ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Board of Trustees are pleased to report to the Headway Luton membership, clients and their families, staff and volunteers, the NHS, Luton Borough Council, Central Beds Council, Beds and Luton Community Foundation (BCLF) and other grant funders that our key objectives for 2021/22 were all achieved. This was despite the ongoing threat of the Covid-19 virus and the significant income loss sustained during the three month closure of normal services from January to March 2021.

Key Objectives 2021/22:

1. To fully re-open all services as soon as possible following the service closure, providing a safe and healthy centre for clients and working environment for staff and volunteers.
2. To continue providing innovative and improved services to meet changing needs of clients, primarily due to the Covid - 19 pandemic health risk.
3. To source a new venue for Leighton Buzzard clients.
4. To improve mental health support to clients affected by service shutdowns at Headway and other local support and health agencies.
5. To financially survive the year despite the substantial loss of centre income that threatened our services to clients and staff retention.

Centre Services:

The fiscal year began in April 2021. Following a three month Covid - 19 closure, the centre re-opened after Easter for clients wishing to return to services. Remaining centre staff were recalled from furlough. A Covid - 19 vaccination programme for all staff and trustees, and a routine weekly Covid - 19 testing procedure was provided for free by the NHS.

Initially only vaccinated clients were permitted to return and everyone was required to test themselves prior to entry. There was obligatory mask wearing by all. Intensive cleaning and sanitation procedures were also re-employed. Combined, these measures ensured a safe resumption of services to the best of our ability.

At our reopening staff meeting, we remembered those who had sadly lost their lives due to the pandemic throughout 2020/21, and our thoughts are still with the partners and families left behind.

Records show 100% of staff and trustees were fully vaccinated and with staff ongoing encouragement, approximately 95% of clients were also vaccinated. To the best of our knowledge no substantiated Covid - 19 cases were attributed to attendance at Headway throughout the year. These figures are considered by the board to be a remarkable achievement by everyone.

Emergency support provided to clients throughout the service closures, that had included online activities, was slowly reduced as clients returned to the centre. Popular Zoom meetings were replaced by even more popular group activities at the centre. Within a month of reopening approximately 75% of all centre clients had returned despite the ongoing virus risks. Another significant achievement.

To inject new activities into the centre we were awarded a National Lottery Project Grant from Arts Council England which enabled us to provide new courses for music, art, craft and theatre activities led by qualified local professionals. A grant from Sports England administered by Versus Arthritis supported our physio and yoga sessions for clients.

Unfortunately we could not continue with our Leighton Buzzard branch from April due to unacceptable contractual changes at the venue. However, we negotiated a subsidised transport grant to bring Leighton Buzzard clients to Luton as an interim measure before we finally found a new venue for the group at the Memorial Hall in Houghton Regis. This new group in Houghton Regis started on 8 September 2021.

Our Wednesdays there were officially launched with a party in October for all Leighton and Luton clients, staff, Central Beds social workers and local dignitaries including the Mayor. Staff demonstrated a selection from a wide range of centre activities. Over 50 people in total attended this successful event.

Community Support:

Telephone support via our Community Support services substantially increased throughout the year. This was in order to meet the increased support needs of many community clients with ABI related problems that required specialist advice, but also with additional health concerns caused by the pandemic. This included depression due to feelings of social isolation and, in some cases, a morbid fear of the virus if they ventured outside of the safety of home. This area of support will continue into the new financial year.

**REPORT OF THE TRUSTEES
for the Year Ended 31 MARCH 2022**

Referrals for new clients resumed fairly quickly, and needs assessments recommenced, albeit at the centre rather than home visits for safety reasons. However the length of time it took from assessment to centre attendance increased, sometimes several months, due to Adult Social Care staff shortages at Luton Council. Hopefully this will improve in the new financial year.

By the end of the financial year we supported over 225 clients either at the centres in Luton and Houghton Regis, and within their local communities.

