RELATE DORSET AND SOUTH WILTSHIRE

TRUSTEES REPORT

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

OBJECTIVES AND ACTIVITIES

The Objects of the Centre are:

- To educate the public concerning the institution of marriage, with particular reference to emotional, physical and sexual relationships and with a view to developing personal responsibilities and enriching family life.
- To promote research into all aspects of married life and to publish the results of all such research.
- To safeguard and protect the good health, both mental and physical, of adults and children and to prevent poverty, hardship and distress.

Relate's vision is a future in which healthy relationships form the heart of a thriving society.

Our mission is to develop and support healthy relationships by: Helping couples, families and individuals to make relationships work better; delivering inclusive, high-quality services that are relevant at every stage of life; Helping both the public and policy makers to improve their understanding of relationships and what makes them flourish.

Summary of the year

The 2020-2021 year was difficult for the Centre due to the impact of Covid-19 which forced the Centre to close for most of the year, with the resultant lack of income. This meant we were unable to provide face to face counselling or room hire. However, the Centre re-opened each time the Government allowed this with the necessary precautions in place.

At the beginning of the year no counsellors were offering their services other than face to face but within a very short space of time they were all able to offer their services via zoom and/or phone. The male perpetrator programme also continued via zoom.

Additional details of objectives and activities

The population of Dorset is primarily rural. This usually has an impact on people accessing Relates' services with the cost and availability of transport being a prohibitive factor. The use of zoom and phone this year has made counselling accessible to all.

We continue to see people coming to Relate Dorset and South Wiltshire because of money worries. We aim to make it as accessible as possible for all couples in Dorset and South Wiltshire to seek help as soon as they start having problems and we are able to allocate a proportion of our surplus to bursary funding for this purpose.

Public benefit

The charity trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance, by working to prevent harm and distress by helping couples, families and individuals to make relationships work better and to educate the general public in this regard. The charity's activities do not include any detriment to beneficiaries or convey any significant incidental private benefit to those governing the charity. The charity's beneficiaries - families in relationship crisis or experiencing difficulties - are the general public.

Volunteers

To ensure quality we use qualified and experienced practitioners to deliver our services and offer placements to trainees on Relate Training courses and to counsellors training to work with children and young people locally on recognised courses. Volunteers greatly enhance our services in reception and trustee roles. We are grateful for the knowledge, skills and experience that they willingly bring to the charity.

TRUSTEES REPORT

ACHIEVEMENT AND PERFORMANCE

The trustees have met more regularly during the pandemic in order to review the ongoing situation. They also review progress of the Business Plan via action planning. We are increasingly finding that having a wider portfolio of counselling, education and separation services enables clients to access the right service at the right time and builds confidence in the Relate brand as providing relationship help at every stage of life.

Counselling

We have been able to continue to offer counselling services throughout the pandemic via zoom and 'phone.

We collect outcome measures using PHQ9 and ENRICH standardised tools alongside a bespoke pre and post counselling questionnaire.

Children and Young People (CYP)

In 2020-21, in partnership with Mid Wilts Relate, we continued to deliver sessions to children and young people in Salisbury and wider Wiltshire schools, when we were able to and delivered private CYP counselling. We also continued our work with CAMHS in Dorset and offered counselling sessions to young people outside of school. We continue to seek funding to enable us to deliver important prevention and early intervention work with children and young people enabling better social and emotional skills, communication, the ability to manage their own behaviour and mental health, giving a stronger foundation for learning at school, an easier transition into adulthood, better job prospects, healthier relationships and improved mental and physical health.

Families

We have continued to engage with Dorset Families Matter (Dorset's response to the national 'Troubled Families' agenda) to provide access for eligible families to core and bespoke services.

Separation services

Supervised Contact

We have been unable to offer this service during the pandemic but have a waiting list which we hope to service next year.

Room hire and conferences

RDSW offer a welcoming, professional service to local businesses and members of the local community. Users appreciate the tranquillity of the building and the convenience offered by the location in Poundbury. In 2020-21 there were very few bookings due to the pandemic but bookings have been taken for next year.

