Independent examiner's report to the trustees of

The Thomas Ball Children's Cancer Fund

I report on the accounts of the Trust for the year ended 31st July 2025 which are set out on page 1.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The main activity of the charity has continued to be the provision of holiday facilities and the organisation of outings and events to provide respite for children with cancer and for their families. Grants are also made to help with the cost of respite holidays. During the year 47 such grants were made.

The leases on the 2 holiday lodges held by the charity expired during the year and the decision was made to take out a new lease on one lodge at a cost of £150,000. The Charity is confident that it will be able to continue to meet demand for respite holidays by revising the bookings schedule.

The asset value of the lodge will be depreciated in line with the term of the lease
