HOUSE ON THE ROCK INTERNATIONAL CHURCH
Independent Examiners Report to the Trustees
For the year ended 31 December 2024

I report to the trustees on my examination of the accounts of the charity for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiners statement

Since the Charity's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by virtue of my membership of the Institute of Financial Accountant, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of House On The Rock International Church-HOTRIC (Bermondsey), have the pleasure in submitting their annual report together with their financial accounts for the year ended 31st December 2024.

Objects of the Charity:

The Church was registered on 5th November 1999 under the Governing Document Declaration of Trust dated 7th July 1999 as amended by supplement deed dated 15th October 1999 and registered with Charity number 1078085. The principal objectives of the Church as set out in the Declaration of Trust are as follows:

- (a) The Advancement of the Christian Faith in the United Kingdom and Abroad.
- (b) The Relief of persons who are in conditions of Need; Hardship or Distress or who are aged or sick in the United Kingdom and Abroad.

The principal activities of the Church are Christian Worship – To worship God Almighty as a united family coupled with the involvement of various ministers and ministries of faith propagating the Christian Tenets to members and non-members – i.e. to encourage personal growth through Christian teaching and training. To achieve these objectives, the Church was involved and engaged in Christian Outreach programmes specifically designed to increase Christian awareness and spread the Gospel of Our Lord Jesus Christ in and around Bermondsey, Rotherhithe and in the London Borough of Southwark in general.

The Church operates a "Home Group" structure. Home Group leaders have been effectively trained and appointed to oversee and nurture groups of people who meet weekly to worship, pray, play, share life experiences and bless each other in various approved homes of members of the Church in and around London City. These home groups are easily accessible to members and non-members alike, in addition to providing a spiritual support structure for people within and/or on the periphery of the Church. The Church congregations meet for regular Celebrations Services on Sundays and on Fridays for prayers for our community, and the entire nation. These meetings are usually held at Haddon Hall Baptist Church, London and at The City of London Academy, Bermondsey. In addition to these meetings, the Church participates in various Inter-Church gatherings in and around Bermondsey and Rotherhithe on a regular basis. HOTRIC benefits the public by currently providing the following services which are available to everyone in the community – Career Counselling; Character Development; Educational Counselling; Pre-marital Counselling; and Drop-In Counselling; Hospital Visits; Welfare provision; Prayer Support; Men's and Women's meetings and Youth meetings. Our AWARD WINNING Hotric Charity Shop, which was awarded "**THE HONORARY LIBERTY OF THE NEIGHBOURHOOD OF THE OLD METROPOLITAN BOROUGH OF BERMONDSEY**", provides clothes and shoes as well as food bank to the public. These activities of the Church are generously supported by voluntary donations of time, energy, resources and money from Church members in response to the principles of faith and prayer. HOTRIC fulfils its vision with the help of many volunteers within and outside of the Church who have been very generous with their resources. In respect of all these various activities and services that were carefully carried out during the financial year of 2024, the Trustees hereby confirm that they had properly paid due regard to guidance issued by the Charity Commission on public benefit.

Review of Activities:

The Trustees are pleased to report that the Church continued to be successful by ministering to many people from different nationalities. As a result of this continued growth, this has brought increase in membership, stewardship and maturity in faith as the Church has taught, trained and developed various people into the positions of responsibilities and leadership. The main ways the Church achieve its objectives are as follows:

- ✓ Bringing the love of Christ to the community in running the Friday's School of Ministry for those who wanted to find out about Christianity and Christian living. About 130 people attend these schools every Friday night even when we had to adapt the usage of zoom because of the pandemic.
- ✓ Running a local Charity and Drop-in Centre for the local people and the public in general - Various individuals are catered for by way of subsidised price of quality clothes and shoes sales, frequent supply of free drinks and snacks to interested individuals.
- ✓ Various Youth meetings and conferences were held in and outside the Church by In-house Pastors and Anointed Guest Ministers.
- ✓ Opening of new homes across the city for home group fellowships and.
- ✓ The establishment of Food Bank Systems in Bermondsey. Various individuals and families are catered for with free distribution of food, drinks and materials in the local communities.

