REVIEW OF ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

The Charitable company made grants during the year of £189,008 which represented an increase of £89,000 over the previous financial year's total of £100,000

In accordance with statutory requirement, the leasehold interest in the Company's investment property was revalued during the year, and the revalued amount reflected in the current year's result.

The effect of COVID-19 pandemic has been limited due to the fact that much of the administration of the Charitable company, including banking, can be performed remotely. The Charity's income and revenue has not been adversely affected by the pandemic during the last twelve months.

MAIN GOALS FOR THE COMING YEAR

The main goal of the charity for the coming year will be to continue to make regular and ad hoc grants at the discretion of the Board, to St. Stephen's Church, Gloucester Road, London SW7 4RL

FINANCIAL REVIEW

The Charitable company made a net income of £19,827 (2019 - £125,775) before net investment revaluation gain of £493,191 (2019 - £123,713), in the year under consideration.

The reason why the charity's net income in the year is far less than in the previous year £19,827:

: £125,775 is due to the additional grant that the St. Stephen's church requested from the charity.

£189,008 : £100,000.

INVESTMENT POLICY

It is the policy of the Charitable company to consider the suitability of all its investments in terms of social, ethical, and environmental impact, and always strives to adhere to standards of best practice in these areas.

RESERVES

The balance on the unrestricted funds at 31 December 2020 was £5,714,235 (2019 - £5,201,217) This includes the value of the Fixed Assets Investment of £5,336,658 (2019 - £4,843,468) thereby leaving a net liquid balance of £377,577 (2019 - £357,749) for the general running of the Charity.

The Board considers this is adequate to fulfill the charitable company's objectives.

Reserve Policy

The Trustees endeavour to maintain sufficient Reserves to ensure that the Charitable company is on a "going concern" basis at all times.

The Charity's General Fund (Unrestricted fund) balance at the end of the year was £5,714,235

The value of the Charity's fixed assets (both tangible fixed assets and fixed assets Investment) included in the general fund figure of £5,714,235 is £5,336,658

Our reserves policy is to ensure available sufficient resources to provide a sustainable platform for future charitable grants over the longer term, as well as maintain all physical assets in good condition over the longer term.

The Board is aware that application for grants may vary from year to year, and is mindful of the need to provide a secure and consistent approach over the longer term. This may entail running either a deficit or surplus in any one particular financial period, as necessary.

Going Concern including the impact of Covid-19

We consider that we have adequate financial reserves to continue to deliver our plans, and that we have reasonable expectation that we will have adequate resources to continue in operational existence for the foreseeable future and that there are no material uncertainties that call into doubt the charity's ability to continue.

The outbreak of Covid-19 virus across the world represents a significant event during and after the financial year-end.

The effect of COVID-19 pandemic has however been limited due to the fact that much of the administration of the Charity, including banking, can be performed remotely. The Charity's income and revenue has not been adversely affected by the pandemic during the last twelve months.

We have concluded that the going concern basis remains an appropriate basis of preparation for these financial statements.

Risk Assessment

The Trustees continue to examine the principal areas of operations and consider what major risks could arise in each of these areas. Appropriate resources and review systems are put in place to minimise such risks to an acceptable level wherever risks are identified.

Statement of Trustees' Responsibilities.

The Trustees are responsible for preparing the Trustees' report and accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare accounts for each Financial year which gives a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these accounts, the Trustees are required to:

- * make judgements and estimates that are reasonable and prudent.
- * state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- * Prepare the accounts on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose, with reasonable accuracy at any time, the financial position of the Charity and that enables them to ensure that the accounts comply with the Charities Act of 2011, the appropriate Charity Accounts and Reports Regulations and the provisions of the governing document. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the individual trustees, and all the trustees as a body are aware, there is no relevant information that they ought to have disclosed to the Charity Auditors that they have not so disclosed and they further believe that all steps have been taken that ought to have been taken to make the Auditors aware of any such relevant information.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ST. STEPHEN'S HOUSE
(GLOUCESTER ROAD) LIMITED**

