THE SHERLING CHARITABLE TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the accounts and comply with the charity's trust deed, Charities Act 2011 and the Charities SORP (FRS102) - Statement of Recommended Practice: Accounting and Reporting by Charities (2019).

CONSTITUTION AND OBJECTS

The trust is constituted under a trust deed dated 15 December 1999 and is a registered charity, number 1079651.

The trust may pay or apply its income and capital to any legally charitable institution, body or fund or for such legally charitable purpose as the trustees shall, from time to time, in their absolute discretion, determine. The trustees have decided to support various health, arts and community charities, but will consider other areas of particular interest to them.

ORGANISATION

The trustees who served during the year and since then are set out on page 1. The trustees meet as needed but no less than four times a year.

The trust deed provides that there should be a minimum of three trustees and no more than seven. However, as there are no plans to introduce additional trustees, the charity has no formal policies regarding induction and training for new trustees.

GRANT MAKING POLICY

Applications for grants from other charitable entities, institutions or bodies are assessed and approved by the trustees against their areas of interest.

PUBLIC BENEFIT

The charity trustees have complied with the duty in Section 17(5) of the Charities Act 2011 to have due regard to guidance published by the Charity Commission on public benefit.

FINANCIAL REVIEW

The charity does not carry out significant fundraising activities and is funded by donations from trustees and investment returns.

During the year, the charity received donations of £2,290,000 (2021: £142,764) and net investment income of £118,741 (2021: £87,751), making total income of £2,408,741 (2021: £230,515). The charity made grants totalling £407,500 (2021: £234,000).

The Rathbone's portfolio generated the expected income. The portfolio performed well during the year and showed an unrealised gain of £203,377.

The investment in structured equity products with HSBC Private Bank has produced the expected income. The notes that matured during the year were all redeemed at par. The notes acquired during the year show an unrealised loss of £110,725 on a mark-to market basis, approximately 5% of their par value.

There is no need for a reserves policy as the trust has no contractual commitments and reserves carried forward are invested to provide future income.

The trustees have invested the monies with a view to the trust moving to self sufficiency over the medium term.

RISK MANAGEMENT

The main risk affecting the charity is the loss of value of the investments. The trustees review the investment management strategy regularly to minimise this risk.

THE SHERLING CHARITABLE TRUST

REPORT OF THE TRUSTEES (continued)

AUDITORS

As a result of the substantial increase in assets and donations, the trustees have appointed Nunn Hayward LLP as auditors to the charity. The trustees thank Trevor Day for the many years during which he served as independent reviewer of the accounts.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Trustees Report and Financial Statements in accordance with applicable laws and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity's financial activities during the year and of its financial position at the year end. In preparing these financial statements, the trustees are required to:

- Observe the methods and principles in the Charities SORP;
- Select suitable accounting policies and then apply them consistently;
- Make judgements and accounting estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT OF DISCLOSURE TO AUDITORS

So far as each person who was a trustee at the date of approving this report is aware, there is no relevant audit information of which the auditor of the charity is unaware. Additionally, the trustees individually have taken all the necessary steps that they ought to have taken as trustees in order to make themselves aware of all relevant audit information and to establish that the auditor of the charity is aware of that information.

GOING CONCERN

The trustees have considered the continuing effect of the Covid-19 pandemic and the general state of the stock market on the charity's activities and they believe that it is unlikely to cause significant disruption to the charity's ability to pay grants as it has sufficient liquid assets available. The trustees believe the charity has sufficient assets to enable it to continue as a going concern for a period of at least twelve months from the date of approval of these financial statements. Thus they continue to adopt the going concern basis of accounting in preparing these financial statements.

Approved by the board of trustees on 8 July 2022 and signed on its behalf by:

C R Sherling
Chairman

THE SHERLING CHARITABLE TRUST

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SHERLING CHARITABLE TRUST

OPINION

We have audited the financial statements of The Sherling Charitable Trust for the year ended 31 March 2022 which comprise the statement of financial activities, balance sheet, cash flow statement and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of the charity's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSION RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you, if in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

COMPARATIVES

In the previous accounting period the trustees were not required to obtain an audit of the financial statements and, therefore, the prior year was not subject to an audit.