Financial Review:

In financial terms, HOTRIC is in good shape and is self-sufficient due to the sacrificial support of its members. Our total income as a Church from all resources was approximately £299,597 for the year 2024 (£280,170 – 2023) and most of this was expended during the year as indicated in the attached financial accounts. HOTRIC management have continued to implement a robust budgetary control and monitoring of costs to deliver a balanced budget in the future.

FUTURE DEVELOPMENTS

The church will continue to focus on its activities to meet the set objectives and in reaching young people at our local communities with the Gospel of Our Lord and Saviour Jesus Christ.

RESERVE POLICY

The Trustees have carefully examined the Church's requirements for reserves considering the main risks to the church. It has established that a policy whereby the unrestricted funds not committed or invested in tangible fixed assets be held by the church should be between two (2) to four (4) months of the expenditure. It is then the policy of the church to maintain unrestricted funds which are the free reserves at a level that equates to appropriate two-three month's unrestricted expenditure. This provides sufficient funds to cover the management, administration and support costs and to effectively respond to emergencies that may arise from time to time. Unrestricted fund was adequately maintained at this level throughout the year.

RISK MANAGEMENT POLICY

The Trustees have carefully examined the major strategic, business and operational risks that the church faces and confirm that appropriate systems and structures have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. All major insurable risks are subject to normal Churches and Employers' Insurance. Contractual risks insurances are reviewed before being entered into to assess that they could not significantly impact upon the church's ability to fulfil its objectives. An annual review of all areas of risks is undertaken by the Trustees in conjunction with the staff and volunteers responsible for the area of activity.

REVIEW OF FINANCIAL POSITION

Giving and other charitable income was affected due to congregations' various reasons in which the state of the national economy was one. Please refer to pages 3 to 11 for the full details of the financial statements for the year to 31st December 2024 of which this report has been prepared.

TRUSTEES' RESPONSIBILITIES

The Charity Act requires as the trustees to prepare the financial statement for each financial year which give a true and fair view of the state of the Trust and of its income and expenditure for that period. In preparing those financial statements, the trustees are required to:

- Prepare financial statements on a going concern basis unless it is inappropriate to presume that the trust will continue in business and.

We, as the Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Church. We are also responsible for safeguarding of the assets of the church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. We, as the Trustees confirm that the accounts comply with current requirements of the Charity Act 2011 and those of the Charity's Trust Deed.

- (a) The Advancement of the Christian Faith in the United Kingdom and Abroad.
- (b) The Relief of persons who are in conditions of Need; Hardship or Distress or who are aged or sick in the United Kingdom and Abroad.

The principal activities of the Church are Christian Worship – To worship God Almighty as a united family coupled with the involvement of various ministers and ministries of faith propagating the Christian Tenets to members and non-members – i.e. to encourage personal growth through Christian teaching and training. To achieve these objectives, the Church was involved and engaged in Christian Outreach programmes specifically designed to increase Christian awareness and spread the Gospel of Our Lord Jesus Christ in and around Bermondsey, Rotherhithe and in the London Borough of Southwark in general.

The Church operates a "Home Group" structure. Home Group leaders have been effectively trained and appointed to oversee and nurture groups of people who meet weekly to worship, pray, play, share life experiences and bless each other in various approved homes of members of the Church in and around London City. These home groups are easily accessible to members and non-members alike, in addition to providing a spiritual support structure for people within and/or on the periphery of the Church. The Church congregations meet for regular Celebrations Services on Sundays and on Fridays for prayers for our community, and the entire nation. These meetings are usually held at Haddon Hall Baptist Church, London and at The City of London Academy, Bermondsey. In addition to these meetings, the Church participates in various Inter-Church gatherings in and around Bermondsey and Rotherhithe on a regular basis. HOTRIC benefits the public by currently providing the following services which are available to everyone in the community – Career Counselling; Character Development; Educational Counselling; Pre-marital Counselling; and Drop-In Counselling; Hospital Visits; Welfare provision; Prayer Support; Men's and Women's meetings and Youth meetings. Our AWARD WINNING Hotric Charity Shop, which was awarded "**THE HONORARY LIBERTY OF THE NEIGHBOURHOOD OF THE OLD METROPOLITAN BOROUGH OF BERMONDSEY**", provides clothes and shoes as well as food bank to the public. These activities of the Church are generously supported by voluntary donations of time, energy, resources and money from Church members in response to the principles of faith and prayer. HOTRIC fulfils its vision with the help of many volunteers within and outside of the Church who have been very generous with their resources. In respect of all these various activities and services that were carefully carried out during the financial year of 2023, the Trustees hereby confirm that they had properly paid due regard to guidance issued by the Charity Commission on public benefit.

