We offer a relaxed and safe environment for people to gain confidence and independence providing the opportunity for choice, creativity and responsibility. We offer basic skills and promote healthy living and enable people to overcome social exclusion. In undertaking this work the Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

- ☐ Promote social, leisure and learning opportunities;
- ☐ Encourage people to pursue the social and leisure interests not only within the centre but within the wider community;
- ☐ Enable people to take responsibilities both within the Centre and the wider community if they so desire and as is appropriate;

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

All our clients and some new clients have returned to the Centre this year after the roll out of the vaccine programme. We have:

Provided 208 Day Service sessions throughout the year.

During these Day sessions we have helped our clients to gain new skills and helped to maintain skills already possessed. Some of these have been gaining valuable cooking skills, help with money skills, and working on communication skills. This has enabled our clients to gain, confidence, self-esteem and to maintain or develop independence.

Our social club has run 104 sessions of and evening, providing clients the opportunity to develop social skills and friendships.

We offered 40 Children's Service Sessions, these were holiday sessions and Saturday sessions, working in partnership with Barnardo's to deliver this service.

We continue to be involved with and part of county wide forums, to establish and encourage partnerships and good practise with other organisations in the voluntary sector. This allows us to gain access to good quality training and development for our staff.

We are proud to have weathered the Pandemic crisis and have been able to continue to provide services to our clients. We have worked hard to ensure the safe and consistent delivery of services.
