Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Background A lot of repair and maintenance work is still being carried out due to the building being extremely old. The centre has continued to grow in popularity with the community with more events being held bringing in much needed funds to continue the upgrading of the facilities. The centre has continued to put on children's events, charity functions for causes such as MacMillan Cancer Care, Children in Need and East Anglia air ambulance. In addition to the above, the community and beyond have continued renting the hall for private functions including yoga classes, pop group rehearsals etc. We have also let a community hospital use the hall for their community supermarket held in the hall to raise funds for the hospital. This has proved extremely popular with elderly people who have no transport to go into the nearest town.

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	Our objectives were to provide a safe meeting place for the community where they can meet and socialise on a regular basis. We continue to feel we have achieved this so far with more elderly persons using the centre.
Performance of fundraising activities against objectives set	Para 1.41	Having achieved our objectives for 22/23 the objectives of our fund-raising activities for 23/24 were to raise money, through various means to build up funds to enable the centre to be put back on to mains power. This we have achieved with a healthy set of accounts.
Investment performance against objectives	Para 1.41	The objectives the charity has always been to improve the facilities within the centre, fundraise for worthy causes and to bring the community back to the centre again. This we are achieving gradually. This includes putting mains power back on due to the centre currently running on generator power.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The financial position for the charity is good and growing steadily due to more activities taking place
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	N/A. The current Trustees have no intention to go into investment.
Amount of reserves held	Para 1.22	N/A
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the charity going forward. We have a team of committed volunteers and an ever-growing community presence including continued support from our district councillor and local MP.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	Rental of the hall for bingo, private functions, yoga etc. We also gain income from the small bar operated by volunteers plus income from pool table and jukebox. Functions such as quiz nights and dances are also put on by the centre. Income is also generated from local and national election voting hall rental by North Norfolk County Council as the centre is now a registered polling station.
Investment policy and objectives including any social investment policy adopted	Para 1.46	We do not have an investment policy and have no intention of going down the route of investment of funds.
A description of the principal risks facing the charity	Para 1.46	At present the centre is powered by generator which requires continuous servicing. The main risk is the generator breaking down. The generator is costly to run due to the fuel crisis and maintenance costs. If it were to break down, this would close the centre down with no estimated time of when it could open up thus incurring loss of revenue.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Background Since being taken over from the previous incumbents, a lot of repair and maintenance work has had to be carried out prior to opening to the public with some of this due to neglect and some due to the centre being closed during covid. The centre did not open to the community until 28 August when the trustees were confident the building was safe for the community to use. Since then a weekly bingo session has started with numbers rising weekly and holding charity bingo nights. The community is gradually coming back to the centre which has put on children's events, charity functions for causes such as MacMillan cancer care, children in need, a local nursery which was in danger of closing and East Anglia air ambulance. In addition to the above, the community are returning to renting the hall for private functions.

To refurbish the toilets which had not been done for twenty year and to refurbish the kitchen to 5 Star hygiene. These are now planned in for later in 2022.
Investment performance against objectives	Para 1.41	The objectives the charity has is to improve the facilities within the centre, fundraise for worthy causes and to bring the community back to the centre again. This we are achieving gradually.

Other	The centre has benefited from grants given to it by local council and other entities. This has allowed us to fully refurbish ladie, gents and disabled toilets. These funds have also been part used in the full refurbishment of our kitchen which recently received a five star award for hygiene rating. We also now have a resident chef.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Rental of the hall for bingo, private functions, yoga, heritage centre open days. We also gain income from the small bar operated by others plus income from pool table and jukebox. Function such as quiz nights and dances are also put on by the centre.