Review of Activities:

The Trustees are pleased to report that the Church continued to be successful by ministering to many people from different nationalities. As a result of this continued growth, this has brought increase in membership, stewardship and maturity in faith as the Church has taught, trained and developed various people into the positions of responsibilities and leadership. The main ways the Church achieve its objectives are as follows:

- ✓ Bringing the love of Christ to the community in running the Friday's School of Ministry for those who wanted to find out about Christianity and Christian living. About 130 people attend these schools every Friday night even when we had to adapt the usage of zoom because of the pandemic.
- ✓ Running a local Charity and Drop-in Centre for the local people the public in general - Various individuals are catered for by way of subsidised price of quality clothes and shoes sales, frequent supply of free drinks and snacks to interested individuals.
- ✓ Various Youth meetings and conferences were held in and outside the Church by In-house Pastors and Anointed Guest Ministers.
- ✓ Opening of new homes across the city for home group fellowships and.
- ✓ The establishment of Food Bank Systems in Bermondsey. Various individuals and families are catered for with free distribution of food, drinks and materials in the local communities.

Financial Review:

In financial terms, HOTRIC is in good shape and is self-sufficient due to the sacrificial support of its members. Our total income as a Church from all resources was approximately £280,170 for the year 2023 (£324,525 – 2022) and most of this was expended during the year as indicated in the attached financial accounts. HOTRIC management have continued to implement a robust budgetary control and monitoring of costs to deliver a balanced budget in the future.

FUTURE DEVELOPMENTS

The church will continue to focus on its activities to meet the set objectives and in reaching young people at our local communities with the Gospel of Our Lord and Saviour Jesus Christ.

RESERVE POLICY

The Trustees have carefully examined the Church's requirements for reserves considering the main risks to the church. It has established that a policy whereby the unrestricted funds not committed or invested in tangible fixed assets be held by the church should be between two (2) to four (4) months of the expenditure. It is then the policy of the church to maintain unrestricted funds which are the free reserves at a level that equates to appropriate two-three month's unrestricted expenditure. This provides sufficient funds to cover the management, administration and support costs and to effectively respond to emergencies that may arise from time to time. Unrestricted fund was adequately maintained at this level throughout the year.

RISK MANAGEMENT POLICY

The Trustees have carefully examined the major strategic, business and operational risks that the church faces and confirm that appropriate systems and structures have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. All major insurable risks are subject to normal Churches and Employers' Insurance. Contractual risks insurances are reviewed before being entered into to assess that they could not significantly impact upon the church's ability to fulfil its objectives. An annual review of all areas of risks is undertaken by the Trustees in conjunction with the staff and volunteers responsible for the area of activity.

REVIEW OF FINANCIAL POSITION

Giving and other charitable income was affected due to congregations' various reasons in which the state of the national economy was one. Please refer to pages 3 to 11 for the full details of the financial statements for the year to 31st December 2023 of which this report has been prepared.

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of House On The Rock International Church-HOTRIC (Bermondsey), have the pleasure in submitting their annual report together with their financial accounts for the year ended 31st December 2022.

