Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the Charity is to advance the Christian faith across the denominations of the Christian Church by furthering the healing ministry of Jesus Christ.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Main Activities:
 Developing a series of courses to train people in their churches to minister prayer for healing by: -

- Providing a range of support materials for those on courses through different media, such as CDs, DVDs, manuals and books.
- Teaching and equipping church leaders to run courses and establish prayer for healing teams in their churches.
- Providing teaching and training on a variety of healing topics in local churches, at conferences and using video conferencing.

Public benefit:
 The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.
 All Lazarus courses train and equip people to offer prayer and healing to anyone who seeks it, from those who do not have any link with a church, to those already involved. As a result, we see people from all backgrounds receiving healing for physical, emotional and spiritual issues.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Volunteers:
 The charity depends upon the continuing help and support of volunteers. The charity works closely with churches of all denominations and other related organisations.

Summary of the main achievements of the charity during the year

The Ministry Director, Miss Phillips, has carried out most of the ministry and general meetings online. Miss Phillips has continued to meet with Church and Ministry leaders world-wide, offering Prayer Ministry and Mentoring. Miss Phillips has been preparing and developing new resources and materials and continued to oversee their distribution. In addition, she has planned and begun preparation for speaking engagements to take place later in 2025. We continue to hear testimony to the healing people have received from God because of the ministry. Lazarus Healing Trust is grateful to all those who have supported and been involved in this work over the last 25 years.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity seeks to hold the minimum of reserves to keep the program in action and develop new courses and material.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal sources of funds during the year continued to be from grants and donations.

Generous donations this year brought in £9,278 which was slightly less than the previous year's total, but some support from the USA with a grant of £3,950 and the regular grant from Verein Lazarus Switzerland of £15,671, made up for it, so that with the tax recovered under the Gift Aid Scheme, the total receipts for the year came to £29,621 which was more than the £26,681 achieved previously.

On the payments side, £22,200 was paid in fees to the Ministry Director, which was less than the previous year. Other costs were the usual postage, stationery, IT expenses, but no travel costs this year due to Miss Philip's ongoing lack of mobility.

The total of the payments was then £22,356 compared with £27,083 in the previous year.

The overall result was a surplus for the year of £7,265, which increased the balance of the reserves at the year end to £13,372.

To maintain the current level of operation, the charity is dependent on the continued support from grants given by Verein Lazarus Switzerland.
