TRUSTEES' REPORT

The Trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 January 2025.

Objectives and activities

Objects and aims

The principal object of the charity is to advance the Christian faith, relieve persons who are in conditions of need or hardship, to advance education in accordance with Christian principles and to fulfill other charitable purposes that are beneficial to the community as the trustees may think fit.

Public benefit

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

The Charity is organised primarily as a resource for Christian education and has no employees. The source and development of the teaching material is primarily the function of Rick Renner, an internationally noted Bible teacher and pastor. The charity also works in co-operation with other similar charities to advance the Gospel in oppressed or underprivileged areas of the world.

Achievements and performance

Review of activities

Since its establishment in 2000, The UK office of Rick Renner Ministries continues to serve partners and ministry friends principally in the United Kingdom. The current two continuing main forms of outreach are the weekday TV programme aired on God TV and the monthly partner letter with teachings and ministry updates. All programmes are also available to view on the Ministries various social media platforms such as You Tube (where total worldwide views are now over 50 million).

The number of people receiving the monthly letter continues to grow. The daily TV programme continues to play a major part in this increase. Donations received at the UK office have increased and direct online giving from UK and European based donors via the US based ministry website has also increased. Restricted donations received during the financial year in question for the 'Ministry Expansion Project' were expended accordingly. General donations helped to fund the operation of the UK office. The monthly teaching letter continued to be printed and mailed through a UK based mailing company. The work of partner care continues to be handled by the US office and those requiring prayer or enquiring about the ministry are still able to call a local rate UK telephone number.

Achievements of Rick Renner Ministries Worldwide

The ministry continued to expand through its major outreaches: Renner Ministries (Pastor Rick's teaching ministry), IGNC (an internet-based church), Media Mir (the ministry media company), MGNC (Moscow Good News Church) and GNC TV (Russian TV channel).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JANUARY 2025

1 Charity status

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the Trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Rick Renner Ministries Incorporated meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

RICK RENNER MINISTRIES INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JANUARY 2025

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Gift aid

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

RICK RENNER MINISTRIES INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JANUARY 2025

Tangible fixed assets

Individual fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Fixtures and fittings	20% on reducing balance
Office equipment	20% on reducing balance

Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Fund structure

Unrestricted income funds are general funds that are available for use at the Trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