Objects of the Charity:

The Church was registered on 5th November 1999 under the Governing Document Declaration of Trust dated 7th July 1999 as amended by supplement deed dated 15th October 1999 and registered with Charity number 1078085. The principal objectives of the Church as set out in the Declaration of Trust are as follows:

- (a) The Advancement of the Christian Faith in the United Kingdom and Abroad;
- (b) The Relief of persons who are in conditions of Need; Hardship or Distress or who are aged or sick in the United Kingdom and Abroad.

The principal activities of the Church are Christian Worship – To worship God Almighty as a united family coupled with the involvement of various ministers and ministries of faith propagating the Christian Tenets to members and non-members – i.e. to encourage personal growth through Christian teaching and training. To achieve these objectives, the Church was involved and engaged in Christian Outreach programmes specifically designed to increase Christian awareness and spread the Gospel of Our Lord Jesus Christ in and around Bermondsey, Rotherhithe and in the London Borough of Southwark in general.

The Church operates a "Home Group" structure. Home Group leaders have been effectively trained and appointed to oversee and nurture groups of people who meet weekly to worship, pray, play, share life experiences and bless each other in various approved homes of members of the Church in and around London City. These home groups are easily accessible to members and non-members alike, in addition to providing a spiritual support structure for people within and/or on the periphery of the Church. The Church congregations meet together for regular Celebrations Services on Sundays and on Fridays for prayers for our community, and the entire nation as a whole. These meetings are usually held at Haddon Hall Baptist Church, London and at The City of London Academy, Bermondsey. In addition to these meetings, the Church participates in various Inter-Church gatherings in and around Bermondsey and Rotherhithe on a regular basis. HOTRIC benefits the general public by currently providing the following services which are available to everyone in the community – Career Counselling; Character Development; Educational Counselling; Pre-marital Counselling; and Drop-In Counselling; Hospital and Prison Visits; Welfare provision; Prayer Support; Men's and Women's meetings and Youth meetings. These activities of the Church are generously supported by voluntary donations of time, energy, resources and money from Church members in response to the principles of faith and prayer. HOTRIC fulfils its vision with the help of many volunteers within and

outside of the Church who have been very generous with their resources. In respect of all these various activities and services that were carefully carried out during the financial year of 2022, the Trustees hereby confirm that they had properly paid due regard to guidance issued by the Charity Commission on public benefit.

Review of Activities:

The Trustees are pleased to report that the Church continued to be successful by ministering to many people from different nationalities. As a result of this continued growth, this has brought increase in membership, stewardship and maturity in faith as the Church has taught, trained and developed various people into the positions of responsibilities and leadership. The main ways the Church achieve its objectives are as follows:

- ✓ Bringing the love of Christ to the community in running the Friday's School of Ministry for those who wanted to find out about Christianity and Christian living. About 130 people attend these schools every Friday night even when we had to adapt the usage of zoom because of the pandemic;
- ✓ Running a local Charity and Drop-In Centre for the local people the public in general - Various individuals are catered for by way of subsidised price of quality clothes and shoes sales, frequent supply of free drinks and snacks to interested individuals;
- ✓ Various Youth meetings and conferences were held in and outside the Church by In-house Pastors and Anointed Guest Ministers;
- ✓ Opening of new homes across the City for home group fellowships and;
- ✓ The establishment of Food Bank Systems in Bermondsey. Various individuals and families are catered for with free distribution of food, drinks and materials in the local communities.

Financial Review:

In financial terms, HOTRIC is in good shape and is self-sufficient due to the sacrificial support of its members. Our total income as a Church from all resources was approximately over £324,432 for the year 2022 (£282,918 – 2021) and most of this was expended during the course of the year as indicated in the attached financial accounts. HOTRIC management have continued to implement a robust budgetary control and monitoring of costs in an effort to deliver a balanced budget in future.

FUTURE DEVELOPMENTS

The church will continue to focus on its activities to meet the set objectives and in particular in reaching young people at our local communities with the Gospel of Our Lord and Saviour Jesus Christ.

