SWORD OF THE SPIRIT EVANGELICAL OUTREACH TRUSTEES REPORT FOR THE YEAR 31 OCTOBER 2024

The Trustees have the pleasure in submitting their report and accounts for the year ended 31st October 2024. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 to 10, and comply with the statement of Recommended Practice (SORP), issued 16th July 2014, and the Charity Act 2011, and applicable law.

Objective and Activities

The principal objective of the Charity is the advancement of the Christian faith worldwide and the relief of poverty

The Trustees are delighted to report that the Church continues to flourish spiritually by ministering to its community in the UK. The church is growing in membership and is expanding its outreach to the community.

Structure, Governance, Management

Constitution

The Charity is constituted under a Trust Deed and Charity registration Number 1081609 on the central register of the Charity Commission of England and Wales.

Method of Appointment or Election of Trustees

The management of the charity is the responsibility of the Trustees, who are elected and co-opted under the terms of the Trust Deed

Organisational Structure and Decision-Making

The church is organized so that the trustees meet regularly to manage its affairs. One Minister who manage the day-to-day administration of the church, and two volunteers

Achievement and Performance

We continue to be more focused, and greater success was achieved in the area of evangelism and community outreach.

SSEO organised and, with great success, celebrated the annual conference in September 2024.

Our youth went on community outreach quarterly basis and integrated with other youth in the community

We also organise a day retreat to ALL Nation Christian College at Ware. It was very successful with a lot of testimonials. During this period, our minibus was stolen, and the Insurance company paid us compensation.

During the year, we went on community evangelism and distributed food and drink to the people in the community.

Future Developments

The Church will continue to explore various ways of spreading the Gospel of Christ effectively.
The Charity is also looking to grow in membership and continue to develop its members to make

Review of Financial Position

The net incoming resources for the year amounted to £19,459.69 (Yr 2023 £11,950).
All these have been unrestricted reserves, and no fund is allotted to restricted projects.

Risk Policy

The Trustees have assessed the major risks to which the Charity is exposed, particularly those relating to the operations and finance, and are satisfied with the risk management system in place to mitigate any risk exposure.

Reserve Policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets [the free reserves] held by the church should be 3 months of annual expenditure.

We are confident that with every precaution taken and also considering the pace of growth in Charity's operations and finances, we would be able to sustain the current activities of the church in the event of a significant decrease in funding.

Principal Funding

This is provided mainly through voluntary tithes and offerings by the church members
Realisable pledges are also taken for specific projects

Approval

This report was approved by the Board of Trustees on Date..... 28/08/2025

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

SWORD OF THE SPIRIT EVANGELICAL OUTREACH

I report on the accounts of the charity for the year ended 31^{1ST} October 2024, which are set out below and notes to the financial statements on pages 7 to 17

Respective Responsibilities of Trustees and Examiners

As the Charity's Trustees, you are responsible for the preparation of the accounts; you consider that an audit is not required for this year (under section 144(2) of the Charity Act 2011 (the 2011 Act) and that an independent examination is needed. It is my responsibility to

Examine the account (under section 145 of the Act);

- follow the procedures laid down in the General Directions given by the Charity;
- Commission (under section 145(5) (b) of the 2011 Act and
- State whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's Statements

In connection with the examination, no matter has come to my attention: -

Which give me reasonable cause to believe that in any material respect the requirements

- To keep accounting records in accordance with section 130 of the 2011 Act;
- To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met

or

To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

No government grant was received during this period.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Investment gains and losses

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Note 2 Accounting policies

2.1 RECONCILIATION WITH PREVIOUS GENERALLY ACCEPTED ACCOUNTING PRACTICE

There is no change in accounting policy in this period

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked No or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP)

Legacies

There is no legacy received during this period.

Government grants

No government grant was received during this period.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual income and performance related grants

This is not applicable

Donated goods

There is no donated good.

Donated services and facilities

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest, royalties and dividends
Not applicable during this period.

Income from membership subscriptions
Tithes and offering received from the members are in the nature of a gift are recognised as Donations and Legacies

Settlement of insurance claims
Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.

Investment gains and losses
This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition
Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs
Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.
Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Grants with performance conditions
The Charity is not awarding grant to any organisation

Grants payable without performance conditions
Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy cost
The charity made no redundancy payments during the reporting period.

Deferred income
No material item of deferred income has been included in the accounts.

Creditors
The charity has creditors which are measured at settlement amounts less any trade discounts

Provisions for liabilities
A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

Basic financial instruments
The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least

They are valued at cost.

The depreciation rates and methods used are disclosed in note 14.

Intangible fixed assets

The charity has no intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed where applicable.

They are valued at cost.

Heritage assets

The charity has no heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16 is not applicable during this period but if available they are valued at cost.

Investments

Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments.

Stocks and work in progress

Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Current asset investments

The charity has no investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.

They are valued at fair value except where they qualify as basic financial instruments.

POLICIES ADOPTED ADDITIONAL TO OR DIFFERENT FROM THOSE ABOVE
