## **Trustees Annual Report and signing the accounts**

The role of the Independent Examiner is to provide an independent scrutiny of the accounts. The examiner plays a part in maintaining public trust and confidence in charities.

Charity law requires all charity trustees to prepare accounts for their charity. The trustees of registered charities must also prepare a trustees' annual report (the 'Report' - see Appendix 2 for details). The report and accounts tell donors and others interested in the work of the charity what the charity is set up to do, what it has done in the year and how it raised and spent its money.

Charity Commission guidance to Independent Examiners states that the examiner must not sign their report before the trustees have approved and signed the trustees' annual report and the accounts.

**Until the trustees have approved and signed the accounts, the accounts are draft and not final.**

Please refer to the appendix for recommendations and findings from the review.

## **Independent examiner's report to the trustees of Valley Road Primary School Parent Teacher Association**

I report to the trustees on my examination of the accounts of the Valley Road Primary School Parent Teacher Association (the Trust) for the year ended 30th April 2025.

### **Responsibilities and basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

*Laura Ellera*

Name: Laura M Ellera ACA

Relevant professional qualification or membership of professional bodies (if any): Associate Chartered Accountant with the Institute of Chartered Accountants in England and Wales (ICAEW)

Address: 58 Gainsborough Road, Henley-on-Thames, RG9 1SX

Date: 26/02/26

## **Balances Held**

I confirmed that the funds reconciliation in the accounts includes the correct brought forward balance from 23/24 independently reviewed accounts (£19,299.92) and that the funds carried forward balance at 30<sup>th</sup> April 2025 is represented by funds held within the school's PTA accounts. All balances have been agreed to independent sources.

## **Recommendations for next review period:**

Throughout the review, recommendations have been gathered and are highlighted below.

These include:

- Formally minute and distribute for all committee meetings (minimum of 3 per academic year).
- Document the annual review of the internal financial controls (noted that this was in progress).
- Appoint the Independent Examiner for the following year at the next AGM.
- Ensure current accounts are shared at the next AGM.
- Reconcile the bank accounts monthly and document the procedure and findings.

## **Appendix 1: Valley Road Primary School Parent Teacher Association Trustees**

Independent examiners findings arising from the review of the accounts for the period 1<sup>st</sup> May 2024 to 30<sup>th</sup> April 2025.

### **Summary**

I have completed my independent examination of Valley Road Primary School Parent Teacher Association accounts for the 2024/25 financial year and can confirm that in the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in, any material respect, the trustees have not met the requirements to ensure that:

- proper accounting records are kept (in accordance with section 130 of the 2011 act) and
- accounts are prepared which agree with the accounting records and comply with the accounting requirements of the 2011 Act; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The accounting records of the school PTA are of a high standard and are maintained by an experienced officer.

There are no issues of concern that require reporting.

### **Testing completed:**

The following tests were completed.

1. Confirmation that the opening balances were brought forward correctly.
2. An analytical review of income and expenditure comparing the analysis of the cash received and spent in the current year with previous years to identify any significant changes from year to year. Explanations were obtained for any material variances whether in size or in nature. Satisfactory explanations were obtained from the Treasurer.
3. Verified bank balances held to independent sources.
4. Confirmed income received has been banked in a timely manner.
5. Confirmed that payments made are supported by invoices or other valid supporting evidence through sample testing.
6. Utilised the Charity Commissions recommended checklist for Independent Examiners in conducting the review. The questions in the checklist are designed to aid the examiner in accordance with the legal requirements and good practice recommendations set out in the Commission's guidance on Independent Examinations of charity accounts.

Note, working papers and samples reviewed have been maintained by the Independent Examiner.

## **Appendix 2: Guidance for Trustees' Annual Report:**

### **Reports for small non-company charities**

If your charity's income is under £500,000 (and providing it doesn't have assets worth more than £3.26million), prepare a simple report including:

- your charity's name, registration number, address and trustee names
- its structure and details of how it is managed, including how it recruits trustees
- its activities and objectives in the year
- its achievements and performance, including reporting on its public benefit
- a financial review including any debts and details of your reserves policy (if applicable)
- details of any funds held as a custodian trustee

You can put more detail into your trustees' annual report if you want to. You only have to send a copy to the commission with your annual return if your income is more than £25,000. But you need to send the commission a copy if it asks for it.