RESERVE POLICY

The Trustees have carefully examined the Church's requirements for reserves in light of the main risks to the church. It has established that a policy whereby the unrestricted funds not committed or invested in tangible fixed assets be held by the church should be between two (2) to four (4) months of the expenditure. It is then the policy of the church to maintain unrestricted funds which are the free reserves at a level that equates to appropriate two-three month's

unrestricted expenditure. This provides sufficient funds to cover the management, administration and support costs and to effectively respond to emergencies that may arise from time to time. Unrestricted fund was adequately maintained at this level throughout the year.

RISK MANAGEMENT POLICY

The Trustees have carefully examined the major strategic, business and operational risks that the church faces and confirm that appropriate systems and structures have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. All major insurable risks are subject to normal Churches and Employers' Insurance. Contractual risks insurances are reviewed before being entered into to assess that they could not significantly impact upon the church's ability to fulfil its objectives. STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of House On The Rock International Church-HOTRIC (Bermondsey), have the pleasure in submitting their annual report together with their financial accounts for the year ended 31st December 2021.

Objects of the Charity:

The Church was registered on 5th November 1999 under the Governing Document Declaration of Trust dated 7th July 1999 as amended by supplement deed dated 15th October 1999 and registered with Charity number 1078085. The principal objectives of the Church as set out in the Declaration of Trust are as follows:

- (a) The Advancement of the Christian Faith In the United Kingdom and Abroad;
- (b) The Relief of persons who are In conditions of Need; Hardship or Distress or who are aged or sick In the United Kingdom and Abroad.

The principal activities of the Church are Christian Worship – To worship God Almighty as a united family coupled with the Involvement of various ministers and ministries of faith propagating the Christian Tenets to members and non-members – i.e. to encourage personal growth through Christian teaching and training. To achieve these objectives, the Church was involved and engaged in Christian Outreach programmes specifically designed to increase Christian awareness and spread the Gospel of Our Lord Jesus Christ in and around Bermondsey, Rotherhithe and in the London Borough of Southwark in general.

The Church operates a "Home Group" structure. Home Group leaders have been effectively trained and appointed to oversee and nurture groups of people who meet weekly to worship, pray, play, share life experiences and bless each other in various approved homes of members of the Church in and around London City. These home groups are easily accessible to members and non-members alike, in addition to providing a spiritual support structure for people within and/or on the periphery of the Church. The Church congregations meet together for regular Celebrations Services on Sundays and on Fridays for prayers for our community, and the entire nation as a whole. These meetings are usually held at Haddon Hall Baptist Church, London and at The City of London Academy, Bermondsey. In addition to these meetings, the Church participates in various Inter-Church gatherings in and around Bermondsey and Rotherhithe on a regular basis. HOTRIC benefits the general public by currently providing the following services which are available to everyone in the community – Career Counselling; Character Development; Educational Counselling; Pre-marital Counselling; and Drop-In Counselling; Hospital and Prison Visits; Welfare provision; Prayer Support; Men's and Women's meetings and Youth meetings. These activities of the Church are generously supported by voluntary donations of time, energy, resources and money from Church members in response to the principles of faith and prayer. HOTRIC fulfils its vision with the help of many volunteers within and outside of the Church who have been very generous with their resources. In respect of all these various activities and services that were carefully carried out during the financial year of 2020, the Trustees hereby confirm that they had properly paid due regard to guidance issued by the Charity Commission on public benefit.

Review of Activities:

The Trustees are pleased to report that the Church continued to be successful by ministering to many people from different nationalities. As a result of this continued growth, this has brought increase in membership, stewardship and maturity in faith as the Church has taught, trained and developed various people into the positions of responsibilities and leadership. The main ways the Church achieve its objectives are as follows:

- ✓ Bringing the love of Christ to the community in running the Friday's School of Ministry for those who wanted to find out about Christianity and Christian living. About 130 people attend these schools every Friday night even when we had to adapt the usage of zoom because of the pandemic;
- ✓ Running a local Charity and Drop-in Centre for the local people the public in general - Various individuals are catered for by way of subsidised price of quality clothes and shoes sales, frequent supply of free drinks and snacks to interested individuals;
- ✓ Various Youth meetings and conferences were held in and outside the Church by in-house Pastors and Anointed Guest Ministers;
- ✓ Opening of new homes across the City for home group fellowships and;
- ✓ The establishment of Food Bank Systems in Bermondsey. Various individuals and families are catered for with free distribution of food, drinks and materials in the local communities.

