Constitution 2011

How the Charity is constituted
(eg, trust, association, company)

Unincorporated Association

Trustee Selection Methods
(eg, appointed by, elected by)

Elected by the parents/guardians.

Additional Governance Issues (Optional Information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them

There are two types of membership family membership for the parents/carers of all children who attend Kanes Hill pre-school and Affiliate Membership for individuals or other bodies who are interested in the aims of the pre-school.

Committee members are voted by the members at the Annual General Meeting. We currently have 7 committee members. The minimum number of committee members is 5 and the maximum is 12.

The trustees play an important and crucial role in the existence of our charity, and the position carries a number of responsibilities and can sometimes be daunting for a volunteer to take on. New trustees are made to feel like part of the charity. We provide a proper induction that will ensure that they have a clear understanding of the structure of the provision and how it operates, as well as their role and responsibilities within it.

Trustees, parents and staff all contribute to the group's policies updating and reviewing annually taking into consideration changes to legislation and relevance to the group.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Our setting aims to provide high quality care and education for children aged between 2 and 5. We work in partnership with parents to help the children, and to add to the life and well-being of the local community.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We offer care and education by learning through play for the children of families within the Thornhill area of Southampton. We encourage parents to become involved in the running of the pre-school by showing an interest in their children's learning and supporting fundraising events.

We offer children and their parents a service that promotes equality and values diversity.

We aim to ensure that each child is in a safe and stimulating environment, and has the chance to join with other children and adults to thrive, play, work and learn together.

Each child is given generous care and attention because of our ratio of qualified staff to children, and has a personal key person who makes sure that each child makes satisfactory progress and liaises with the child's parents keeping them involved and updated.

We encourage parents to become involved in the running of the preschool and with any fundraising events.

Additional details of objectives and activities (Optional Information)

You **may choose** to include further statements, where relevant, about:-

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

We received a Good Ofsted outcome in March 2023, and continue to improve on this.

The preschool offers up to 30 hours childcare per child per week.

The preschool continually has a long waiting list, and at every admission stage is full immediately with mostly funded children.

As the preschool is joined to the main primary school we have a good connection with the primary school. This helps our children in the transition period as we prepare them for moving into school.

Section EFinancial Review

Brief statement of the charity's policy on reserves

The charity currently has a reserve to cover 3 months of operating expenditure, along with enough funds to cover redundancies for all employees.

Details of any funds materially in deficit

None

Further financial review details (Optional Information)

You **may choose** to include additional information, where relevant about:-

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The main source of funds is through childcare places. We receive up to 15 and 30 hours Nursery Education Funding per child.

If a child is not eligible for funding parents have the option to pay for this until they are eligible and some parents also choose to top up their child's hours if not covered by their Nursery Education funding.

We also receive funds as the result of a very active fundraising team with raffles, sponsored events and commission from photographs, which has resulted in more money being put back into the preschool, and more provisions purchased to aid the children's learning and development.
