## TRINITY HOUSE COMMUNITY RESOURCE CENTRE

### Report of the trustees for the year ended 31<sup>st</sup> March 2025

The trustees present their annual directors' report and financial statements of the charity for the year ended 31<sup>st</sup> March 2025 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### Objectives and activities

The purposes of the charity are to promote the benefits of inhabitants of Central Manchester and surrounding districts and, in particular, children, young people and families, by the provision of a Resource Centre, providing facilities to advance education, relieve poverty, hardship and distress, and to provide appropriate support services and facilities for their recreation and leisure-time occupation in the interests of social welfare in order that their condition of life may be improved. The main activities are the development of the Trinity House Community Centre and associated services including the LINK Good Neighbours social activity programme, Junior and Senior Youth Clubs, one-to-one mentoring project, Toy Hub and Stay and Play, and the after-school club and nursery. Additionally, we collaborate with the Ethnic Health Forum to offer guidance and support to local communities.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities, and setting the policies for the year. The charity furthers its charitable purposes for the public benefit through our community which is situated in south central inner city Manchester and includes Rusholme, Fallowfield and Moss Side. Almost 4.5k children in these wards are recorded as living in absolute low-income families, according to the Manchester City Council intelligence hub. Moss Side, where we are situated, is in the bottom 3 of Manchester wards on both child poverty and fuel poverty. The risk factors in the area include poor private housing stock, mental health issues and emotional well-being, teenage pregnancy, sexually transmitted infections, low school attendance and achievement, anti-social behaviour, and the risk of becoming NEET. 75% of the Moss Side, and 62% of the Rusholme population are from BAME backgrounds. One third of Moss Side households contain a resident with a disability, Rusholme 35% and Fallowfield 40%. so we provide a service that meets their needs. (MCC website data/Census 2021)

The centre offers a range of activities and support services that aim to address local needs and improve the quality of life for local families, for example toy hub and stay and play for families, after school club to help parents remain in work, and youth work sessions and mentoring.

### A review of our achievements and performance

During the year ending March 2025 Trinity House continues to support residents with a range of activities for all ages. We also obtained additional funding to take our Junior and Senior Youth Club on Christmas trips out. We continued to provide room hire for Diabetic Eye Screening. Our partnership with Ethnic Health Forum continued to provide welfare rights advice and learning opportunities, and we are working towards establishing a permanent welfare rights advice hub at Trinity House.

Once again, the Board are grateful to the staff team and would like to thank them all for their hard work, resilience and adaptability throughout the year. Particular thanks go to our Nursery team who achieved an OFSTED 'GOOD' rating, with a very positive report being received from the inspector.

## TRINITY HOUSE COMMUNITY RESOURCE CENTRE

### Financial review

Trinity House has been successful in securing funding from a number of sources during this financial year. We secured a further year's funding from Our Manchester VCS Supporting Communities Fund to help with the cost of running a community hub. We also secured extra funding to provide some trips out and additional activities for our youth group, and a generous donation from Union Chapel, Fallowfield, has helped us to continue our work supporting young people and families through one-to-one mentoring. Our room hire income remains steady. We will continue to seek ways to increase our income through self-generating projects, especially room hire income, in addition to further grant funding for new and existing projects, and we hope to successfully secure two 3-year grants for youth activities and core running costs to help with sustainability. In addition to money coming in, we are part way through a review of all maintenance contracts to ensure we are receiving the best value for money, and also to commit to local firms where possible to support our work towards the Manchester Zero Carbon target.

### Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the charity, have kept available funds in interest bearing deposit accounts.

### Reserves policy and going concern

The balance held in unrestricted reserves at 31<sup>st</sup> March 2025 was £18,066 of which £17,073 are free reserves, after allowing for funds tied up in tangible fixed assets.

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

The Management Committee agrees that the target balances held in reserves shall be based on:

- forecasts for levels of income in future years, taking into account the reliability of each source of income and the prospects for opening up new sources.
- forecasts for expenditure in future years on the basis of planned activity.
- its analysis of any future needs, opportunities, contingencies or risks the effects of which are not likely to be able to be met out of income if and when they arise.
- assessment, and on the best evidence reasonably available, of the likelihood of each of those needs etc. arising and the potential consequences if THCRC is not able to meet them.

The Charity's main source of income is grants and fees. The Trustees consider that it is appropriate to prepare the accounts on a going concern basis and, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease. The trustees are looking to maximise income from After School Club and Nursery, both of which we are expecting to increase the income from, and room hire which we are also planning to increase. We will also aim to include more core costs in funding bids wherever possible, and plan to increase our reserves back to our stated amount.

### Risk management

The Management Committee has conducted a review of the major risks to which the charity is exposed. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Procedures are in place to ensure compliance with health and safety of staff, volunteers, young people, other service users and visitors.

## TRINITY HOUSE COMMUNITY RESOURCE CENTRE

### Plans for Future Periods

Moving into 2025-26 we continue to prioritise supporting children, young people and families to become more resilient. Our Nursery is remaining popular with local parents and we have had all places filled this year, with a waiting list. Toy Hub continues to offer the loan of curated play items to assist early year's development, with an associated weekly Stay and Play session working with parents and toddlers. We have also run successful holiday activity sessions during Easter and Summer holidays this year, targeted at families receiving free school meals and easily achieving the target set by our funders of 80% of attendees receiving free school meals. Every place on holiday activity schemes was fully booked this year.