Financial Review:

In financial terms, HOTRIC is in good shape and is self-sufficient due to the sacrificial support of its members. Our total income as a Church from all resources was approximately over £282,918 for the year 2021 (£309,258 – 2020) and most of this was expended during the course of the year as indicated in the attached financial accounts. HOTRIC management have continued to implement a robust budgetary control and monitoring of costs in an effort to deliver a balanced budget in future.

FUTURE DEVELOPMENTS

The church will continue to focus on its activities to meet the set objectives and in particular in reaching young people at our local communities with the Gospel of Our Lord and Saviour Jesus Christ.

RESERVE POLICY

The Trustees have carefully examined the Church's requirements for reserves in light of the main risks to the church. It has established that a policy whereby the unrestricted funds not committed or invested in tangible fixed assets be held by the church should be between two (2) to four (4) months of the expenditure.

It is then the policy of the church to maintain unrestricted funds which are the free reserves at a level that equates to appropriate two-three month's unrestricted expenditure. This provides sufficient funds to cover the management, administration and support costs and to effectively respond to emergencies that may arise from time to time. Unrestricted fund was adequately maintained at this level throughout the year.

RISK MANAGEMENT POLICY

The Trustees have carefully examined the major strategic, business and operational risks that the church faces and confirm that appropriate systems and structures have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. All major insurable risks are subject to normal Churches and Employers' Insurance. Contractual risks Insurances are reviewed before being entered into to assess that they could not significantly impact upon the church's ability to fulfil its objectives. An annual review of all areas of risks is undertaken by the Trustees in conjunction with the staff and volunteers responsible for the area of activity.

REVIEW OF FINANCIAL POSITION

Giving and other charitable income was affected due to congregations various reasons in which the state of the national economy was one. Please refer to pages 3 to 9 for the full details of the financial statements for the year to 31st December 2021 of which this report has been prepared.

TRUSTEES' RESPONSIBILITIES

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of House On The Rock International Church-HOTRIC (Bermondsey), have the pleasure in submitting their annual report together with their financial accounts for the year ended 31st December 2020.

Objects of the Charity:

The Church was registered on 5th November 1999 under the Governing Document Declaration of Trust dated 7th July 1999 as amended by supplement deed dated 15th October 1999 and registered with Charity number 1078085. The principal objectives of the Church as set out in the Declaration of Trust are as follows:

- (a) The Advancement of the Christian Faith in the United Kingdom and Abroad;
- (b) The Relief of persons who are in conditions of Need; Hardship or Distress or who are aged or sick in the United Kingdom and Abroad.

The principal activities of the Church are Christian Worship – To worship God Almighty as a united family coupled with the involvement of various ministers and ministries of faith propagating the Christian Tenets to members and non-members – i.e. to encourage personal growth through Christian teaching and training. To achieve these objectives, the Church was involved and engaged in Christian Outreach programmes specifically designed to increase Christian awareness and spread the Gospel of Our Lord Jesus Christ in and around Bermondsey, Rotherhithe and in the London Borough of Southwark in general.

The Church operates a "Home Group" structure. Home Group leaders have been effectively trained and appointed to oversee and nurture groups of people who meet weekly to worship, pray, play, share life experiences and bless each other in various approved homes of members of the Church in and around London City. These home groups are easily accessible to members and non-members alike, in addition to providing a spiritual support structure for people within and/or on the periphery of the Church. The Church congregations meet together for regular Celebrations Services on Sundays and on Fridays for prayers for our community, and the entire nation as a whole. These meetings are usually held at Haddon Hall Baptist Church, London and at The City of London Academy, Bermondsey. In addition to these meetings, the Church participates in various Inter-Church gatherings in and around Bermondsey and Rotherhithe on a regular basis. HOTRIC benefits the general public by currently providing the following services which are available to everyone in the community – Career Counselling; Character Development; Educational Counselling; Pre-marital Counselling; and Drop-In Counselling; Hospital and Prison Visits; Welfare provision; Prayer Support; Men's and Women's meetings and Youth meetings. These activities of the Church are generously supported by voluntary donations of time, energy, resources and money from Church members in response to the principles of faith and prayer. HOTRIC fulfils its vision with the help of many volunteers within and outside of the Church who have been very generous with their resources. In respect of all these various activities and services that were carefully carried out during the financial year of 2020, the Trustees hereby confirm that they had properly paid due regard to guidance issued by the Charity Commission on public benefit.

