OCEAN YOUTH TRUST NORTH

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 OCTOBER 2022

The trustees of Ocean Youth Trust North (the Charitable Company) present their report and accounts for the year ended 31 October 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charitable Company's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The Charitable Company takes young people away from their everyday routine and inspires them to make positive changes to their lives through 'Adventure under Sail'. It uses the traditional practices of seafaring as a tool for personal and social development. Young people thrive in the on-board environment where the familiar routine and close living means they develop trusting relationships with those around them and every aspect of a voyage promotes personal growth that they can take forward to their futures.

The Charitable Company is British based and focused principally on the East and West coasts of Northern England. It works in partnership with a wide variety of youth and educational organisations and is the sole regional provider of challenging, residential sailing expeditions which young people of all abilities and backgrounds can access locally.

The Charitable Company endeavours to achieve its objects, through the operation of the sailing vessel "James Cook" chartering other suitable vessels as appropriate. The vessel is manned by professionally qualified staff, assisted by experienced volunteers who receive appropriate training. A comprehensive Safety Management System, including child protection policies and procedures, is in place and is reviewed annually.

The Charitable Company is a Royal Yachting Association (RYA) Approved Sea School, a member of the Association of Sail Training Organisations (ASTO) and an approved activity provider for the Duke of Edinburgh Award.

While the focus is on those young people who are deprived or disadvantaged, participation is open to all young people, regardless of background, gender, ethnicity, or creed. Every effort is made to encourage and accommodate disabled access within the physical limits imposed by the vessel.

The Charitable Company does not receive statutory funding. Mainly relying on grants and donations, its work is partly self-funding through voyage fees which are kept as low as possible to allow a wide range of young people to be included.

Public benefit

In considering the operation, achievements and performance and finances of the Charitable Company, the trustees are satisfied that public benefit has been provided in accordance with the Charities Act 2011 and guidance provided by the Charity Commission.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charitable Company should undertake.

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 OCTOBER 2022

Achievements and performance

The charity returned to service after a 2-year absence due to the Covid 19 pandemic. The Trustees are grateful for the loyalty and backing of our staff, clients, funders, volunteers, friends, and other supporters during what was a very difficult period.

Overall, this year, berth numbers were reduced due to a late start to the sailing season and the cautious approach taken to our return to sailing. However, there remains a strong demand for places. Several voyages were carried over from the 2020 season where deposits had been retained. Clients included groups of Looked after Children and those Leaving Care, Young Carers, young people with Hearing and Visual Impairment and those with special needs. 46% of participants came from areas within the top 30% of the Index of Multiple Deprivation (IMD 1-3).

The charity gratefully received awards from the High Sheriffs of Tyne & Wear and Northumberland, in recognition of its work supporting young people across the regions, and a Rank Foundation Golden Award celebrating 50 years of giving by the foundation, after the death of Lord Rank in 1972. The award benefited a group of young people from Hull, who sailed from the port, and enabled the charity to build on the strong connections it has had with the city in the past.

The charity operated with the invaluable assistance of 50 active volunteers and received 21 new volunteer applications during the period.

Grants and Donations

During the year the Charitable Company was very fortunate to have received generous support from most of its historic funders and some new, which has put it in a position where it will be able to carry on its activities into 2023 and beyond. The trustees are grateful to those who have supported our work for their uncompromising financial confidence.

The Equal Chance Appeal subsidises berths for young people who otherwise would not be able to afford to participate. To keep berth fees in general as low as possible the Charitable Company seeks grants and donations towards the operational costs of running voyages. The trustees gratefully acknowledge the support of all the sponsors and the contribution they make towards helping the Charitable Company achieve its Charitable Objects.

While the Charitable Company aims to benefit groups of young people of all abilities and backgrounds, from schools, colleges, youth clubs and local authorities, its charitable purpose favours groups working with deprived and disadvantaged young people. These young people, by their nature, benefit from the Charitable Company's services most but are the least able to pay, thus putting an increasing strain on the Charitable Company's finances.

