Structure, governance and management

The governing document of the Cwm Community Action Group is the Articles of Association dated 27/4/99. Copies of this document, as well as copies of the minutes of our meetings, can be provided on request.

Cwm Community Action Group is managed by the Board of Trustees which is also the Board of Directors of the Company Limited by Guarantee. At present, there are currently 8 Trustees.

Having completed his 3-year term, Steve Newby will stand down at the AGM. Eluned McFadden and Wil (Gerwyn) Edwards will also stand for election at this AGM, following their period as co-opted trustees from January 2021. Nomination forms are available to anyone wishing to be considered as Trustee, including those at the end of their term who wish to stand again, and details of the election were included within the Notice of AGM issued in the Cwm News, and by email. The Trustees meet every month, except August, and occasionally at other times as necessary, and are open to anyone to attend as an observer. For details of the meetings, please contact the Secretary, Mary Twomey.

We are very pleased that Peggy Driscoll has offered to be the Independent Examiner of our accounts, when necessary, prior to their submission to the Charity Commission and Companies House. Having previously been a Senior Tax Inspector with HMRC for many years, Peggy is very well placed to fulfil this role.

Finances and Risk Management

The Treasurer reports monthly on the state of the finances to enable us to ensure our financial sustainability, and we continue to seek grant funding wherever necessary, for example for the renewal of the roof in 2020. As a result of careful financial management, we have reserves of over 6 months' running costs in our unrestricted funds, and in April 2020 these reserves were boosted considerably by the very generous legacy we received from Florence Rogers. This was very timely given the impact of the Covid 19 pandemic on our income. In drawing up plans for the management of the legacy, the Trustees sought advice from CVSC and the Charity Commission.

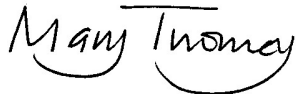

Responsibilities of the Board of Trustees

The Board is required to prepare financial statements for each financial year in accordance with the Charities Act 2016 which came into full force in April 2017. We will continue to review our accounting and associated practices to ensure that we comply with current requirements.

As a registered company, we are also required to meet the provisions of the Companies Act 2006, applicable to small companies.

We are fortunate to be able to call on the advice and assistance of Community and Voluntary Support Conwy, who also organise training events which we attend regularly.

Annual General Meeting 2021

1. WELCOME

Welcome to the 2021 AGM and annual report. We were unable to hold a face-to-face AGM last year due to the lockdown but this year the Charities Commission require us to hold a physical meeting under social distancing rules.

Our charity is known as the Cwm Community Action Group (CCAG) and its main aim is to maintain the Shiloh as a community centre for the benefit of the residents of Cwm Penmachno and also for visitors to the village. CCAG relies on its local volunteers, trustees and friends to ensure the Shiloh is maintained and used inclusively by those who wish to do so.

My personal thanks go to all those involved with the limited number of events held this year, with publishing and contributing to our community publications, the Cwm News and the Cwm Calendar, and to those involved with the photographic competition.

The Covid pandemic has had an enormous and ongoing impact on our activities, with things tentatively returning to normal as I write this. Activities came more or less to a halt following the March 2020 lockdown and we are only now beginning to organise indoor events under social distancing rules. I would like to thank all those part time residents of Cwm who reluctantly stayed away during the lockdown periods – the permanent residents were given great peace of mind to know that the virus was not being brought in to Cwm by visitors.

The impact of the lockdown on our finances was thankfully mitigated by the generous legacy left to CCAG by Florence Rogers. We will be using these funds in a number of ways, as explained at the meetings held in September. There will be an opportunity for all in the community to put forward ideas on how to use these funds for the benefit of all.

Our Trustee meetings have been held on the first Thursday of every month, by Skype during the lockdowns and now by a combination of Skype and physical meetings. On that note we welcome new input from all, either at a trustee meeting or informally by contacting the trustees.

George Lee has stepped down as a trustee and chair of CCAG as he has moved away from Cwm. Linda Lee also served as a trustee for many years and we thank them both for their hard work and dedication over the years. We welcome Mariette Lawrance as a new trustee this year. Eluned McFadden and Gerwyn Edwards were co-opted as Trustees in January 2021 and will stand for election at this year's AGM.

