. The Youth Villages have hired additional therapists, specifically ones who speak Russian and are trained to address trauma. These children have fled one war zone, only to find themselves in another.

The needs of these children are extensive, ranging from basic physical needs such as shoes to the complex psychological effects of trauma. Each Youth Village received additional funding to help with unanticipated expenses related to the war.

#### **Aloney Yitzhak**

Ongoing funding was secured for a programme that provides the infrastructure that allow students to volunteer in the areas surrounding the youth village. This not only allows the young people to make connections with their broader community, it also allows them to recognise their own self-worth by seeing that they themselves have something to give, rather than only being the recipients of charitable acts.

#### **Talpiot**

A beloved "house father", who had lived at Talpiot with his family for over 3 years, was killed during the initial Hamas attack. This had a profound effect on the entire community.

Funding was provided to furnish the graduate housing. This turned out to be very much needed. In the weeks immediately following 7 October, the graduate housing was filled to capacity with young people whose lives were upended by the terrorist attack. They were able to reestablish stability and security with the help of the staff at Talpiot.

#### **Neve Hadassah**

Funding was provided for summer activities for Ukrainian and Russian children who did not have homes to return to during the school holidays.

#### **Yemin Orde**

Student accommodations were refurbished, allowing students to live in an appropriate setting.

An additional year of funding was secured for the Na'ale Programme, which allows children from the former Soviet Union to attend high school in Israel, with the option to subsequently remain in Israel.

Funding was sent for the establishment of new Graduate Offices.

Funding provided to support students and graduates in the period immediately following 7 October. This included sending emergency food packages to extremely vulnerable families.

#### **Village Way**

In addition to annual maintenance funds, additional funding was secured for the two pre-army leadership (Mechina) programmes, one for men and one for women. These programmes give at risk immigrant young people the additional training they need in order to have meaningful army careers which, in turn, will prepare them for productive civilian life on discharge.

### **TRUSTEES' REPORT**

#### **FINANCIAL REVIEW**

Key financial achievements of 2024 include:

- a 48% increase in income on the previous year – from £882,586 to £1,309,162
- maintenance of unrestricted reserves of at least 12 months' core operating costs

Excluding grants payable, the Charity's expenditure in 2024 of £388,900 represents an increase of 35% from £255,778 in the previous year. This is predominantly a result of the cost of the Charity's 90<sup>th</sup> Anniversary Gala Dinner.

The Charity's expenditure of £388,900, which are listed in detail on note 6 of the Accounts, represents a ratio of 29% of total income. Support and Governance Costs (£110,985) represent a ratio of 8.5% of total income (down from 13% in 2023).

Our grants to the Villages in Israel totalled £721,944 which was an increase from £714,522 in 2023.

The Trustees' reserves policy aims to maintain general reserves broadly equivalent to one year's support and governance to ensure continuity of service. The general reserve as at 31 March 2024 stood at £557,320 and the Trustees consider that this amount meets their aims and allows a further sum to be distributed.

The Finance and Operations Committee, consisting of Anton Curtis, Melvin Robinson, Aron Taylor, Grant Spital and Steven Strauss and Nick Winters meet quarterly to review and consider the Charity's investments and all the Charity's financial affairs.

#### **THE YEAR AHEAD**

Having identified the urgent need to welcome new trustees into the charity, we engaged the services of a firm specialising in recruiting Board members.

Our goals for the coming year are the following

- To raise funds to support unanticipated expenses due to the Israel-Hamas war
- To hold in person events in order to increase the amount of face-to-face contact with current supporters and to engage new supporters, as well as to raise funds
- To continue to improve our communication with our donors through regular newsletters and email communications
- To continue to raise the profile of the charity in the UK by optimising all existing opportunities and creating new ones
- To continue to develop our trustee programme, fundraising committees and to engage newly recruited trustees
- To build and strengthen relationships with Jewish youth movements, schools and synagogues
- To identify our next Chairman
- To continue to develop our bar/bat mitzvah programme that encourages young people in the U.K. to raise money for peer aged at risk children in Israel.

