Company Information **for the year ended 31 March 2023**

Status

The organisation is a charitable company limited by guarantee, incorporated on 17 March 1999 and registered as a charity on 17 August 2000. The company was established under a memorandum of association which established the objects of the charitable company and is governed by its articles of association.

Directors and Trustees

Every effort is made to ensure that we have a representative committee who are able to support the smooth running of our organisation. Members are recruited through relevant organisations, users of the service and those who work within the local community.

Ellesmere presently has a wealth of knowledge and experienced committee members.

Report of the Trustees **for the year ended 31st March 2023**

The trustees are pleased to present their report together with the financial statements of the charity for the year ended 31 March 2023.

Legal and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum of association and the Statement of Recommended Practice - Accounting and Reporting by Charities.

Object of the Charity

The trustees have referred to the guidance on public benefit published by the Charity Commission and have considered how planned activities contribute to the aims and objectives set.

The company's objectives and principal activities for the public benefit are to:

- * Advance the education and provide safe and stimulating care of young children, in particular those living in the electoral ward of Burngreave in the City of Sheffield.
- * To also advance the education of those responsible for their day to day care without distinction of gender, race, disability, sexuality, political or religious beliefs.
- * To provide a caring, learning environment that is responsive to the needs of children and their parents/ carers and in pursuance of the above objects, to establish, maintain and manage a locally controlled community nursery.
- * To make particular efforts to ensure that the needs of children from BME communities are served and to develop childcare policies and practices that are non-discriminatory.

There have been no changes in objectives since the last annual report.

Principal Funding Sources

The charity continues to face some increasingly difficult times. At present surviving some of the devastating effects left after Covid recovery. This has continued to cause difficulties with our income generation and at times delivery and continuation of services in our project. With the support of the National Lotteries we are gaining the recognition needed for the services we provide. We have also incurred some serious structural repairs 18 months on from the completion of the capital renovation. This has gradually worsened and we have engaged with Business in the Community who have partnered with Henry Boot and McDonald Housing and have rendered four of the rooms uninhabitable. The management have continued to attract new partners interested in the work of child-led /play therapy. We owe a huge thanks to the National lotteries fund including the SESF fund. This support has continued to keep our services deliverable and connected to the needs of the local community. We continue to make some good improvements in our marketing. We are engaging with some new platforms and are re-designing our WebPages. Nevertheless we are optimistic along with other providers that we can cater for our children and families particularly with the increasing needs related to good social and emotional well-being. We believe and desperately hope that new income sources of finance will come on stream through individual funders and government resourced funding in a time of acute need. We hope that they will recognise the absolute value of early intervention and the work of early years development.

Investment Policy

Under the memorandum and articles of association, the charity has the power to make any investments which the trustees see fit. Aside from retaining a prudent amount in our reserves, most of the charity's funds are spent in the short term. There are a few funds for long term investment however, we wish to ensure that we have an account that brings the charity a prudent return.

Ellesmere Childrens Centre

Report of the Trustees - Continued **for the year ended 31st March 2023**

Review of Activities and Financial Information

The centre has a good reputation in regards to our continued understanding and providing services that cater to the needs of individual cultures. We want to support looked after children and the fostering and adoption service to become more aware of issues of identity. We want to seek and provide individual care. We work hard to continue good intervention and to extend our out-reach. We have successfully developed proud black fathers, working alongside providers and trainers. Our Capital extension provides space for new development but we are reliant on the renovated work taking place immediately. We are looking to expand our black women's menopause cafe and have successfully made a start to understanding a very sensitive issue supporting and uplifting confidence and resilience to carry on. We have a few new services in the pipeline and are striving to ensure that our parents are informed and providing a space for their digital development with on-site support.