3. Treasurer's Report for financial year 2020-21

The financial year 2020/2021 was a year of mixed fortunes. In March 2020 Covid restrictions were introduced, meaning we had to cancel all events and fundraising activities at the Shiloh. This immediately cut off our main source of income. Then in April 2020 CCAG received a legacy of £141,883 from Florence Rogers, a former resident of Cwm Penmachno. It couldn't have come at a better time! It was certainly an interesting start to my first full year as treasurer.

Unrestricted Income

We began 2020 in a healthy financial position, carrying over £7729 in unrestricted funds from the previous year. In a normal year with regular fundraising activities this would be more than sufficient to meet our reserves policy of 6 months forecast expenditure and to keep the Shiloh running smoothly. With limited opportunities for fundraising due to coronavirus restrictions the trustees very quickly agreed to use £4883 from the legacy to offset our projected shortfall in income. The Friends of Cwm scheme continued to provide a steady income throughout the year of £1387, and we received a number of individual donations amounting to £169. Thanks to all our donors and FoC for their continued support. Our remaining income for this year came from calendar sales which totalled £374, some hall hire, and from claiming gift aid.

Unrestricted Expenditure

Insurance (building, contents, public liability) costs of £1127 and oil and electricity costs of £872 were as usual our largest outgoings. Services amounted to £254 and included PAT testing and fire protection checks. We continued to provide the Cwm News free of charge to all residents and FoC. The cost for publishing the Cwm News came to £580. We also spent £410 on Shiloh stock, mainly hand sanitizer, masks, gloves and other coronavirus related items in preparation for when the Shiloh could re-open. Wi-Fi costs amounted to £273.

In summary: our total income was £9555 and our expenditure was £5609. Without the money used from the legacy our income would have been £4672, giving us a shortfall of £937. This is significant given our usual margin is about £200 income over expenditure.

We carried forward £11675 into the current financial year. With restrictions still in place in April 2021 and no indication then of when we might be able to resume our fundraising activities, we considered this a very fortunate position to be in.

Restricted Funds

In April 2020 we received a grant of £10,000 from the Welsh Government which was the final piece of fundraising necessary for the replacement of the Shiloh roof to go ahead. Fundraising for the roof totalled £30,644 from a mixture of grants, fundraising activities and individual donations. A great effort - thanks to everyone involved. The re-roofing work took place over the summer of 2020 at a cost of £25,191. This also included the replacement of the internal emergency lights. We have £5452 left in the 'roof' fund which has been earmarked for future spending on repointing the building.

There has been no activity with any other restricted funds this year

The Legacy

Over the summer of 2020 a group of trustees worked on plans for the legacy. Our first priority was to ensure the money was safe which means it has been split between two accounts giving full FSCS protection, and it is earning a small amount of interest.

Our first Caffi Sadwrn for eighteen month was held in September 2021 at which the trustees were finally able to share their plans for the legacy. A summary of the presentation was also included in the Autumn Cwm News. Our first legacy project has been to introduce a new electronic door access system at the Shiloh at a cost of £1083. This allows for all members of CCAG to use the Shiloh when it's available at no cost. We have also removed hall hire charges for all members of CCAG.

We are now looking forward to putting the rest of the legacy to good use in line with the steps outlined in our plans.

Jackie Milsom

4. Events Report

All the events planned for 2020-21 were cancelled as a result of the Covid lockdowns. At the time of the 2021 AGM we are just re-starting events and have plans for a Winter Fair and Winter Ball, as well as our more regular Caffi Sadwrn. We're very grateful to Linda Lee for her input to organisation of events until her departure from Cwm in January 2021 – if anyone would like to join the small events team, please get in touch!

5. Publishing Report

The Cwm News continues to be produced quarterly by a team of people, and remains free to all residents. We are continuing to move towards a more bi-lingual approach to the Cwm News, and welcome contributions in Cymraeg or English or both. Our two Mailchimp accounts continue to be efficient ways of sharing information about events and local developments.

Thanks again this year to Andy Walsh and Cliff Howard for their efforts in organising the photo competition and to Jackie Milsom for leading on calendar sales, which were very successful in 2020.