## YOUTH ALIYAH – CHILD RESCUE

### TRUSTEES' REPORT

#### Statements of Trustees' responsibilities

The Trustees, who are also the directors of Youth Aliyah - Child Rescue for the purpose of company law, are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing the accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

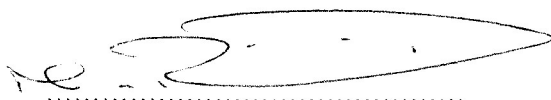

Statement as to disclosure to our auditors

In so far as the trustees are aware:

- There is no relevant audit information of which the charitable company's auditors are unaware; and
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Approved by the trustees on 25/11/24 and

signed on their behalf by;

M Robinson Esq – (Chairman)

## **YOUTH ALIYAH – CHILD RESCUE**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF YOUTH ALIYAH – CHILD RESCUE**

#### **Opinion**

We have audited the financial statements of Youth Aliyah - Child Rescue (the 'Charity') for the year ended 31 March 2024 which comprise the Consolidated Statement of Financial Activities, the Group and Parent Charitable Company Balance Sheets, Consolidated statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

#### **Opinion on financial statements**

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and Parent Charitable Company's affairs as at 31 March 2024 and of the Group's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

## **YOUTH ALIYAH – CHILD RESCUE**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF YOUTH ALIYAH – CHILD RESCUE**

#### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, including the trustee's report, other than the financial statements and our auditor's report thereon. The trustee is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report (incorporating the directors' report) have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us;
- the financial statements are not in agreement with the accounting records and returns;
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

#### **Responsibilities of the trustees**

As explained more fully in the Trustees' Responsibilities Statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## **YOUTH ALIYAH – CHILD RESCUE**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF YOUTH ALIYAH – CHILD RESCUE**

#### **Responsibilities of the trustees (continued)**

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

#### **Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We enquired about management, which included obtaining and reviewing supporting documentation, concerning the charity's policies and procedures relating to:
  - identifying, evaluating, and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected, or alleged fraud;
  - The internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- We obtained an understanding of the legal and regulatory framework that the charity operates in, focusing on those laws and regulations that had a material effect on the financial statements or that had a fundamental effect on the operations of the charity from our professional and sector experience.
- We reviewed the financial statement disclosures and tested these to supporting documentation to assess compliance with applicable laws and regulations.
- We performed analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments, assessed whether the judgements made in making accounting estimates are indicative of a potential bias and tested significant transactions that are unusual or those outside the normal course of business.

## **YOUTH ALIYAH – CHILD RESCUE**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF YOUTH ALIYAH – CHILD RESCUE**

#### **Our responsibilities for the audit of the financial statements (continued)**

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [[www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities)]. This description forms part of our auditor's report.

#### **Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **Notes to the financial statements**

**For the year ended 31 March 2024**

---

### **1 Accounting policies**

#### **a) Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 - effective 1 January 2015) - (Charities SORP FRS 102) and the Companies Act 2006.

The charitable company meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

#### **Group financial statements**

The financial statements consolidate the results of Youth Aliyah - Child Rescue and its subsidiary undertakings on a line by line basis. A separate statement of financial activities for the charity excluding consolidated organisations is not presented as the company has taken advantage of the exemption afforded by Section 408 of the Companies Act 2006.

#### **b) Going concern**

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

#### **c) Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. Income received in advance for the provision of specified service is deferred until the criteria for income recognition are met.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

#### **d) Donations of gifts, services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item or received the service, any conditions associated with the donation have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), volunteer time is not recognised so refer to the trustees' annual report for more information about their

On receipt, donated gifts, professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

**1 Accounting policies (continued)**

**e) Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

**f) Fund accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

**g) Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise of trading costs and the costs incurred by the charitable company in inducing third parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising purpose.
- Expenditure on charitable activities includes the costs of delivering services undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

**h) Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity and its activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 6.

**i) Operating leases**

Rental charges are charged on a straight line basis over the term of the lease.

**j) Tangible fixed assets**

Items of equipment are capitalised where the purchase price exceeds £1,000. Depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are as follows:

Computer equipment	25%	Straight line method
Software	6%	Straight line method
Office equipment and furniture	15%	Reducing balance method

**k) Investment properties**

Investment properties are included in the balance sheet at fair value and are not depreciated. Any change in fair value is recognised in the statement of financial activities. The valuation method used to determine fair value will be stated in the notes to the accounts.

#### **1 Accounting policies (continued)**

##### **l) Listed investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. Any change in fair value will be recognised in the statement of financial activities.

##### **m) Debtors**

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

##### **n) Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

##### **o) Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

##### **p) Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

##### **q) Pensions**

The charity operates a defined contribution pension scheme. The cost of the contributions made by the charity to the scheme are charged to profit and loss as incurred.