Our LINK numbers remain steady with a good regular attendance. We will continue to explore ways to further increase room hire, reviewing service provision and ensuring maximum use of our building including evening and weekend hire, with a focus on tenants and hirers who provide a benefit to our community.

### Structure, governance and management

Trinity House Community Resource Centre is a company limited by guarantee governed by its Memorandum and Articles of Association dated 4<sup>th</sup> April 2000. It is registered as a charity with the Charity Commission and is constituted under a trust deed dated 16<sup>th</sup> August 2000. We have submitted an amendment to our Memorandum and Articles to allow us to hold distanced video and hybrid board meetings and this had been accepted by the Charity Commission.

### Appointment of trustees

As set out in the Articles of Association trustees are elected annually by the members of the charitable company attending the Annual General meeting and serve for a period of up to 3 years (one third rotating each year). Members of the Management Committee shall hold office until the end of the Annual General Meeting next following their election appointment or co-option and shall be eligible for re-election or re-co-option.

### Trustee induction and training

Most trustees are already familiar with the work of the charity as a result of either their work within a member organisation or as a volunteer.

Additionally, new trustees familiarise themselves with the roles and responsibilities of trustees as set out by the Charities Commission. We have nominated trustees with particular responsibility for Health and Safety and Safeguarding and all Trustees will be offered refresher training in basic safeguarding principles.

### Organisation

The board of trustees administers the charity. The board normally meets on a bi—monthly basis but meets more frequently as required. Jane Bramley remains as part-time Chief Executive/office manager to manage the day-to-day operations of the charity. Saira Qureshi remains our Chair during this financial year.

### Related parties and co-operation with other organisations

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee or senior manager with any service providers must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

## TRINITY HOUSE COMMUNITY RESOURCE CENTRE

### Reference and administrative information

Charity Name: Trinity House Community Resource Centre

## TRINITY HOUSE COMMUNITY RESOURCE CENTRE

### Trustees responsibilities in relation to the financial statements

The charity trustees (who are also the directors of Trinity House Community Resource Centre for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board of trustees

-----  
Saira Qureshi  
Chair

Date: 15th December 2025

## **Independent examiner's report to the trustees of TRINITY HOUSE COMMUNITY RESOURCE CENTRE**

I report on the accounts of the company for the year ended 31<sup>st</sup> March 2025, which are set out on pages 7 to 20.

### **Respective responsibilities of trustees and examiner**

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of The Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act ;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

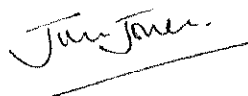

### **Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, ; and
  - with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Notes to the accounts for the year ended 31st March 2025

**1. Accounting policies****(a) Basis of preparation and assessment of going concern**

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 1st July 2019, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

**(b) Funds structure**

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There are 14 restricted funds.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Further details of each fund are disclosed in note 15.

**(c) Income recognition**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

**(d) Expenditure Recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

**(e) Irrecoverable VAT**

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

**(f) Allocation of support and governance costs**

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on type of expense. The allocation of support and governance costs is analysed in note 8.

**(g) Costs of raising funds**

The costs of raising funds consists of advertising and publicity.

**(h) Charitable Activities**

Costs of charitable activities include governance costs and an apportionment of support costs as shown in note 7.

## Notes to the accounts for the year ended 31st March 2025

**(i) Tangible fixed assets and depreciation**

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged on the following basis:

Refurbishment of Premises	10% on cost
Computers	25% on cost
Office Equipment	15% on cost

**(j) Realised gains and losses**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their varying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

**(k) Pensions**

The charity currently administers contributions to a pension scheme on behalf of individuals.

The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions.

**(l) Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**(m) Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**2. Related party transactions and trustees' expenses and remuneration**

The trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2024: £nil). Expenses paid to the trustees in the year totalled £nil (2024: £nil).

**3. Donations and Legacies**

## 17. Analysis of net assets between funds

	Unrestricted funds	Designated funds	Restricted funds	Total 2025
	£	£	£	£
Tangible fixed assets	993	-	43,674	44,667
Cash at bank and in hand	7,505	24,637	1,376	33,518
Other net current assets/(liabilities)	9,568	-	(917)	8,651
<b>Total</b>	<b>18,066</b>	<b>24,637</b>	<b>44,133</b>	<b>86,836</b>

## Previous reporting period

	Unrestricted funds	Designated funds	Restricted funds	Total 2024
	£	£	£	£
Tangible fixed assets	1,167	-	91,568	92,735
Cash at bank and in hand	25,006	24,637	2,773	52,416
Other net current assets/(liabilities)	(12,561)	-	-	(12,561)
<b>Total</b>	<b>13,612</b>	<b>24,637</b>	<b>94,341</b>	<b>132,590</b>

## 18. Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised on a transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at an amortised cost using the effective interest method.

## 19. Operating Leases

The total of future minimum lease payments under non-cancellable operating leases are:

	2025	2024
	£	£
Not later than one year	562	562
Later than one year and not later than five years	842	1,404
	<b>1,404</b>	<b>1,966</b>

Lease payments recognised as expenses are £562 within building services and £503 within Printing and Stationery.