Co-location

Redlands Counselling Training although unable to use our facilities for their counselling training courses this year due to the pandemic have booked rooms for next year. Action for Children have unfortunately stopped renting rooms from us due to Covid-19 but the organisation that delivers PIP benefit assessments has continued to pay the rent for their room throughout the pandemic despite not being able to use it.

TRUSTEES REPORT

FINANCIAL REVIEW

RDSW annual expenditure was £295,760 the greater part allocated to staff costs. Annual income was £237,082 leaving a net loss of £58,678.

The Trustees designate that reserves should cover 4 months running costs (approximately £138,000). We continue to monitor the level of our unrestricted reserves regularly. Unrestricted funds amount to £564,027 of which £311,114 is the freehold property value.

The unrestricted income derived has decreased due to the pandemic.

Over recent years there have been changes in the profile of the funding we receive. Activities are funded as specific projects and contracts, rather than out of Local Authority grants. The administration is significantly more complex, and the cost of securing this type of funding increases our overhead costs. We hold contracts with the Child and Adolescent Mental Health Service (CAMHS) to provide some counselling for young people and work in partnership with Relate Mid Wilts to deliver children and young people's counselling in schools in South Wiltshire under a County Council contract.

We aim to provide access to services to all, regardless of their financial status. Support from The Royal British Legion, Dorchester Joint Markets, Awards for All and other local funders has been valuable in attaining this aim. We are grateful to a number of local trusts who support us with regular donations. We have a fundraising plan and approach local and national funders to replenish our bursary fund.

Our solar panel installation continues to generate an income alongside sustainable electricity. We also hire out rooms at our premises in Poundbury to the private sector, the statutory sector and to other voluntary and community groups.

Our next year's budget shows a small loss due to the continuing effects of Covid-19.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Relate Dorset and South Wiltshire (RDSW) is a registered charity and company limited by guarantee governed by a memorandum of association dated 5 March 1998. Trustee Directors are elected at the AGM and appointed by the members. Our work is conducted within the requirements of our Constitution and Articles of Association. The board of Trustees oversee the operational and strategic direction of the organisation. Prospective trustees are invited to attend trustee meetings in a co-opted capacity to gain an understanding of the organisation and then taken through an induction process carried out by the Chair. All trustees are invited to attend training alongside staff and practitioners.

Relationships with any related parties

RDSW is a member of the Relate Federation and as such benefits from the centrally produced policies, procedures and expertise of a large nationally recognised body. Whilst Relate National have offered the opportunity to all Relate Centres to merge with the national charity the trustees have decided that at present it best serves local people and the charitable objectives to remain an independent member of the federation, along with 30 or so other Centres across the country. The Relate Federation supports us with the provision of training, clinical standards, advice and peer support. National contracts enable RDSW to offer free at the point of access services to specific groups eg the Royal Navy and Royal Marines.

RDSW is a director organisation of Continuum, a consortium of Dorset charities providing services to 0-25 year olds and their families.

Risk management

The trustees hold a risk register and review risk regularly.

RELATE DORSET AND SOUTH WILTSHIRE

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF RELATE DORSET AND SOUTH WILTSHIRE

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2021 which are set out on pages 6 to 18.

Respective responsibilities of trustees and examiner

As the charity's trustees of Relate Dorset and South Wiltshire (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Relate Dorset and South Wiltshire are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Relate Dorset and South Wiltshire as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and the Companies Act 2006.

Basis of preparation

Relate Dorset and South Wiltshire meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity has not included a cash flow statement in these financial statements in accordance with Bulletin 1 published on 2 February 2016.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

RELATE DORSET AND SOUTH WILTSHIRE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £200 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Freehold property	Not depreciated
Improvements to freehold property	25% reducing balance basis
Fixtures, fittings and equipment	25% reducing balance basis
Solar panels	20% straight line basis

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

RELATE DORSET AND SOUTH WILTSHIRE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
