EDUCATION FOR LIFE

TRUSTEES' REPORT FOR THE YEAR ENDED 30 APRIL 2022

Achievement and performance

Charitable activities

The role of Education for Life is to work within and alongside the local community, helping them to establish education, of a social and academic nature for both children and adults. Education for Life seeks to ensure that children have the opportunity to learn to read, write, understand basic number work and also attain social skills, including understanding the need for health, hygiene and cleanliness (personal, at home and in the environment). The moral and practical support of a community requires considerable investment of both time and money. Education for Life is committed to seeing its vision fulfilled, and as a result of this we have a team of full time and part time workers in England and Kenya ensuring that the work of the charity is run effectively and efficiently. We consider that the best method of tackling poverty in the longer term is through a series of programmes, promoting sustainable development, and enabling communities to become as self-sufficient as they can be. We currently run the following programmes:

- Providing full time employment for 67 Kenyans
- Nursery School for 60 children
- Primary School for 320 children
- Secondary School for 160 students
- Special Needs Education Programme - including specialised education in small groups
- Children's Home for 11 Orphans
- Care in the community supporting "Foster Families"
- Specialised Health Care assistance for individuals with specific known illnesses
- University, Further Education and Skills Training sponsorship as required.
- Feeding programme for 550 children daily
- Community housing - 9 houses available for rent
- Tailoring workshop - making school uniforms
- Fellowship meetings for Bible Teachings
- Bible Study and Support Group - Weekly for approximately 70 ladies
- Computer Training for Staff and Students
- School/Community Library
- "Half Way" House Project (Refuge Home) - 22 rooms available
- Community Playground
- Zaidi Project "Share a cow" scheme

Education for Life works with other charities having similar objects to our own in and around Mombasa. Work is carried out through joint initiatives, utilising local knowledge and skills, which assists in achieving our objects, for the benefit of the local community.

All work is monitored directly in the field, ensuring that all programmes are delivered to an excellent standard and to maximise the value to the various beneficiaries.

We would like to thank all the charities that have supported us, especially Footsteps International and Lightforce International.

Our income is mainly from individual sponsors, churches and schools, it is they who make all our work possible. Thank you.

Financial review

Reserves policy

The policy of the trustees is to put donors' funds to immediate use as far as possible. In case of an emergency an appeal would be made for additional funds. The charity carries out a variety of both long term and short term projects. It is therefore important that a regular flow of income is maintained as a proportion of money provides local wages for teachers, cooks, cleaners, security and support staff, food for the daily feeding programme and medical costs, in addition to direct benefit for the children who are sponsored. It is the trustees aim to keep as a reserve three months of our regular monthly financial commitments. This should give us the ability to cover any temporary income fluctuations and allow us to respond quickly to an emergency. The level of fee reserves at the year end was £20,575 (2021 - £20,453).

Voluntary help and gifts in kind

The trustees are very grateful to volunteers who have helped us both in the UK and in Mombasa. Great effort has been made resulting in huge successes for the benefit of the people of Mombasa. Without this help it would be extremely difficult to reach our goals and achieve our objects. Thank you.

Future plans

Next Year we plan to develop the work further, to the greater benefit of the community, working together with our partners to achieve our objects, including:

- Work together with other local charitable organisations to increase food distribution
- Develop & update our computer lab to allow access for "one student, one computer"
- Increasing the number of students that we sponsor
- Develop our infrastructure in line with the new Competency Based Curriculum
- Develop our online Bible Teaching

Structure, governance and management

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF EDUCATION FOR LIFE

Independent examiner's report to the trustees of Education for Life

I report to the charity trustees on my examination of the accounts of Education for Life (the Trust) for the year ended 30 April 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
