Trustees' report

The trustees, who act as directors for the purposes of company law, present their report and financial statements for the year ended 31 December 2020.

Structure, Governance and Management

The charity was incorporated on 25 November 1999 as a company limited by guarantee. It is governed by a Memorandum and Articles of Association.

Two of the trustees may be appointed by Market Harborough Building Society (the Society) and, except in unusual circumstances, may only be removed by the Society. The power for the appointment and removal of the remaining trustees lies with the Board of Trustees, although the Society retains the right of veto over a prospective appointment.

New trustees are briefed on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes and the recent financial performance of the charity. All trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Objectives and Activities

The objectives of the charity are to hold the capital and income on trust, to apply the income and or capital for charitable purposes, and to make donations to charitable institutions and causes, in such a manner that the trustees in their absolute discretion see fit.

The Foundation will consider applications for grants from voluntary and charitable organisations. It will not normally consider applications from individuals or from any profit-making organisation, or from organisations whose prime purpose is the promotion of any form of religion. In making donations the Foundation will seek to benefit local people and its primary focus will be to help charities that improve the quality of life of persons in the Society's operating area.

The trustees consider that the core area to be served by the Foundation is within Leicestershire, Northamptonshire and Rutland. Applications from organisations based in those counties (or from national organisations with an active local presence, and where assurance can be given that grants will be used within the core area) will be preferred to those from other areas.

Grants will normally be made for capital expenditure rather than for revenue costs. The Foundation will also consider applications for investment in people for organisational development or developing skills in the community. The Foundation will not normally consider grants for projects to cover expenditure which has already been incurred or committed.

The amount of any grant awarded will not normally be less than £250 or greater than £5,000.

The trustees have had due regard to the guidance published by the Charity Commission on public benefit. They consider that they comply with the public benefit requirements of the Charities Act 2011 by providing grants for voluntary and charitable organisations.

Achievements, Performance and Financial Review

The charity received income of £43,000 as donations from Market Harborough Building Society, £0 as other donations and interest of £112. It made donations of £24,720 to 14 charitable causes during the year in line with the charity objectives, leaving a surplus for the year of £18,392. £50,525 was available for future expenditure as at 31 December 2020. All administration expenses of the charity were met by Market Harborough Building Society. None of the trustees received any remuneration in the period. There are no plans to change the charity's activities in future periods. Note 8 provides a full list of grants awarded during the year.

Achievements, Performance and Financial Review continued

The charity's income has remained unaffected by the Covid-19 pandemic due to its sole donor being the Market Harborough Building Society. However, it has specifically looked for worthy causes to support in the pandemic period where it could make a quick impact for local people. Two such causes were identified and received donations of £5,000 each.

The Trust does not seek to accumulate reserves but to distribute all charitable donations to good causes. Every effort is being made by the trustees to seek suitable grant recipients to ensure the reserves are distributed.

Statement of risks

The trustees have considered the risks to which the charity is exposed and are satisfied that, given its nature and size, these are not material.

Related parties

The Trust was established by Market Harborough Building Society in 1999, but is independent from it and has no connection to any other bodies.

Independent Examiner's Report to the Trustees of Market Harborough Building Society Charitable Foundation

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2020 which are set out on pages 7 to 10.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
