KINGS FOR CHRIST MINISTRIES

Report of the trustees for the year ended 30th June 2021

The trustees present their annual report and financial statements of the charity for the year ended 30th June 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and the Accounting and Reporting by Charities: Statement of Recommended Practice.

Objectives and activities for the public benefit

The purposes of the trust continue to be the furtherance of the Christian faith by lifting up the Lord with Holy Spirit inspired prayer, praise and worship. Also to bring believers into the maturity of their callings and anointings. To evangelise the community and reach out to the unsaved.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trustees achieve this by separate strategies aimed at those who do not have a relationship with Jesus Christ and those who have already accepted Jesus Christ as their Saviour and Lord.

Non believers are targeted by various outreach activities based either in the local community or further afield.

For believers, the trustees endeavor to create an environment where a person's faith can be increased and matured by access to:

Regular biblical teaching

Praise, worship and prayer meetings

Provision of pastoral works

Visiting and praying for the sick and infirmed

Report of the trustees for the year ended 30th June 2021

A review of our achievements and performance

Our charity has continued to impact and encourage its members through messages and teachings of hope particularly having gone through the difficult pandemic season. Every volunteer, worker and teacher rose to the task of engaging and supporting our children and each other.

In spite of the lockdown and restrictions for meeting together due to Covid-19, the charity has had to make many changes in its operations, the biggest being the onset of online meetings towards the end of the current year.

Financial review

The work of the trust is entirely dependent on the voluntary offerings of people attending the various meetings that have taken place.

The income for the year was £28,140 (2020 = £42,431). This includes amounts received under the Gift Aid system.

Risk Management

a. Financial

This includes a serious decrease in the amount of income received and thereby causing the trust to be unable to meet its financial commitments. This has been mitigated by the trust receiving regular up to date financial information to enable the trustees to plan accordingly.

b. Reputational

The Board of Trustees are aware of the factors that could affect the reputation of the charity and are constantly looking for ways to minimize these risks.

Reserves policy

The trustees have decided to spend as much money as possible on furthering the core objects of the charity whilst maintaining sufficient cash funds to ensure the financial sustainability of the charity.

To achieve this, the trustees aim to maintain free reserves in unrestricted funds at a level which equates to 3 months of unrestricted charitable expenditure. The trustees also want to put aside additional funds to finance a move to a better venue as soon as one becomes available.

KINGS FOR CHRIST MINISTRIES

Report of the trustees for the year ended 30th June 2021

Reserves Policy (contd)

The level of unrestricted reserves as at 30th June 2021 was £5,242 after allowing for funds tied up in tangible fixed assets.

3 months average unrestricted charitable expenditure is £6,150.

The current level of reserves is inadequate as per the above policy and the trustees are taking steps to remedy this.

Structure, governance and management

The trust is a registered charity, number 1081395, and is constituted under a Trust Deed dated 14th December 1999 as amended in May 2000.

The trust does not raise funds from the public and seeks to continue its charitable works through the careful stewardship of the donations from members.

Regular meetings of the trustees take place using electronic means. Regular topics of discussion include the way forward, finding a suitable place of worship, the level of reserves, the financial position and risk management policies.

The day to day leading of the charity is delegated to Pastor Timothy Oladipo.

New trustees are chosen from the membership after showing continuous integrity and faithfulness to the charity. Before accepting the position, the potential trustee is given copies of the Trust Deed, previous financial statements and meets with the existing trustees for an overview of plans of the charity for the future. Any training requests are quantified and arrange as necessary.

Key management personnel remuneration

The trustees consider the board of trustees as comprising the key management personnel of the charity and are in charge of directing and controlling the charity.

All trustees give their time freely and no trustee remuneration was paid in the year. Related party transactions are shown in note 7

Trustees are required to disclose all relevant interests and are required to withdraw from decisions where a conflict of interest arises.

Future plans of the Charity

We aim to continue to reach out to non-believers with various outreach activities based either in our local community or further afield. For believers, we shall endeavour to continue to create an environment where their faith can be increased and matured by access to regular biblical teaching, praise, worship and prayer meetings. Provision of pastoral works including visiting and praying for the sick will also be carried out as we help to build solid family units.

We hope to once again resume our in-person service as soon as we can find a suitable and affordable meeting place.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements in each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial information may differ from legislation in other jurisdictions.

Independent Examiner's report to the Trustees of

KINGS FOR CHRIST MINISTRIES

I report on the accounts for the trust for the year ended 30th June 2021 which are set out on pages 9 to 14.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act;
- Follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
- To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General direction given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees on any such matters. The procedures undertaken do not provide all the evidence that would be required by an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in any material respect the requirements

to keep accounting records in accordance with section 130 of the Charities act, and

to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Charities Act

Have not been met; or

- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