Volunteers:

With numbers of centre clients increasing steadily along with new activities planned it was essential to re-advertise volunteer opportunities at Headway which were closed during the pandemic for safety reasons. We appointed a senior member of staff as Volunteer Co-ordinator who successfully updated our volunteer induction and training packs and helped promote opportunities at various events throughout the year as well as online. We now have seven volunteers supporting clients and staff in the centres and aim to recruit more in time.

Summary:

Although Headway suffered a small financial loss by the end of 2021/22 there was sufficient funds in reserves to survive financially without any further staff cuts or closures. On reflection, considering the national chaos caused by the pandemic, 2021/22 must be marked down as a successful year.

Appreciations:

The Board of Trustees would like to sincerely thank all our clients and carers, staff and volunteers, funders and supporters for helping us make it through an extremely difficult year as a charity.

Our funders were:

- Luton Borough Council
- Luton CCG (now merging with Bedford and Milton Keynes to become BLMK ICB)
- Central Bedfordshire Council
- Luton Rising (formerly Luton Airport) managed by the Bedfordshire and Luton Community Foundation
- National Lottery Project Grant, Arts Council England
- The Edward Gostling Fund
- Tackling Inequalities Fund, Sports England managed by Versus Arthritis
- Tesco Bags of Help
- Arnold Clark Community Fund

A heartfelt thank you to everyone.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Headway Luton Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

FKCA Limited are deemed to be re-appointed under section 487(2) of the Companies Act 2006.

The Report of the Trustees has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Approved by order of the board of trustees on 30/11/22 and signed on its behalf by:

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
HEADWAY LUTON LTD (REGISTERED NUMBER: 03917437)**

Opinion

We have audited the financial statements of Headway Luton Ltd (the 'charitable company') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
HEADWAY LUTON LTD (REGISTERED NUMBER: 03917437)**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
HEADWAY LUTON LTD (REGISTERED NUMBER: 03917437)**

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

1. The nature of the charity, control environment and the charity's performance.
2. Enquiries with management about their own identification and assessment of the risks of irregularities.
3. The matters discussed among the audit team regarding how and where fraud might occur and fraud indicators.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud. In common with all audits under ISA'S (UK), we are also required to perform specific procedures to respond to the risk of management override.

In addition we considered the legal and regulatory framework that the charity operates in, focusing on provisions of these laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. Key laws considered include the UK Companies Act and UK Tax Legislation.

We also considered those laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charity's ability to operate or avoid a material penalty.

Audit response to risks identified:

Testing was undertaken to address the risk of management override which included the review / testing of any year end journals and an assessment of whether the judgements made in making accounting estimates are indicative of potential bias.

Due to the size of the accounting function we have also carried out testing to assess the risk of fraudulent payments which included substantive testing on a sample of payments made during the reporting period.

We remained alert to any indications of fraud or non compliance throughout the entire audit process.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

HEADWAY LUTON LTD

NOTES TO THE FINANCIAL STATEMENTS for the Year Ended 31 MARCH 2022

1. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these financial statements. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and the Companies Act 2006.

The Trustees have considered the impact of the uncertainties of the global health crisis COVID-19 on the charity. Contingency plans have been put in place in order to mitigate the negative effects of any period of interrupted services. Accordingly the trustees continue to adopt the going concern basis in preparing the financial statements.

The charity meets the definition of a public benefit entity under FRS102.

The presentation currency of the financial statements is in Pounds Sterling (£), which is the functional currency of the charity.

In common with many other charities of our size and nature we use our auditors to assist with the preparation of the financial statements, although strict safeguards remain in place for the audit opinion, to remain fully objective.

Company status

The charity is a company limited by guarantee. The members of the charity are the trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

Income recognition

Grant income is accounted for in the period in which it is to be used.

All other income is included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold. Donated facilities are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Investment income is included when receivable.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Costs of raising funds comprise the costs associated with attracting voluntary income; mainly in relation to fund raising events.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage as set out in Note 2.