Future Developments

In our 27th year we are reporting the continued success of Emosi which is now functional and making a difference, we hope to children's lives. Emosi has developed the importance of developing emotional literacy social and emotional well-being which supports children in making connections between how they feel and what they do with their feelings. Diver-city remains limited due to issues related to the capital completion and the work not being carried out to the specifications, we now need to obtain further funds to put this work right. This is a struggle as we manoeuvre the cost of living crisis and the increasing utilities costs. There is a need to look at more family intervention and to look at training for professionals within social care and the LEA in relations to supporting Transcultural understanding and cultural competencies. We hope to support new partnerships and to increase awareness for children to have improved resilience to cope in their daily lives. We are strengthening the value of working through a transcultural lens.

Reserves Policy

The Management Committee has examined the charity's requirements for reserves, in the light of the main risks to the organisation. The reserves are needed to meet the working capital requirements of the charity. The committee are confident that at the current level they would be able to continue the current activities of the charity. The strategy is to re-build our reserves. However, the committee is aware of the changing regimes and is realistic in being economically aware that it may prove difficult to achieve this. The Committee need to explore new external funding opportunities as they become available.

Risk Management

Exposure to financial markets affects most organisations both internally and externally, particularly with the change in national government coupled with the local authority's commitment to third sector organisations. Ellesmere Children's Centre has tried to develop systems to identify and prioritise key financial risks. The implementation of risk management strategy is in accordance with the Centre's policy. The Ellesmere Management Committee remains optimistic that more strategic planning towards future services and new ventures will help to identify any future shortfalls. The review and implementation of our systems ensure that we remain a responsible company. Though difficult in politically difficult times agendas that focus on children's services are becoming limited.

Trustees' responsibilities in relation to the Financial Statements

Law applicable to charities in England and Wales requires trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the year end. In preparing those financial statements, the trustees are required to:

- * Select suitable accounting policies and then apply them consistently;
- * Make judgments and estimates that are reasonable and prudent;
- * State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- * Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

Ellesmere Childrens Centre

Report of the Trustees - continued for the year ended 31st March 2023

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial Review

At a time of economic uncertainty where there have been considerable cuts in the levels and availability of funding to the charitable and voluntary sectors, the trustees are proud to report a retained surplus in the year.

The retained surpluses are being designated into funds to support the growth and longevity of the centre in the coming years. The trustees wish to extend their thanks to all staff, volunteers, funders and supporters for their assistance in helping us achieve our goals.

Approved by the trustees on

2023 and signed on its behalf by:

David Campbell
Trustee

**Independent Examiners Report to the Trustees of
Ellesmere Childrens Centre
for the year ended 31st March 2023**

We report on the accounts of Ellesmere Childrens Centre for the year ended 31 March 2023 which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 145(1) of the Charities Act 2011) and that an independent examination is needed.

It is our responsibility to:

- * examine the accounts (under section 145 of the Charities Act 2011);
- * to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the Charities Act 2011); and
- * to state whether particular matters have come to our attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respects the requirements to keep accounting records in accordance with section 386 of the Companies Act 2006; and to prepare accounts which accord with accounting records, comply with the accounting requirements of section 386 of the Companies Act 2006 and with the method and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Notes to the Financial Statements
for the year ended 31st March 2023

1 ACCOUNTING POLICIES

Basis of accounting

The principal accounting policies which are adopted consistently in the preparation of the financial statements are set out below.

a) Basis of accounting

The financial statements have been prepared in accordance with the Companies Act 2006, the Charities Act 2011 and the statement of Recommended Practice: Accounting and Reporting by Charities (FRS102) issued in January 2015.

b) Incoming resources

All income resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Investment income is included when receivable.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

C) Resources expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive for any VAT which can be recovered.

Allocation of expenditure

Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Certain other costs, which are attributable to more than one activity, are apportioned across categories on the basis of an estimate of the proportion of time spent by staff on those activities.

d) Tangible fixed assets and depreciation

Tangible fixed assets are included in the balance sheet at cost or at market value at the date of the gift.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are:

Fixtures and fittings

25% Reducing balance

Ellesmere Childrens Centre

Notes to the Financial Statements - continued for the year ended 31st March 2023

F) Fund accounting

The funds held by the charity are either:

- * Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.
- * Designated funds - these are funds set aside by the trustees out of restricted general funds for specific future purposes or projects.
- * Restricted funds - these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