RESPONSIBILITIES OF THE TRUSTEES

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

THE EXTENT THE AUDIT WAS CONSIDERED CAPABLE OF DETECTING IRREGULARITIES, INCLUDING FRAUD

The objectives of our audit in respect of fraud are to; identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses; and to respond appropriately to fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rest with the trustees.

OUR APPROACH WAS AS FOLLOWS:

- We obtained an understanding of the legal and regulatory framework that are applicable to the charity and determined that the most significant are the trust deed dated 15 December 1999 and those that relate to the reporting framework; Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS 102)), Charities Act 2011, United Kingdom Generally Accepted Practice as it applies from 1 January 2019 and EU General Data Protection Regulations (GDPR) as adopted by the UK.
- We understood how the charity was complying with the trust deed and those frameworks by making enquiries of the trustees.
- Based on our understanding of the charity, we designed our audit procedures to identify non-compliance with the trust deed and laws and regulations including making enquires of the trustees; testing journal entries, with a focus on manual, large or unusual transactions.
- We assessed the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur, by making enquiries of the trustees.
- We considered the controls established to address the risks identified, to prevent, deter or detect fraud, and how trustees monitor those controls.

THE SHERLING CHARITABLE TRUST

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THE SHERLING CHARITABLE TRUST

(continued)

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

USE OF OUR REPORT

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Nunn Hayward LLP

Chartered Accountants and Statutory Auditors
2-4 Packhorse Road
Gerrards Cross

Dated: 11 July 2022

Nunn Hayward LLP is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

1 STATUTORY INFORMATION

The Sherling Charitable Trust is a registered charity (number 1079651) constituted under deed of trust, domiciled in the UK and is a public benefit entity. The principal office is Lincoln House, Woodside Hill, Chalfont St Peter, Buckinghamshire, SL9 9TF.

The accounts are presented in £ Sterling and rounded to the nearest £1.

2 STATEMENT OF ACCOUNTING POLICIES

The accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

2.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS 102)), Charities Act 2011 and United Kingdom Generally Accepted Practice as it applies from 1 January 2019.

The Sherling Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

These financial statements are prepared in accordance with applicable charity law.

2.2 Income

All incoming resources are recognised once the charity has entitlement to the resources, it is certain that the resource will be received and the monetary value can be measured with sufficient reliability.

Donations and any related gift aid are recognised when receivable.

2.3 Expenditure

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis.

Portfolio management costs represents the charges made by the investment managers.

Charitable activities are grants made to third parties in the furtherance of the charitable objectives of the trust.

Governance costs comprise expenditure incurred for constitutional and statutory requirements and are included within expenditure on charitable activities.

2.4 Fixed and current asset investments

Marketable investment assets are included in the financial statements at their values, either at closing market prices (listed investments) or from valuations provided by the investment manager.

2.5 Funds

The charity's funds are for the charity's general purpose without restriction.

THE SHERLING CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022
(continued)

2.6 Taxation

The trust is a registered charity and, therefore, is not liable for income tax or corporation tax on income derived from its charitable activities, as it falls within the various exemptions available to registered charities if applied for charitable purposes.

2.7 Financial instruments

The charity only has financial assets and liabilities of a kind that qualifies as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised costs using the effective interest method. Financial assets held at amortised cost comprise cash at bank and other debtors. Financial liabilities held at amortised cost comprise other creditors.

Investments, including equity linked notes held as part of an investment portfolio, are held at fair value at the balance sheet date, with gains and losses being recognised within income and expenditure.

2.8 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, current and deposit accounts held at the bank.

Cash and cash equivalents held by investment managers are included within investments.

2.9 Judgements and estimation

Preparation of the financial statements requires management to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects the current and future periods. There were no key sources of estimation uncertainty in the year.

2.10 Going concern

The trustees have considered the continuing effect of the Covid-19 pandemic and the general state of the stock market on the charity's activities and they believe that it is unlikely to cause significant disruption to the charity's ability to pay grants as it has sufficient liquid assets available. The trustees believe the charity has sufficient assets to enable it to continue as a going concern for a period of at least twelve months from the date of approval of these financial statements.
