TRUSTEES' REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2023

Trustees

The following trustees have served throughout the accounting period, there is one new trustees and no trustee has resigned.

Janice Bell
Tom Taylor
Jackie Taylor

Doug and Janice Bell are employed by the trust as agreed in the trust deed. Tom & Jackie Taylor and Alastair Greenshields give their time freely and none of the trustees have claimed expenses from the charity during the period concerned.

The everyday running of the charity has continued to be implemented by Doug & Janice Bell in agreement with the Trustees. They keep the Trustees updated on a regular basis and discuss any matters of variation with them.

The Trustees see each other most days during the week and Doug and Janice share with them what is going on, on a continual basis.

Church Activities

Church Services every Sunday. Morning and evening.

Livestreaming services every Sunday.

Weekly meetings, including Friendship Lunch, Fellowship Group, Ladies Lunch, Men's Breakfast, Outreach group, Children's after school club, Babies & Toddlers group.

We have provided a warm room throughout the winter months, Wednesday to Saturday 10am-4pm. Which has been used by people from the community.

Foodbank continues to meet the need of those needing food parcels—this is an increasing work due to the demand for emergency help being needed. The food is donated through, churches, schools, supermarkets and individual donations.

Christmas Day - the church provided lunch for 70 people in the church building and 35 meals delivered to homes.

The Loft Family Entertainment Centre provides a place for families to meet and enjoy activities together.

The café is now open four days a week and we support local agencies in providing free meals as well as through the Foodbank.

We are still supporting the work of churches in Tanzania through the donations we send and the Education Centre we have built in Dar es Salaam is being used on a regular basis by the church there.

Finances

The funds for the work of the church come in through tithes, offerings and gifts and they are either given each week during the Sunday Service or through our on line giving Pay Pal button on the website.

We received a grant from the Welsh Government to change the building from a supermarket into a place of worship and a place which could be used for various activities. This money was match funded by the church.

We have now completed the grant requirements and the main part of the building is open for the church use and for visitors. We continue the work we do on a faith basis, where we trust God for our provision. However, we do keep in reserve the tax that is due from the Inland Revenue that we are entitled to claim against Covenanted gifts.

Financial review

Total incoming resources for the period were £262,784 (2022: £287,574). Total resources expended were £277,384 (2022: £155,730). A full review of the financial position of the charity can be found on the attached financial statements.

Reserves policy

As at the balance sheet date of 31 December 2023 the charity had free reserves (unrestricted funds) of £587,124 (2022 £601,723) and restricted reserves of 30,000 (2022 £30,000).

FOR THE YEAR ENDED 31ST DECEMBER 2023

Risk Management

The trustees look to identify any risks to which the charity is exposed and to ensure appropriate controls are in place for reasonable assurance against fraud and error.

The Trustees do not perceive any major risks to the charity at this time.

Future Plans

The building is now in full operation and we are looking continually for ways in which to support our community by offering many activities and opportunities for volunteering, through the Foodbank, the kitchen, or the groups that meet.

Public Benefit

Trustees have paid due regard to the Charity Commission Guidance on 'Public Benefit' in deciding what activities the charity undertakes. All activities undertaken by New Life Cardigan Trust are focussed on our charitable purposes.

Going Concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resource to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

Trustees' Responsibilities

The Charities Act 2022 requires the trustees to prepare financial statements for each financial year which presents a true and fair view of the state of affairs of the Charity and of the surplus of the Charity for that period. In preparing those financial statements the trustees are required to:

- i) Select suitable accounting policies and apply them consistently
- ii) Make judgements and estimates that are reasonable and prudent

NEW LIFE CARDIGAN TRUST
INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS
FOR THE YEAR ENDED 31ST DECEMBER 2023

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2023 which are set out on pages 7 to 18.

Respective responsibilities of trustees and examiner

As the charity's trustees of New Life Church Cardigan Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2022 ('the Act').

I report in respect of my examination of New Life Church Cardigan Trust's accounts carried out under section 145 of the 2022 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since New Life Church Cardigan Trust's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2022 Act. I confirm that I am qualified to undertake the examination because I am a member of the Chartered Institute of Management Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of New Life Church Cardigan Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NEW LIFE CARDIGAN TRUST
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31ST DECEMBER 2023

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

Basis of preparation:

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2022.

The Charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Cash Flow Statement

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Recognition of Incoming Resources

These are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming Resources with Related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SOFA.

Grants and Donations

Grants and donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax Reclaims on Donations and Gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the tax reclaim is received.

Contractual Income and Performance Related Grants

This is only included in the SOFA once the related goods or services has been delivered.

Gifts in Kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SOFA as income receivable.

Volunteer Help

The value of any voluntary help received is not included in the accounts and is described in the Trustees' Report.

Donated Services and Facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

NEW LIFE CARDIGAN TRUST

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER 2023

1. ACCOUNTING POLICIES (continued)

Expenditure and Liabilities

Liability Recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance Costs

Include costs of the preparation and examination of statutory accounts, the costs of the trustees meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with Performance Conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specified service or output.

Grants Payable without Performance Conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the charity.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Fixed Assets

Fixed Assets are capitalised if they can be used for more than one year and cost at least £1,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation Expense

Depreciation is calculated at a rate to write off the cost of tangible fixed assets over their estimated useful lives. The rates applied are as follows:

Equipment	25%
-----------	-----

No depreciation is charged to freehold property as the property is maintained to such a standard that the estimated residual value is not less than cost.

There has been no change to the accounting policies (Variation rules and methods of accounting) since last year.

NEW LIFE CARDIGAN TRUST

NOTES TO THE ACCOUNTS (continued) FOR THE YEAR ENDED 31ST DECEMBER 2023

13. RISK ASSESSMENT

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

14. RESERVES POLICY

The Trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The Trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The trustees will endeavour not to set aside funds unnecessarily.

15. PUBLIC BENEFIT

The Charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the charity has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

16. ADJUSTMENT TO THE ACCOUNTS
