OBJECTIVES AND ACTIVITIES

Objectives and aims

To improve the conditions of life of the inhabitants of St Radigunds ward in Dover without distinction of political, religious or other opinions by the provision of facilities for charitable services, recreation and other leisure time occupation.

To the furtherance of the charitable work of the charity by the advancement of such other charitable purposes as the Trustees shall from time to time decide.

Significant activities

The Centre was open as normal after 2 years of restrictions, and came fully alive in 2022. We welcomed our community back with new groups and activities, open days, and a revamped private hire offer, which included a licensed bar. We continued to build relationships with delivery partners and secured 3 years further funding to support staffing costs. The transfer of unused land for housing to the rear of the centre will enable us to fund sorting out our roofing and drainage issues in 2023.

Our highlights for the year were:

- Recruitment of a Youth Coordinator
- Health visitors returned to the centre 3 days a week
- The mental health support charity 'Take off works' moved in the centre in July
- Hot food for kids' activities was provided every day in August
- Beauty treatments on offer in new Wellbeing room

- Started discussions with other community venues about joint working
- Welcomed a new Chair to the Board and 2 new Trustees
- Committed to a carbon reduction programme
- 46% of spaces provided opportunities for the community
- 5% less of spaces were privately, but generated more income
- 30% of our spaces delivered activities for young people

Our strategic aims for 2022-23 are as follows:

- Provide more youth opportunities
- Deliver skills to the community
- Support Families into work
- Mitigate local pandemic impacts

Public benefit

The Trustees confirm that they have complied with their duty as prescribed in the Charities Act 2011 to have due regard to the Charity Commission's guidance on public benefit.

The charity is a charitable company limited by guarantee and was set up in November 1999. Its updated constitution was adopted in October 2018.

If the charity is wound up, each member of the is liable to contribute to the assets of the charity such amount (but not more than £1) as may be required for payment of the debts and liabilities of the charity contracted before that person ceases to be a member, for payment of the costs, charges and expenses of winding up, and for adjustment of the rights of the contributing members among themselves.

In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

The charity is organised in such a way that trustees meet regularly in order to manage its affairs whilst day to day responsibility is delegated to the centre manager, Susan Jones.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. STATUTORY INFORMATION

St. Radigunds Community Centre Company, a company limited by guarantee, is an incorporated charity registered in England. The charity's registered numbers, principal address and nature of operations can be found in the Reference and Administrative Details on page 1.

The financial statements are presented in sterling which is the functional currency of the charity.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Income from trading activities includes income earned to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Income from grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.