6. Buildings Report.

The Shiloh roof was renewed during the summer of 2020 – many thanks to Alan, George and Indrek for working through every kind of weather it's possible to experience! Wil Edwards has taken over from George as caretaker from January 2021 and ongoing maintenance of the Shiloh continues along with compliance checks of systems such as fire extinguishers, emergency lighting, and boiler. Anwen Naylor ensured that the Shiloh remained clean throughout the lockdown periods, and several willing volunteers helped to clean up after the roof repairs. In 2021 we are introducing a new electronic access system to the Shiloh, to facilitate access.

In line with Covid-19 requirements, hand sanitisers have been installed at entrances to the main building and heritage room, and 2 metre place markers are in place upstairs to enable safe re-introduction of activities such as dancing and yoga. Risk assessments have been drawn up for various activities and are available on request.

A special thank you to all those on the cleaning rota and our co-ordinator, Anwen Naylor. The cleaning and maintenance carried out ensures that we can continue to use the Shiloh safely.

8. CCAG Environmental report 2020-21.

Voluntary work with the National Trust

Not much work was done this year because of Covid 19 restrictions. However, we have managed to do some painting, checked young saplings that were planted, to see if they were growing, and marked the ones that haven't taken so they can be replaced this winter.

I questioned the use of plastic protectors on saplings and was informed that they stay in place for 5 years and then are re-used or recycled. The Trust has introduced new cardboard protectors for future use. There are more trees to be planted on National Trust land at Carrog this winter.

Litter picking along the river from Rhyd y Meirch and Rhyd y Gro was carried out twice this year, with a lot of plastic being removed.

The otter holt was checked in September and we found prints at the entrance – a camera has been placed to record activity. A new holt is to be built next year higher up, as the current holt gets flooded on a regular basis.

The work goes on to eradicate Himalayan Balsam – a dedicated group has worked hard in various areas of Cwm, including National Trust land and Llechwedd Hafod. As a result there has been a notable reduction of this invasive plant.

Japanese Knotweed

We are unable to tackle Japanese Knotweed ourselves, as regular training and updating is required for safe use of the chemicals involved. There is no funding for training at the moment, but the National Trust has decided to use contractors to spray the affected areas in Cwm. We are awaiting confirmation of the date for this work to be carried out.

Other issues

A small sign and 'dog poo' bags have been placed on Ffordd Cwt Ci – this is part of the circular path around the village – and this has been quite successful.

We have had two skips at the quarry gate this year for household rubbish. These are courtesy of Cyngor Bro Machno and Conwy CBC.

There are plans to go ahead with the telecoms mast next year – this is for the emergency services network only.

Lyn McFadden

9. Friends of Cwm

Our Friends of Cwm scheme continues to provide benefits including reduced ticket prices to events, a calendar and the Cwm News. (The Cwm News can be posted or emailed to you every quarter if you live outside of the valley and do not own a property within Cwm.) More importantly, the scheme enables a regular subscription by an individual to contribute to the sustainability of the Shiloh. The scheme is open to anybody who wishes to be 'A Friend of Cwm' at a cost of just £25 a year, and for tax payers, gift aid may be claimed by the Shiloh at the end of the financial year. Payment may be by direct debit, standing order, cheque or cash. Currently we have approximately 56 Friends.

10. Cwm Neighbours 2020-21

Although lockdown restrictions meant that we were unable to hold our regular Caffi Sadwrn coffee mornings at the Shiloh this year, Cwm Neighbours remained engaged and active in the life of the village. During the early weeks of lockdown we organized the collection and delivery of shopping and prescriptions to vulnerable residents and provided key points of contact to those who needed it. Thanks to Michelle for taking the lead and organizing this.

We also kept residents up to date with regular emails detailing shopping and prescription arrangements, updates to Welsh government guidelines, how to donate to food banks, and all sorts of useful information to keep everyone feeling connected and involved over what was an incredibly difficult year. I'm pleased to report that as of now we have been able to resume Caffi Sadwrn and we look forward to welcoming everyone back to the Shiloh on the first Saturday of every month. Thanks again to all our incredible volunteers for their time.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). - the accounts have not been prepared in accordance with the Charities SORP (FRS102).