Support is also sought for capital expenditure relating to maritime operations and general operating costs.

It is the Charitable Company's policy not to name individual donors in the annual report and accounts unless specifically requested to do so. The trustees herewith recognise and are grateful for all the support given to the Charitable Company to help it fulfil its charitable objects.

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 OCTOBER 2022

Financial review

The Board is continually working for the maintenance of a sound financial position. Financial controls are in place asking for prompt detailed monthly accounts. Marketing and fundraising strategies are implemented, and the vessel "James Cook" is considered fit for purpose. Annual and five yearly certification inspections are undertaken.

Maintenance of our main asset, the yacht James Cook, continues to be a significant cost. The mid-life refit programme continues with work being undertaken at Fox's Boatyard. The aim of the programme being to meet current standards of safety and crew welfare and to extend the life of the vessel for a further 20 years. The work is partly funded by donations with the balance being met from reserves.

Restoring James Cook to active service following the Covid lay-off has necessitated considerable expenditure, well above normal annual outlay. The generous support of our sponsors and judicious use of reserves has made this work possible. The Charitable Company surplus for the period was £31,023 (2021: £24,272 surplus) which has led to an increase in the unrestricted fund balance.

Risk Review

The trustees actively review, on a regular basis, the major risks faced by the Charitable Company, both "financial and operational" and procedures are established or updated to mitigate any potential consequences.

The Charitable Company holds comprehensive insurance cover and Safety Management is discussed at each trustees meeting.

Funds policy

Restricted funds:

The balance on the restricted funds for 2022 is £156,201 (2021: £129,263). The restricted fund was set up for the purchase of the sailing vessel "James Cook" for use by the Charitable Company in fulfilling its primary objectives.

Unrestricted funds:

The balance on the unrestricted funds for 2021 is £108,168 (2021: £104,083).

These are used for the day to day running costs of the Charitable Company. The Board aims to build a reserve equivalent to the values of James Cook and Lene Sono plus one year's running costs of approximately £200,000.

The Board endeavours to meet approximately four times each year with other meetings held to address matters arising. Several new trustees joined the Board in 2022, and each has made a significant and valuable contribution to the work of the Charitable company.

The Board of Directors, who also meet approximately four times a year, are responsible for overseeing the implementation of the policies set by the trustees.

The members of the Board have experience of management in a range of disciplines and businesses and are committed to the requirements of effective governance and responsibilities for a charity especially toward the young people who benefit from the Charitable Company's activities. New appointments were made to the Board with two retiring trustees remaining as patrons.

No trustee has any beneficial interest in the Charitable Company. All Trustees are members of the Charitable Company and agree to contribute £1 in the event of a winding up.

OCEAN YOUTH TRUST NORTH

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 OCTOBER 2022

1 Accounting policies

Charity information

Ocean Youth Trust North is a private company limited by guarantee incorporated in England and Wales. The registered office is Greaves West & Ayre, 17 Walkergate, Berwick upon Tweed, Northumberland, TD15 1DJ.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charitable Company's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charitable Company is a Public Benefit Entity as defined by FRS 102.

The Charitable Company has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Charitable Company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Charitable Company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the Charitable Company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charitable Company has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

OCEAN YOUTH TRUST NORTH

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 OCTOBER 2022

1 Accounting policies

(Continued)

1.5 Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise those costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprise those costs incurred by the Charitable Company in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs are those costs incurred directly in support of expenditure on the objects of the Charitable Company and include project management.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Tangible fixed assets are stated at cost less depreciation where the purchase price exceeds £200. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

James Cook	Nil
Lene Sono	5% Straight Line
Equipment	25% Straight Line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Charitable Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The Charitable Company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charitable Company's balance sheet when the Charitable Company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

OCEAN YOUTH TRUST NORTH

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 OCTOBER 2022

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charitable Company's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charitable Company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

2 Critical accounting estimates and judgements

In the application of the Charitable Company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
