## Trustees' Annual Report

### Year ended 31 August 2021

---

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 August 2021.

#### Reference and administrative details

<b>Registered charity name</b>	Al Islah School
<b>Charity registration number</b>	1079528
<b>Principal office</b>	108 Audley Range Blackburn Lancashire BB1 1TF

#### The trustees

Mr M H Chotia	(Appointed 4 December 2021)
Mr G Gulam	(Appointed 4 December 2021)
Mr H Desai	(Resigned 4 December 2021)
Mr Y Sidat	(Resigned 4 December 2021)
Mr M S Karolia	

<b>Accountants</b>	Karolia Limited Chartered Certified Accountants Suite 28 Blackburn Enterprise Centre Furthergate Blackburn Lancashire BB1 3HQ
--------------------	---

#### Structure, governance and management

The trustee named under 'Charity Information' have served during the year. Appointment of trustees is governed by the Trust Deed of the charity. The Board of Trustees is authorised to appoint new trustees to fill vacancies arising through resignation or death of an existing trustee and remove existing trustees.

#### Objectives and activities

The Charitable Trust is constituted by Trust Deed, and its objects are to provide education and training to children of 11 to 16 years old (up to G.C.S.E.), following the national curriculum and implementing good educational practices within the teachings of Islam which are open to all sections of the community.

# **Al Islah School**

## **Trustees' Annual Report** *(continued)*

**Year ended 31 August 2021**

---

### **Achievements and performance**

Al Islah Girls' High School continues to provide a high-quality, comprehensive and meaningful education for all our students. We have once again achieved above national average results for gaining 5 or more GCSE's as each student has succeeded within the bounds of their abilities and all have chosen educational goals.

Our Summer 2021 results have once again been superb. All the Year 11 cohort who were entered for their GCSE's have achieved 5 GCSEs or more in all the EBacc subjects. The school was very proud to proclaim that we achieved a 100% pass rate, Grade 5 and above, for many of the subjects including Triple Science and Mathematics. This means that our Attainment 8 Score for this academic year is very high and above the national average. We hope to achieve a further set of fantastic results in this coming academic year.

The school has offered a broad and balanced curriculum, delivered by dedicated and committed teachers to students in an environment, whereby behaviour and personal development is linked to an Islamic ethos to develop the students' spiritual, moral, social and cultural aspects.

Ofsted have reported from our latest inspection that 'the leadership and management of Al Islah are firmly focused and committed. We have been graded a 'good' in this aspect and we are working towards a school which will provide an exceptional quality of education by significantly exceeding minimum requirements. Ofsted have said that 'our premises and accommodation are well maintained and the facilities are good' and we ensure parents are well informed about their child's progress with reports and parents' consultation evenings.

Strong governance, focus on meeting legal, policy and regulation requirements and with a continuous improvement approach; the governing body forms a backbone to the leadership and management of Al Islah Girls' High School. The school's SLT has recently made a huge investment towards the teaching and learning at the school. With the recent purchase of a set of laptops to use in addition with the computers in the IT suite has enabled many of our learners, especially those that come from disadvantaged backgrounds to have access to digital resources and complete their learning. As the school is continuously signing up to new, more up to date digital resources for the children, this investment is a great benefit for our learners.

The school has also heavily invested in touchscreens for each classroom throughout the school. This has proven to be highly successful in engaging the students within the lesson and has shown a vast improvement in the level of learning and progress made. Teachers are able to make their lessons much more interactive and engaging and students can also take an active role in their learning.

### **Financial review**

The budget is strictly monitored, as the main source of income has been the fees paid by parents whose children attend our school. With regards to the financial aspect of management, monthly reports are produced in order that the school remains on a firm financial footing. Monthly management accounts are reviewed by the board of trustees every month. Financially the school is viable due to good house management and this has enabled to survive on the numbers of the students that the school attracts.

### **Trustees' responsibilities statement**

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

# Al Islah School

## Trustees' Annual Report *(continued)*

### Year ended 31 August 2021

---

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved on 15 June 2022 and signed on behalf of the board of trustees by:

Mr M S Karolia  
Trustee

## **Independent Examiner's Report to the Trustees of Al Islah School**

**Year ended 31 August 2021**

---

I report to the trustees on my examination of the financial statements of Al Islah School ('the charity') for the year ended 31 August 2021.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Ahmed Adam Karolia  
Independent Examiner

# **Al Islah School**

## **Notes to the Financial Statements**

**Year ended 31 August 2021**

---

### **1. General information**

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 108 Audley Range, Blackburn, Lancashire, BB1 1TF.

### **2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### **3. Accounting policies**

#### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### **Going concern**

There are no material uncertainties about the charity's ability to continue.

#### **Disclosure exemptions**

No cash flow statement has been presented for the charity.

#### **Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### 3. Accounting policies *(continued)*

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.