Review of Activities:

The Trustees are pleased to report that the Church continued to be successful by ministering to many people from different nationalities. As a result of this continued growth, this has brought increase in membership, stewardship and maturity in faith as the Church has taught, trained and developed various people into the positions of responsibilities and leadership. The main ways the Church achieve its objectives are as follows:

- ✓ Bringing the love of Christ to the community in running the Friday's School of Ministry for those who wanted to find out about Christianity and Christian living. About 130 people attend these schools every Friday night even when we had to adapt the usage of zoom because of the pandemic;
- ✓ Running a local Charity and Drop In Centre for the local people the public in general - Various individuals are catered for by way of subsidised price of quality clothes and shoes sales, frequent supply of free drinks and snacks to interested individuals;
- ✓ Various Youth meetings and conferences were held in and outside the Church by In-house Pastors and Anointed Guest Ministers;
- ✓ Opening of new homes across the City for home group fellowships and;
- ✓ The establishment of Food Bank Systems in Bermondsey. Various individuals and families are catered for with free distribution of food, drinks and materials in the local communities.

Financial Review:

In financial terms, HOTRIC is in good shape and is self-sufficient due to the sacrificial support of its members. Our total income as a Church from all resources was approximately over £309,258 for the year 2020 (£269,896 – 2019) and most of this was expended during the course of the year as indicated in the attached financial accounts. HOTRIC management have continued to implement a robust budgetary control and monitoring of costs in an effort to deliver a balanced budget in future.

FUTURE DEVELOPMENTS

The church will continue to focus on its activities to meet the set objectives and in particular in reaching young people at our local communities with the Gospel of Our Lord and Saviour Jesus Christ.

RESERVE POLICY

The Trustees have carefully examined the Church's requirements for reserves in light of the main risks to the church. It has established that a policy whereby the unrestricted funds not committed or invested in tangible fixed assets be held by the church should be between two (2) to four (4) months of the expenditure. It is then the policy of the church to maintain unrestricted funds which are the free reserves at a level that equates to appropriate two-three month's unrestricted expenditure. This provides sufficient funds to cover the management, administration and support costs and to effectively respond to emergencies that may arise from time to time. Unrestricted fund was adequately maintained at this level throughout the year.

RISK MANAGEMENT POLICY

The Trustees have carefully examined the major strategic, business and operational risks that the church faces and confirm that appropriate systems and structures have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. All major insurable risks are subject to normal Churches and Employers' Insurance. Contractual risks insurances are reviewed before being entered into to assess that they could not significantly impact upon the church's ability to fulfil its objectives. An annual review of all areas of risks is undertaken by the Trustees in conjunction with the staff and volunteers responsible for the area of activity.

REVIEW OF FINANCIAL POSITION

Giving and other charitable income was affected due to congregations various reasons in which the state of the national economy was one. Please refer to pages 3 to 9 for the full details of the financial statements for the year to 31st December 2020 of which this report has been prepared.

TRUSTEES' RESPONSIBILITIES

The Charity Act requires as the trustees to prepare the financial statement for each financial year which give a true and fair view of the state of the Trust and of its income and expenditure for that period. In preparing those financial statements, the trustees are required to:

- Prepare financial statements on a going concern basis unless it is inappropriate to presume that the trust will continue in business and;

We, as the Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Church. We are also responsible for safeguarding of the assets of the church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. We, as the Trustees confirm that the accounts comply with current requirements of the Charity Act 2011 and those of the Charity's Trust Deed.