REPORT ON THE FINANCIAL STATEMENTS

UNQUALIFIED OPINION

We have audited the financial statements of St. Stephen's House (Gloucester Road) Limited for the year ended 31, December 2020, which comprise the Statement of Financial Activities, the Balance Sheet, the related notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable Law and United Kingdom Accounting Standards, including Financial Reporting standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice)

In our opinion, except for the matter described in the basis for our opinion section, the financial statements :

- > give a true and fair view of the Charitable Company's affairs as at 31, December 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- > have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- > have been prepared in accordance with the requirements of the Companies Act 2006

BASIS FOR OPINION

The Investment property of the charitable company was professionally revalued at £4,600,000 by AMJ Wimbledon (FRICS) of Aspect Surveyors Limited on 26, May 2020 on a fair value basis. However , due to the unknown future impact that Covid-19 might have on the real estate market, the valuation was reported on the basis of "material valuation uncertainty" in line with RICS guidance.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unqualified opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for the period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon.

The trustees are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially mis-stated. If we identify such material inconsistencies or apparent material mis-statements, we are required to determine whether this gives rise to a material mis-statement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material mis-statement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY COMPANIES ACT 2006

In our opinion , based on the work undertaken in the course of the audit :

- > the information given in the trustees' report, which includes the directors' report prepared for company law purposes, for the financial year for which the financial statements are prepared is consistent with the financial statements; and

- > the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material mis-statements in the Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion :

- > adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us ; or
- > the financial statements are not in agreement with the accounting records and returns; or
- > certain disclosures of trustees' remuneration specified by law are not made; or
- > we have not received all the information and explanations we required for our audit; or
- > the trustees were not entitled to take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

RESPONSIBILITIES OF THE TRUSTEES FOR THE FINANCIAL STATEMENTS.

As explained more fully in the Trustees' Responsibilities Statement set out on page 4, the Trustees (who are also the directors of the charitable company for the purposes of Company Law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of the financial statements that are free from material mis-statement, whether due to fraud or error.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ST. STEPHEN'S HOUSE (GLOUCESTER ROAD) LIMITED

(continued)

In preparing the financial statements, the Trustees are responsible for assessing the Charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charitable company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material mis-statement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material mis-statement when it exists. Mis-statements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material mis-statements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Discussions were held with, and enquiries made of, management and those charged with governance with a view to identifying those laws and regulations that could be expected to have a material impact on the financial statements. During the engagement team briefing, the outcomes of these discussions and enquiries were shared with the team, as well as consideration as to where and how fraud may occur in the entity.

The following laws and regulations were identified as being of significant to the charitable company:

- > Those laws and regulations considered to have a direct effect on the financial statements including UK financial reporting standards, Company Law, Tax and pensions legislation.
- > It is considered that there are no laws and regulations for which non-compliance may be fundamental to the operating aspects of the business.

Audit procedures undertaken in response to the potential risks relating to irregularities (which include fraud and non-compliance with laws and regulations) comprised : inquiries of management and those charged with governance as to whether the charitable company complies with such laws and regulations; enquiries with the same concerning any actual or potential litigation or claims; inspection of relevant legal correspondence; review of board meeting minutes; testing the appropriateness of entries in the nominal ledger, including journal entries; reviewing transactions around the end of the reporting period, and performance of analytical procedures to identify unexpected movements in account balances which may be indicative of fraud.

No instances of material non-compliance were identified. However the likelihood of detecting irregularities, including fraud, is limited by the inherent difficulty in detecting irregularities, the effectiveness of the entity's controls, and the nature, timing and extent of the audit procedures performed. Irregularities that result from fraud might be inherently more difficult to detect than irregularities that result from error. As explained above, there is an unavoidable risk that material mis-statements may not be detected, even though the audit has been planned and performed in accordance with ISAs (UK).

(GLOUCESTER ROAD) LIMITED**

(continued)

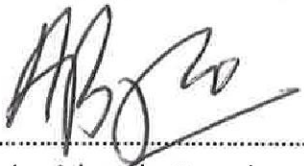

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at :<https://www.frc.org.uk/auditorresponsibilities>. This description forms part of our Auditor's report.

USE OF OUR REPORT

This report is made solely to the Charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006.

Our audit work has been undertaken so that we might state to the Charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinion we have formed.
