## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The object of the charity is to bring about improvements in the quality of life of persons in and around Salisbury recovering from, or in treatment for, mental illness, or physical disabilities or learning disabilities and any other person with special needs of this nature.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The charity offers activities that encourage and build a range of opportunities for individuals with disabilities. We offer a relaxed and safe environment for people of all ages to gain confidence and independence providing the opportunity for choice, creativity and responsibility. We offer basic skills and promote healthy living and enable people to overcome social isolation and exclusion. In undertaking this work the Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

- Promote social, leisure and learning opportunities, in a relaxed and friendly environment.
- Encourage people to pursue the social and leisure interests not only within the Day Centre but within the wider community; this is done by collaborating with services within the community, such as Arts organisations, local Theatre, library and museums, as well as others.
- Enable people to take responsibility both within the Centre and wider community if they so desire and as is appropriate, offering the right environment needed in order to lead a more independent life.
- Provide such support and counselling as is necessary to enable people to overcome social exclusion. Staff work at all times in a person-centred way to ensure all clients needs are met and allowing them a voice.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We have had 32 volunteers over the year, which is an increase from the last year. We have excellent links with the local schools and colleges who send volunteers to us, often young people doing their DOE or those looking for voluntary work to enhance their applications to university.

All the volunteers bring unique skills with them, as well as energy and enthusiasm. They are a valued part of our team and often allow for more of a peer role model dynamic with clients. Volunteers support our clients to pursue their chosen activities, encouraging them to engage. All our volunteers are supported by the staff so they can get the most from their experience.

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

We have provided 208 Day Service sessions throughout the year. These are called our Blue Skies sessions. We have helped our clients gain new skills and helped to maintain the skills already present. This has helped our clients with their self-esteem and independence.

We have provided 104 evening sessions, providing the opportunity to develop social skills and friendships. In addition to these we have also had 12 satellite sessions at places such as the Theatre and day Trips. Some of our highlights have been active sessions run with partners District Sport, to deliver an idiosyncratic approach to fitness. Other health and safety initiatives run with local partners have included oral health workshops and road and digitally safety with the Police. These help us to achieve some of our goals relating to prevent as well as encouraging independence.

We worked in partnership with Barnardo's to deliver our short breaks for children aged between 6-18 years old with additional needs. There were 40 sessions throughout the year, either Saturdays during term time or during school holidays. We were able to provide valuable respite for 18 families. We shared training with Barnardo's staff and valuable resources.

We have continued to expand our local network, building the charities position within the sector and allowing us to have more impact on the community.

### Independent Examiner's Report

Report to the trustees

Elizabeth House Social Centre

On accounts for the year  
ended

31<sup>st</sup> March 2025

Charity no  
(if any)

1079881

Set out on pages

1-2

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2024.

Responsibilities and  
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent  
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
